a stand  
user!

he can't  
see my  
stand!!

Wait!  
Let

about it...

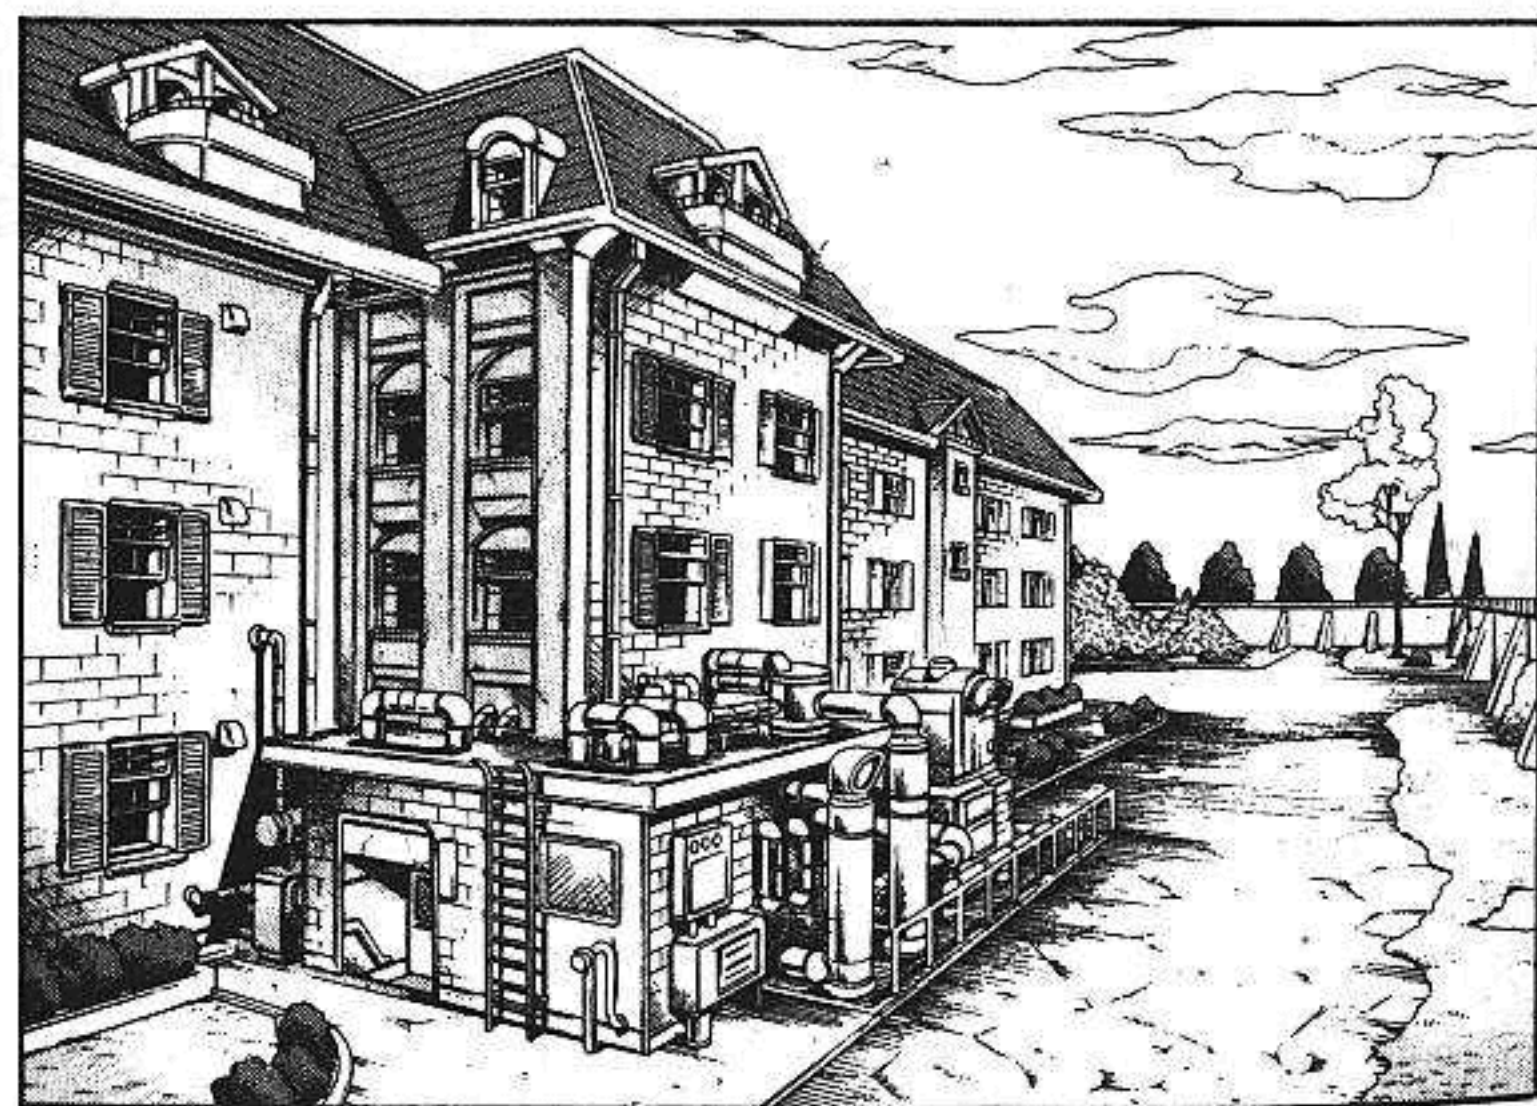

I couldn't

I've been telling

Kameyo Market shopping guide

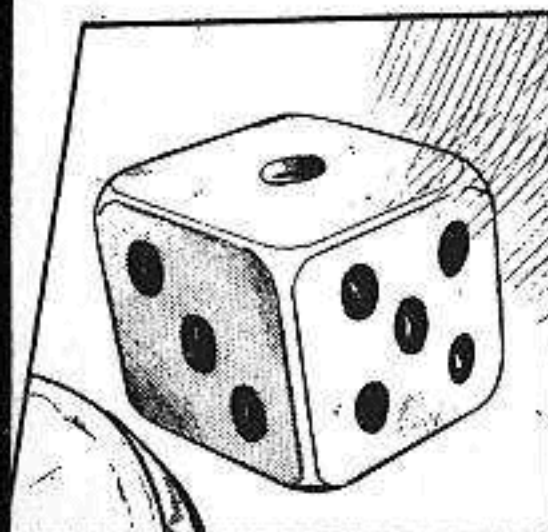

Can you change into this?

right here!

This golden can make everybody happy!

what is this for?

dice?

please turn into this!

it's dice

What is this?

this?

喔啊！

sorry.

aye, you don't have to apologize, everybody has things they don't know!

this is very simple, I will teach you.

what? you don't know what dice is?

I just turned parts of my hand into ice creams

I can almost change into anything

you can change into shoes, but what about duplicates of one object?

you can transform into anything?

hold on...

see, what's the difference?

because all earth people look alike.

can't do faces?

But machines like computers or complex chemicals are beyond my ability...

also I can't do human faces...

I don't care if you are an alien or allergic to sirens....

me, right now...

what?

because I've thought of a golden idea from your ability!

If you really want to thank me....

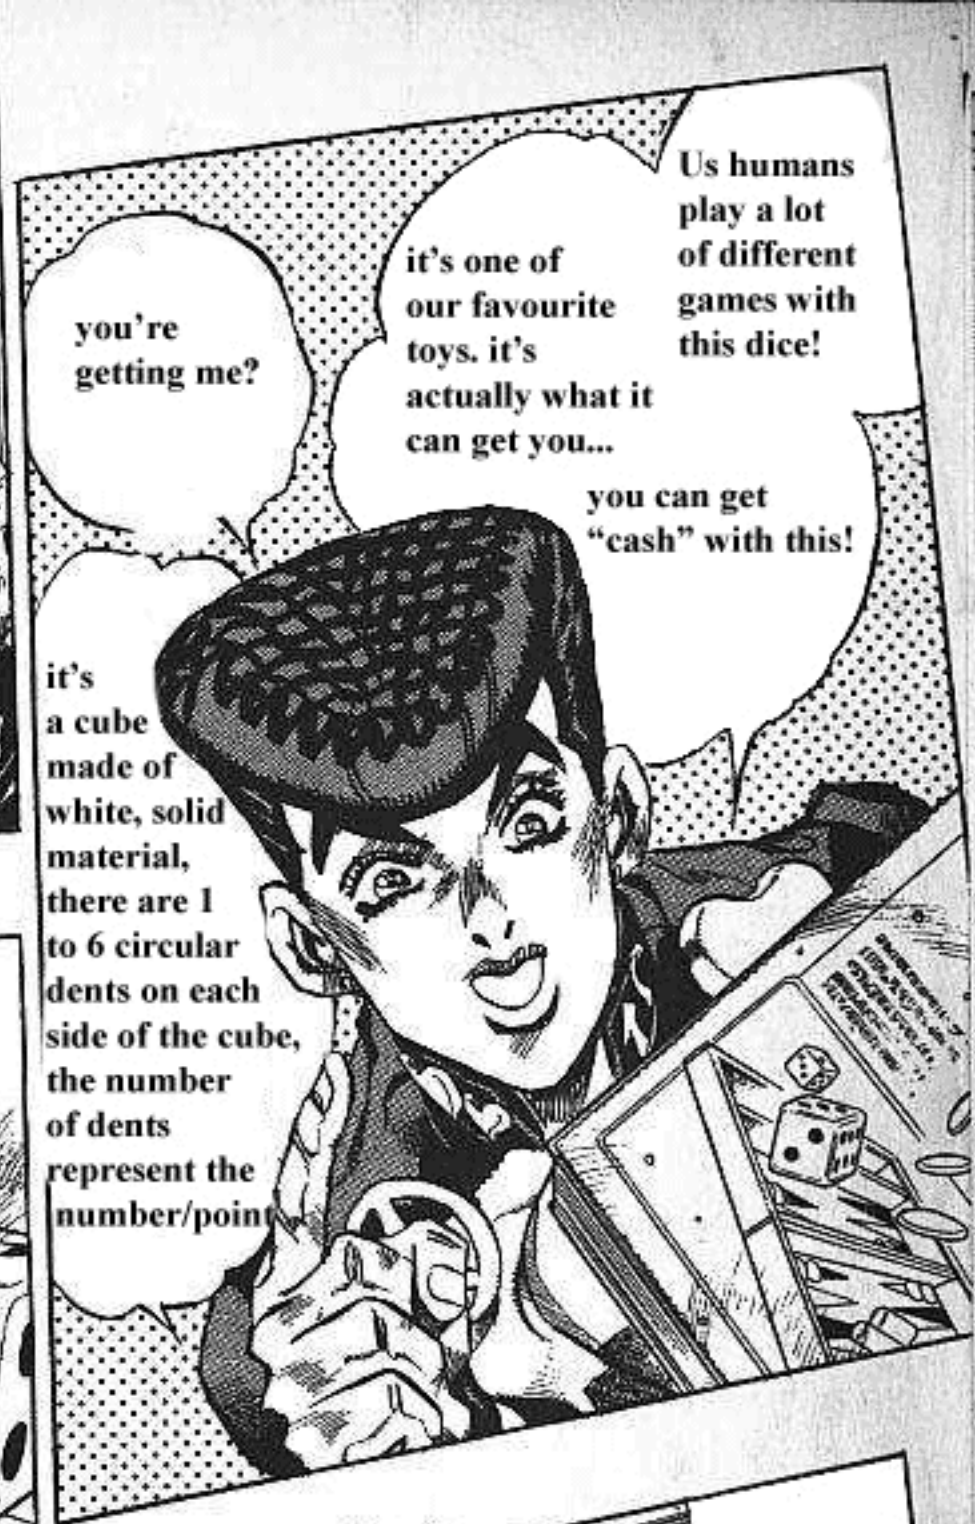

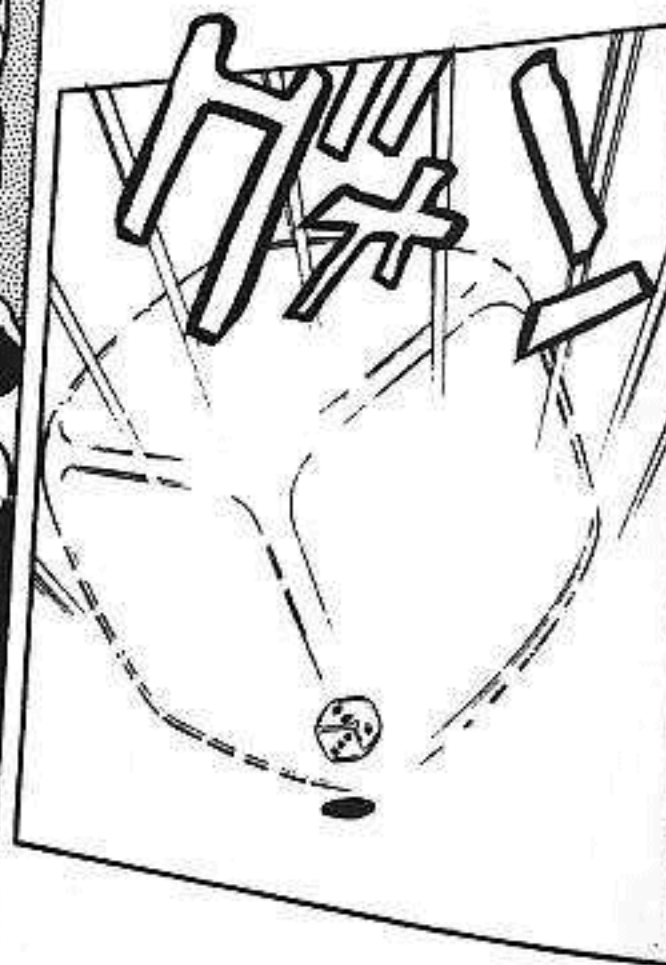

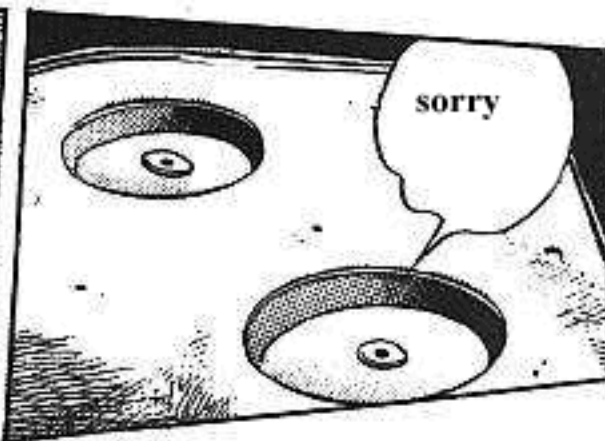

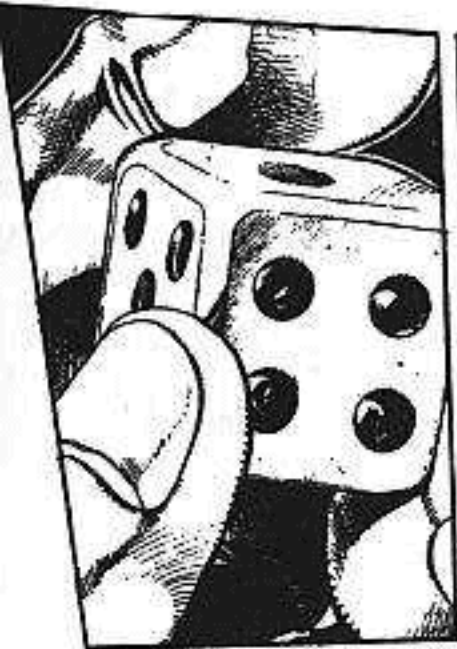

don't worry about that

OK I see.

I want you to do this...

He's a professional comic writer

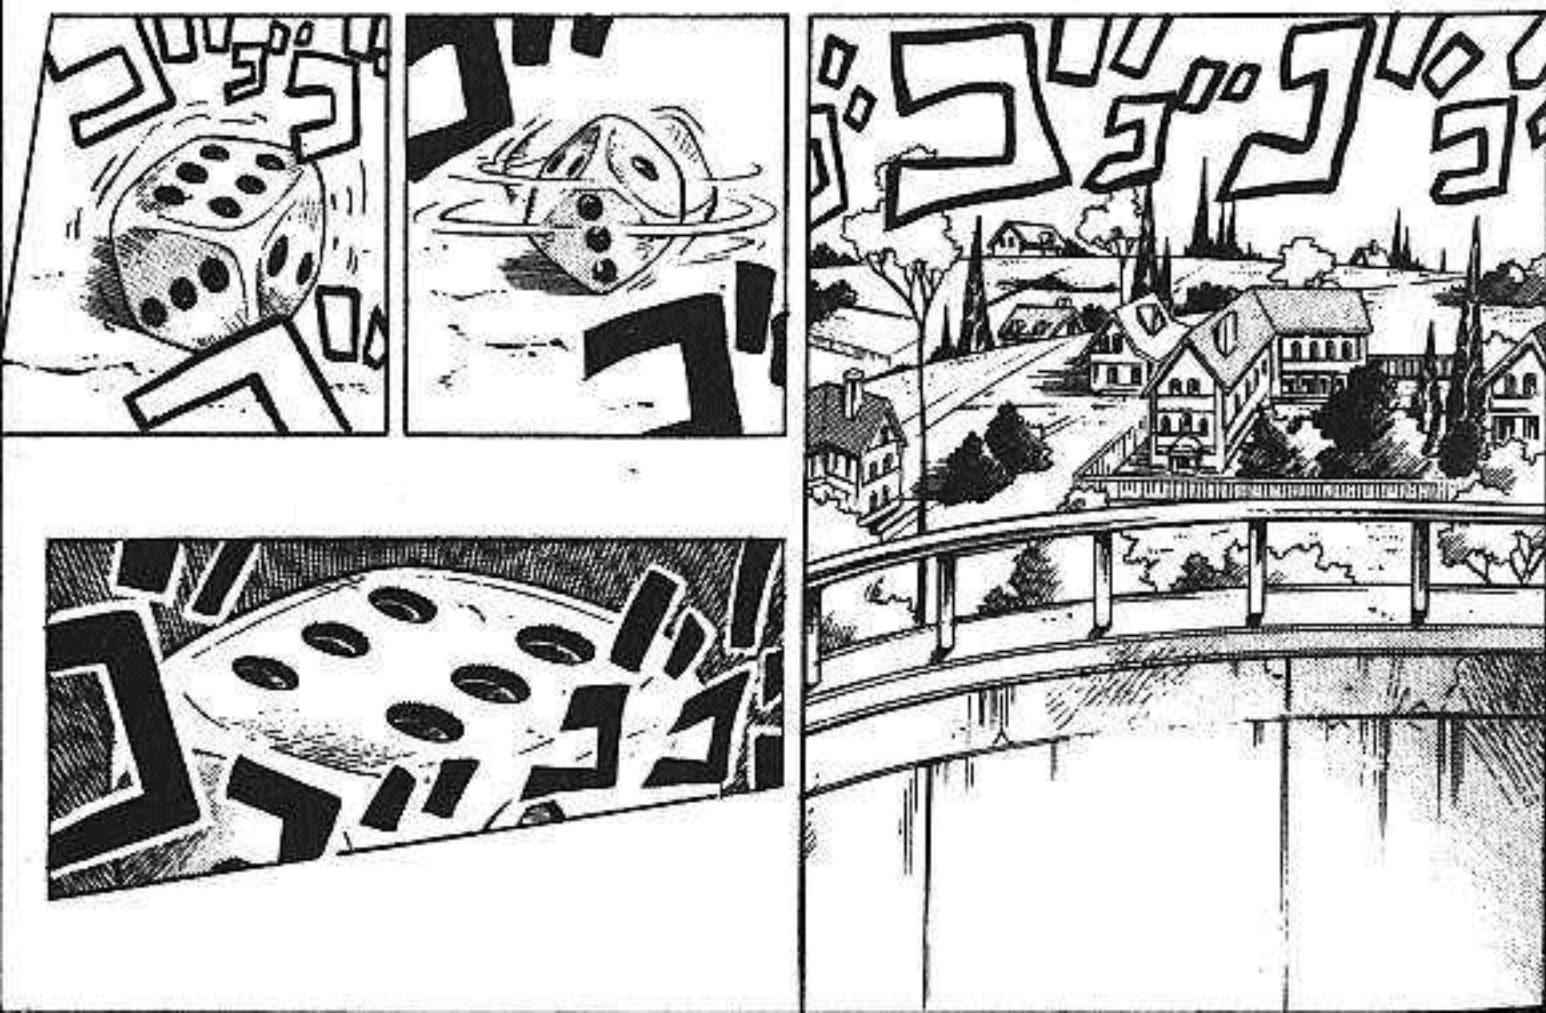

I just want to get some money for summer, plus I have a friend who is never tired of this kind of exciting games!

don't misunderstand

nobody will get mad or hurt, I promise! everybody will be happy!

We will just play with him a little while, we will get all the money we need for the whole summer, for him it's nothing...

If you want to live on earth, then you must learn these tricks to get cash, you know, you need cash to go around and do stuff!

Success! this is too perfect!!

OH!  
OH!

know what?

I am not being picky!! if it doesn't look natural, people will know!

dice is not living, it doesn't have a will of its own, plus you shouldn't have said Oh Oh, while in the air...

you landed on 6, that's good... but you were rolling by yourself... that's not right...

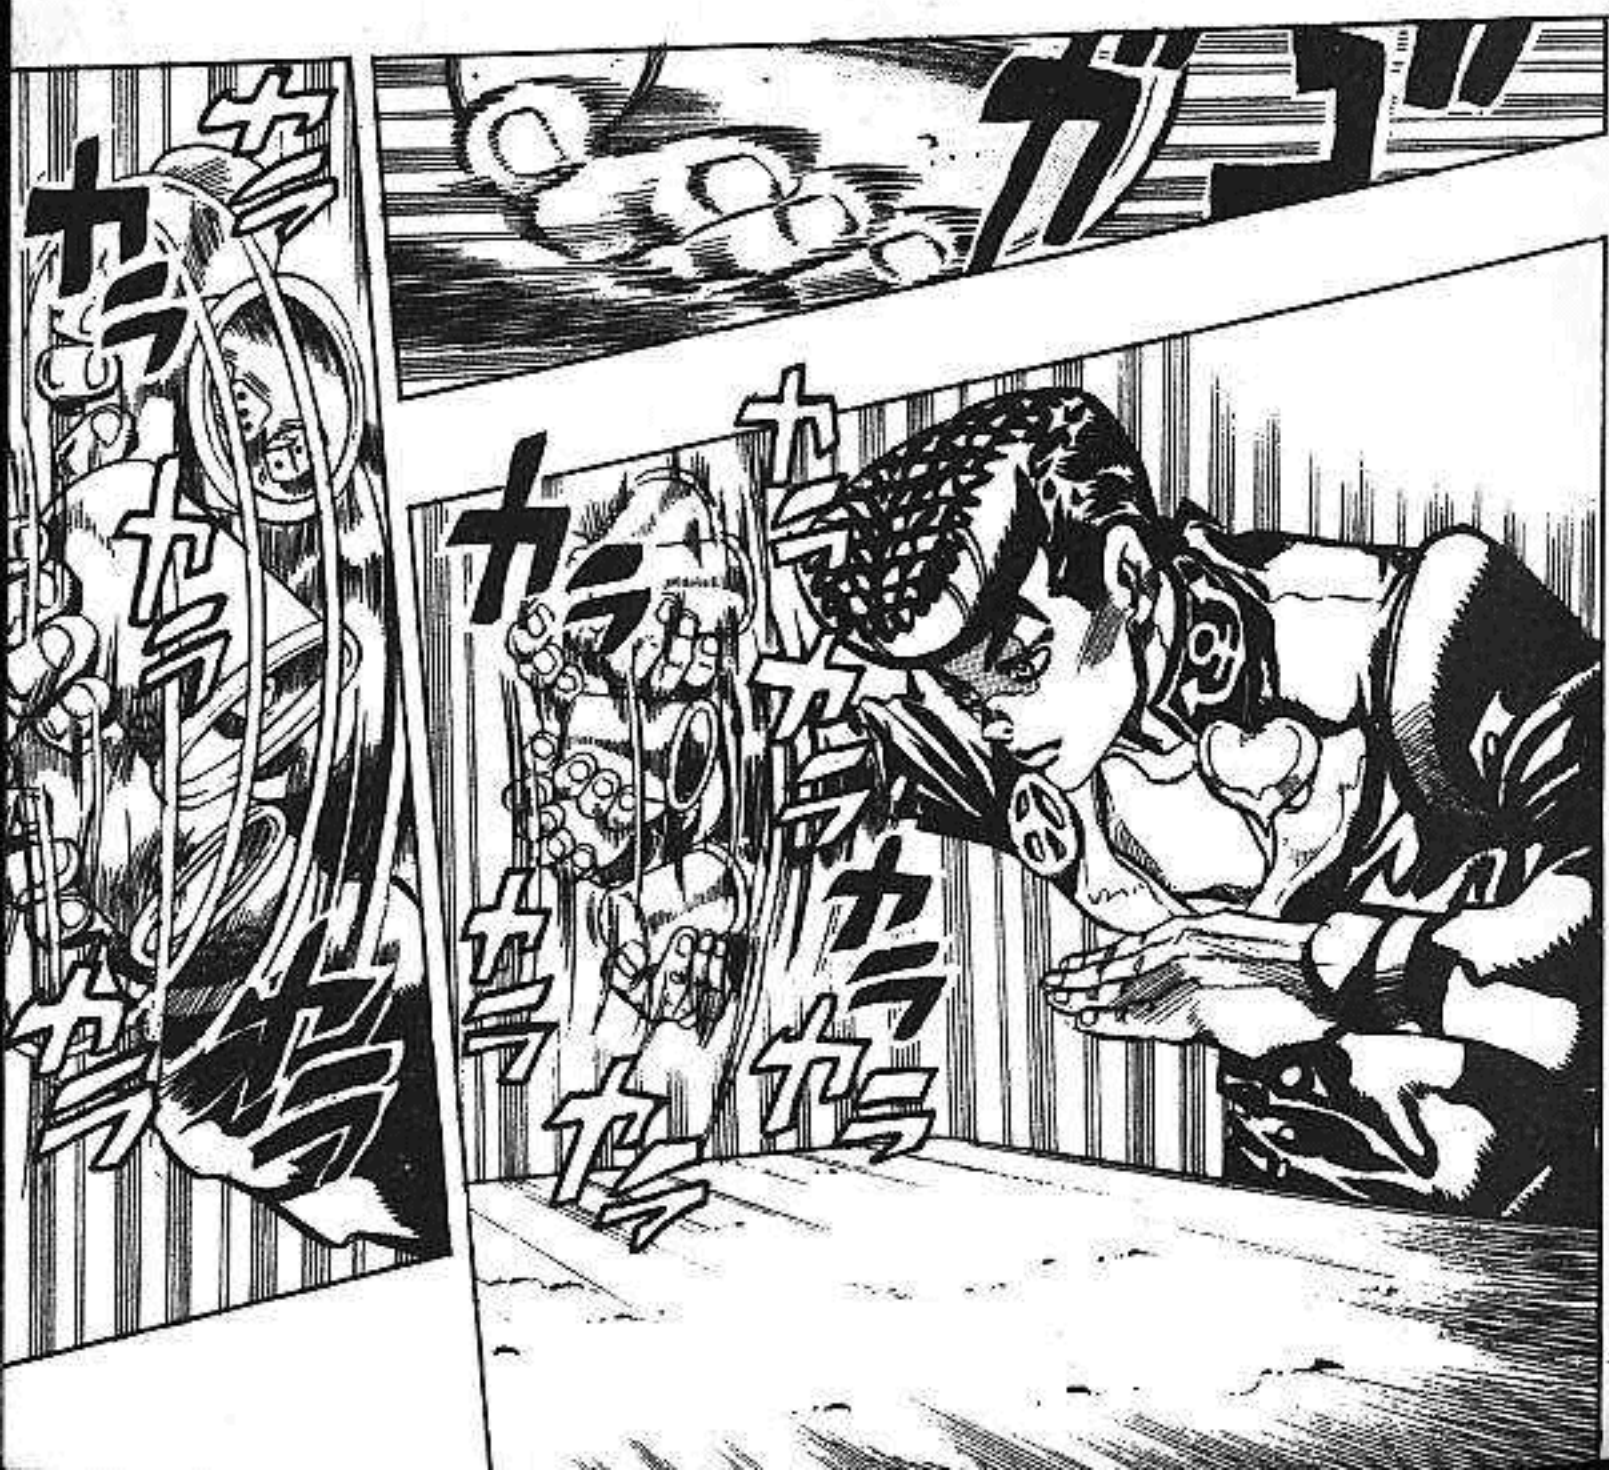

you want to trick people?

you want to cheat people?

What are you talking about?

Josuke! you are really picky you know?!

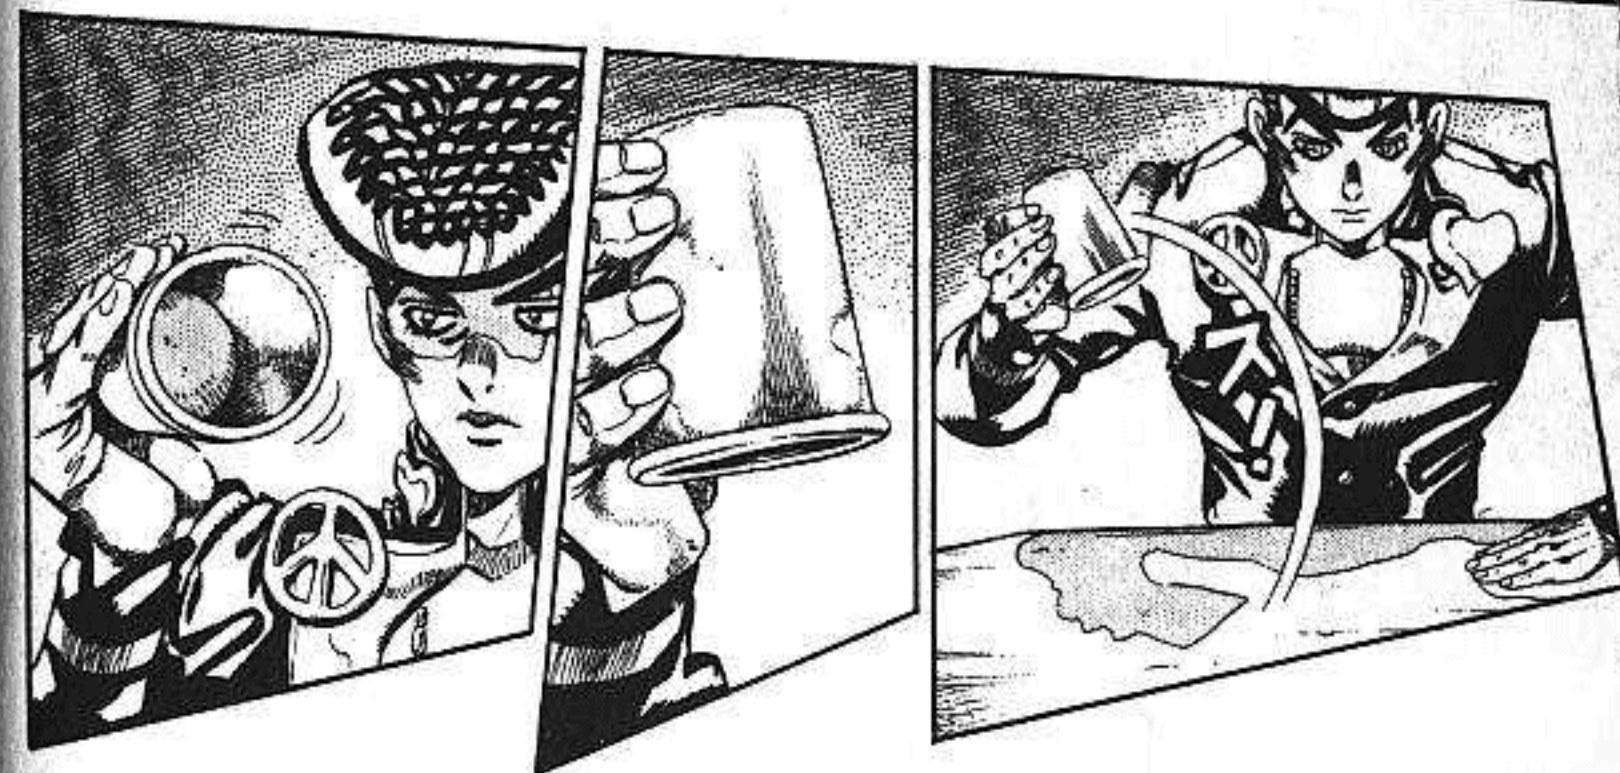

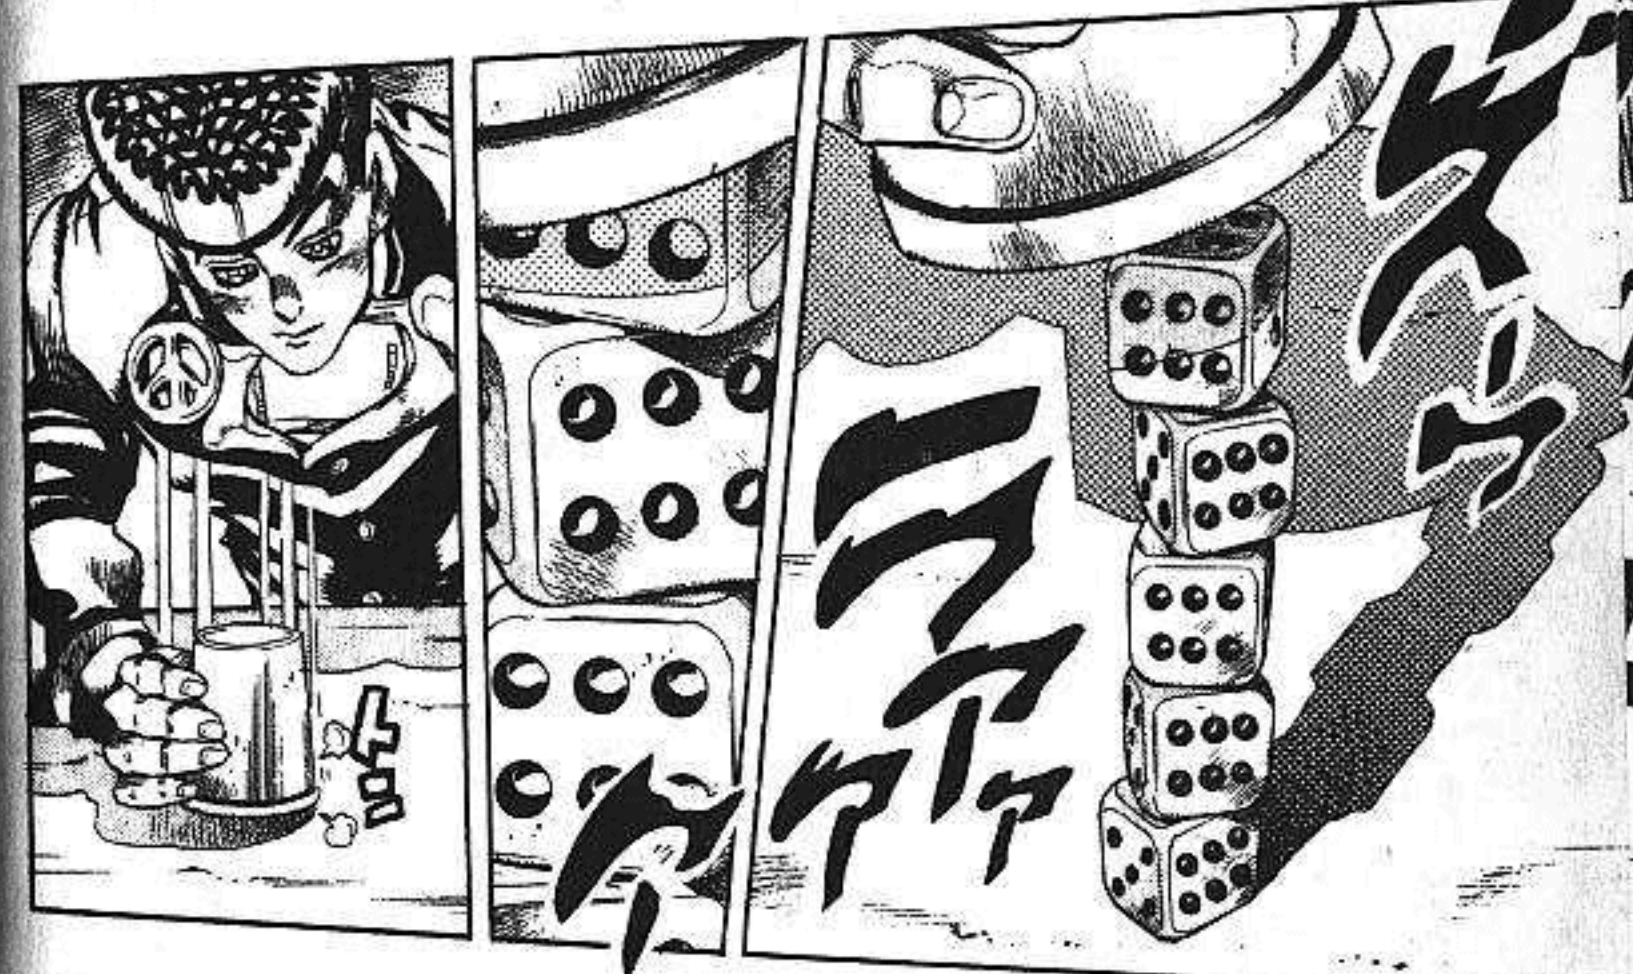

ROHAN  
KISHIBE!  
PREPARE SOME  
SPARE CHANGE  
FOR US! WE'RE  
COMING!

I KNOW  
THIS MUST  
WORK!

OK COOL!  
NOW WE CAN  
TAKE OFF!

## 之其④

don't bother...

can I read your newest chapters?

are you done for the day?

I just passed by...

Nice weather today eh?

you never liked my series.

I have a request! please play 18 with me!

can't hide anything from Mr. Rohan...

heh...

you must want some thing

what do you want?

I WILL TELL YOU MY PURPOSE HERE!

IF SO!

You don't need any extra cash....

yea...

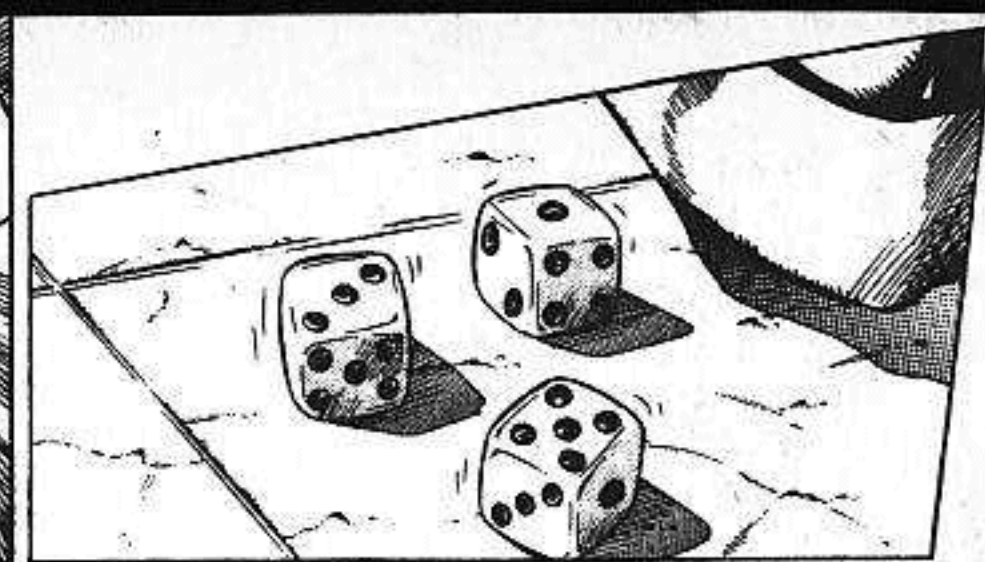

you don't have to play with me...

so why do I have to play 18 with you?

I have never liked you...

to be honest....

this is all I have., all of my money

I will tell you the truth, I don't have money for this summer...

no, I have only 30,000 yen

let's go to my backyard

no... I will play for a little bit. I don't hate gambling, it might even be fun.

What? you wanna play?!

I think gambling is one way to enjoy yourself right? also I might win some money for this summer!

So I thought of gambling!

Mr. Rohan, please be understanding now...

with this much money, if go to the amusement parks a couple of times, have a cup of coffee, then it's all gone

I just don't like your dice

nothing

What's wrong with the dice I brought over?

um....

by the way when I said "it might be fun"? I didn't mean gambling....

even though we are friends, if you lose, you will have to pay.

Josuke...

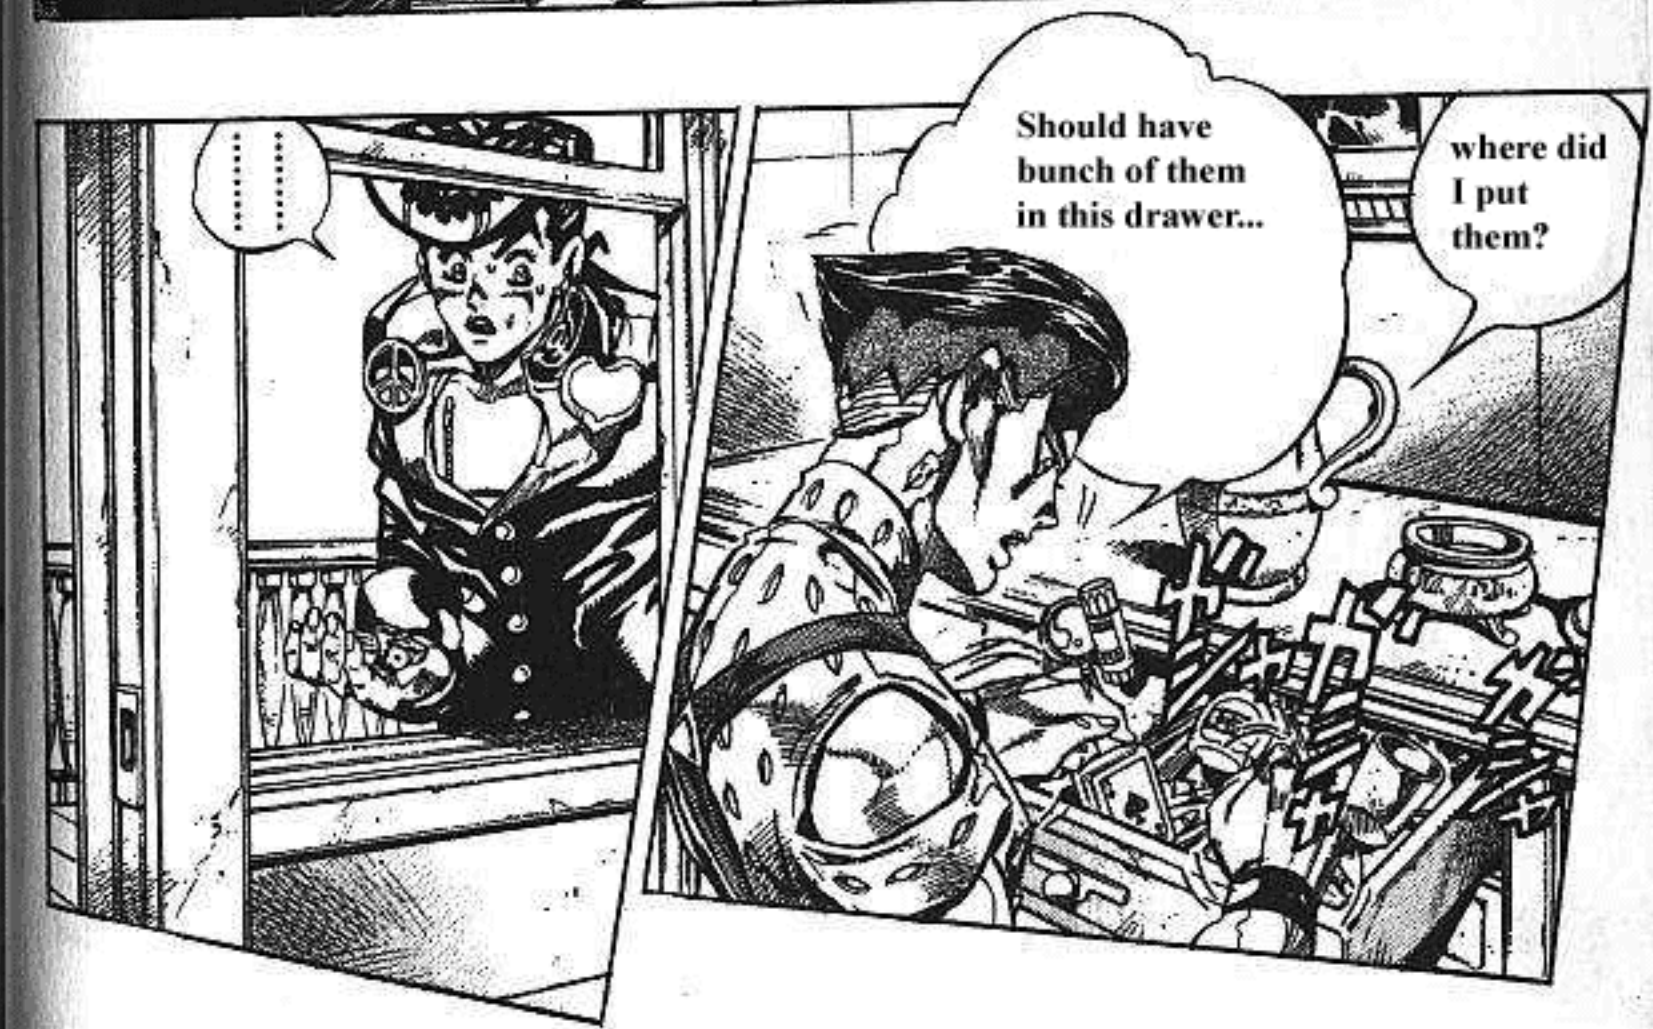

I meant to win all of your 30,000 over might be really fun. so you will have no money for summer!

that is... we can't use the dice you brought

we will use mine!

but I have a condition

Should have bunch of them in this drawer...

where did I put them?

I knew it, I knew Rohan must insist on using his own dice! so I let the alien snuck into his house earlier!

ニギハヤヒ

YEAH!!!!

Damn! I feel so evil right now!

that's the dice the alien transformed into!

No, Rohan is more evil than me! I just wanted to play a game with him to get some money for summer, He even want to win over all the money I have, for him 30,000 is only pocket change.

the ones I have are just normal ones!

Oh they are here!

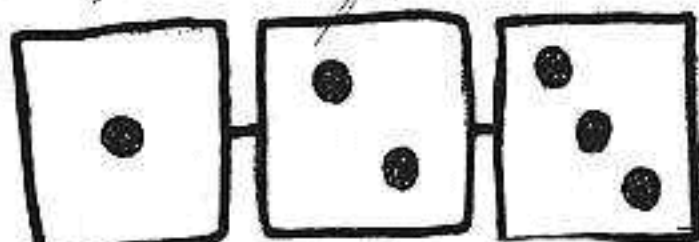

啊...

.....

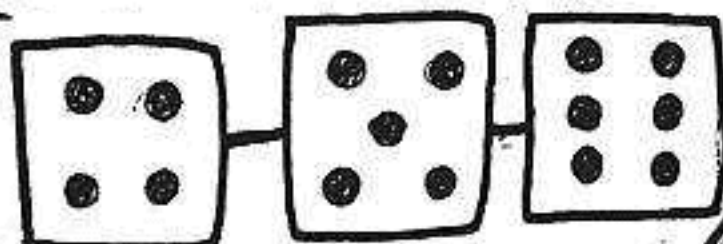

唔... 唔... 唔咕

If you get 4, 5, 6, you get twice the amount from me.

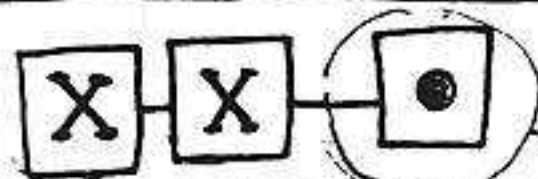

lose: 2x to winner

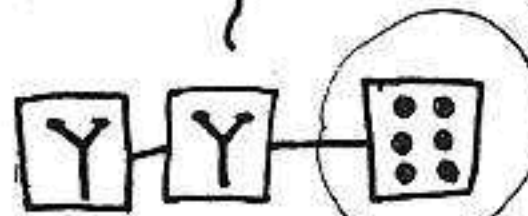

win: 2x from loser

If you get 1, 2, 3 then it's a "dead turtle" you pay twice the amount to me

compare this last one

6 win this time

let's agree on the rules and amount

now...

continue

please

no 1, 2, 3

if you show 1, 2, 3....

listen! can't be 1, 2, 3! never show 1, 2, 3

good

as long as it works for you...

No....

good

throw 3 dice into the bowl at the same time, if one fell out, you lose!

alright?

white tokens 1 stands for 1000 yen

if we play small you can't get much even if you win

you want more money for summer

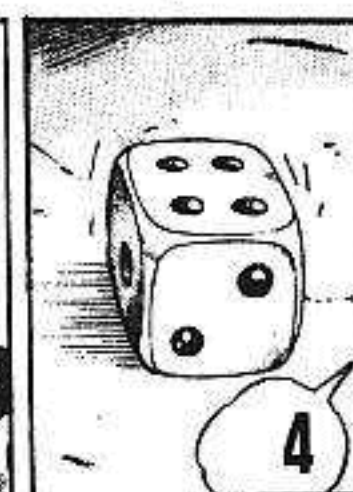

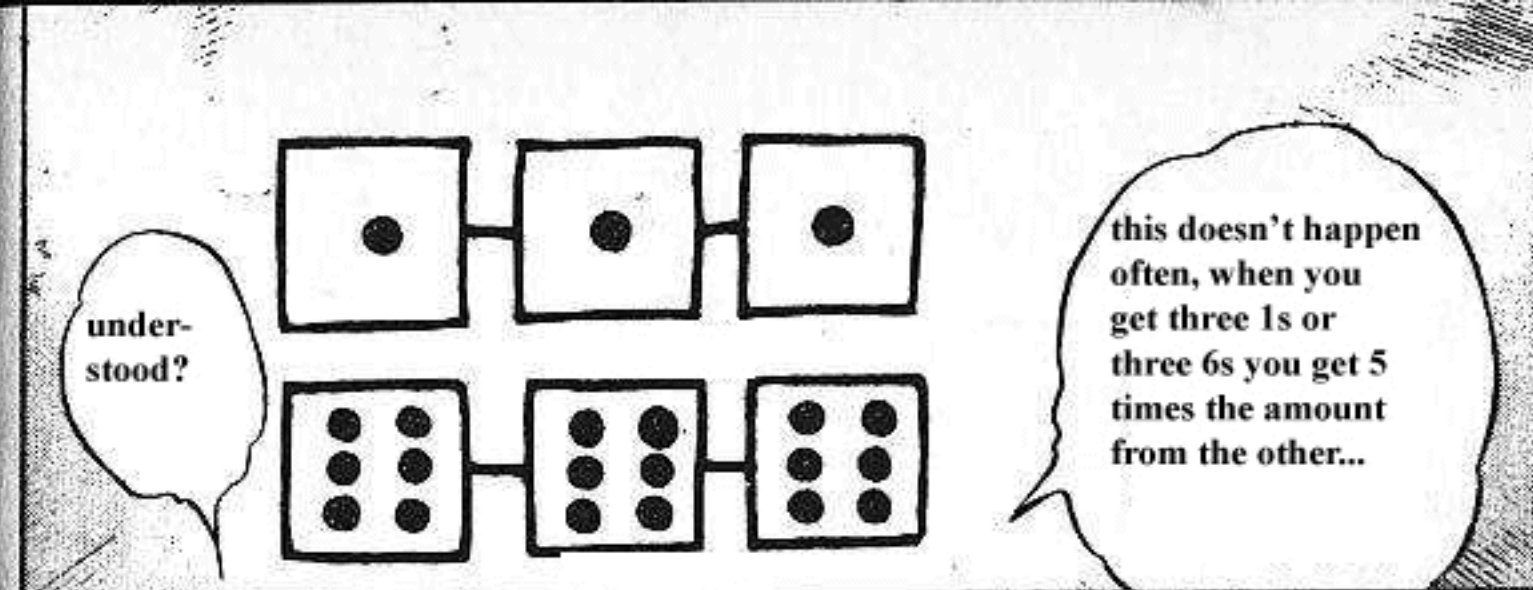

so high?

嗯?

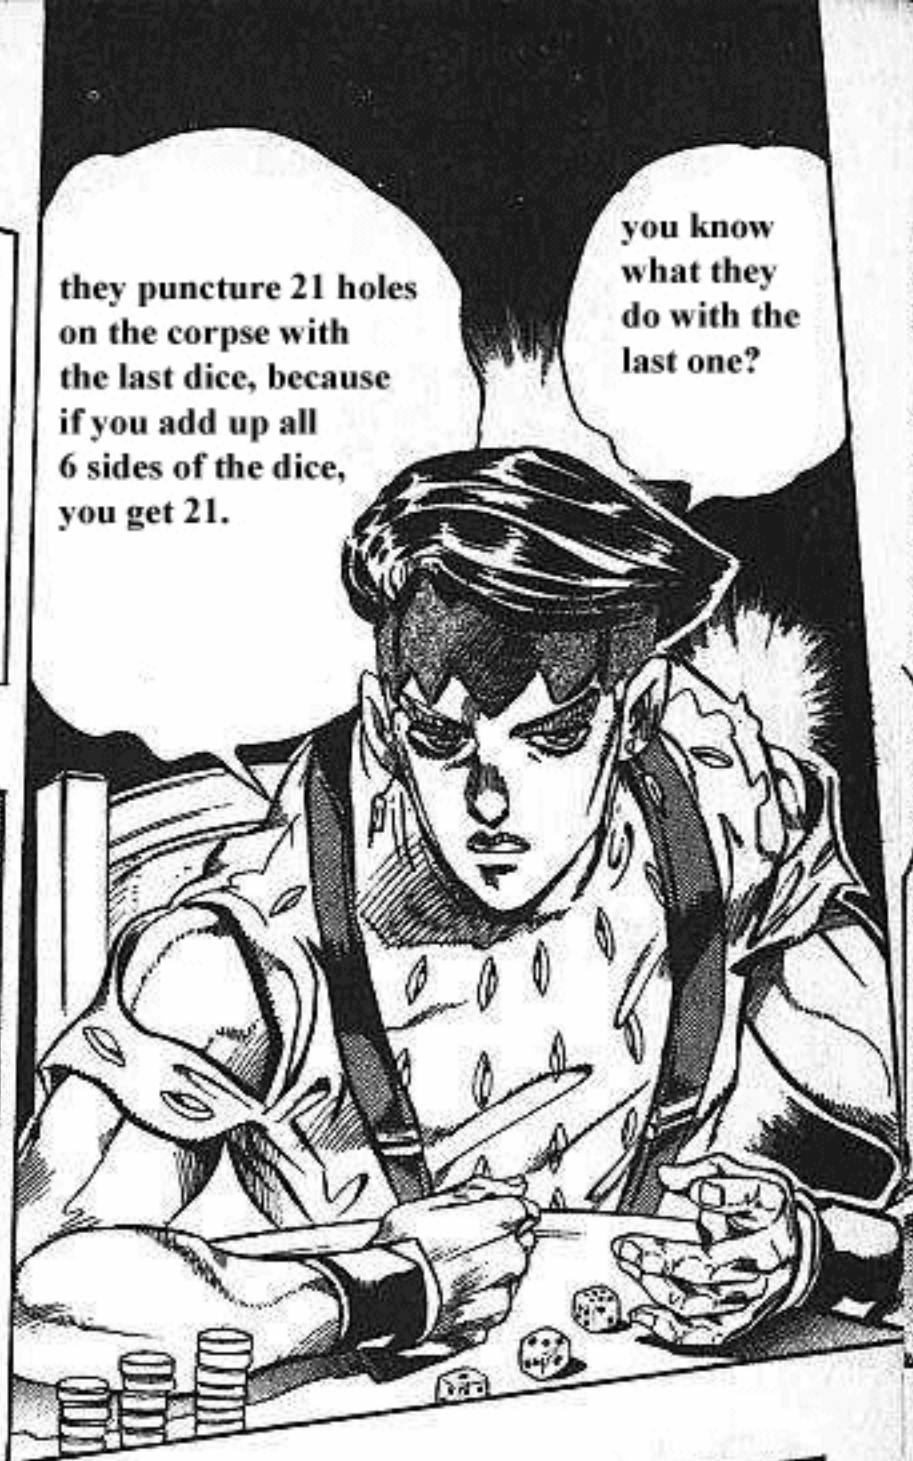

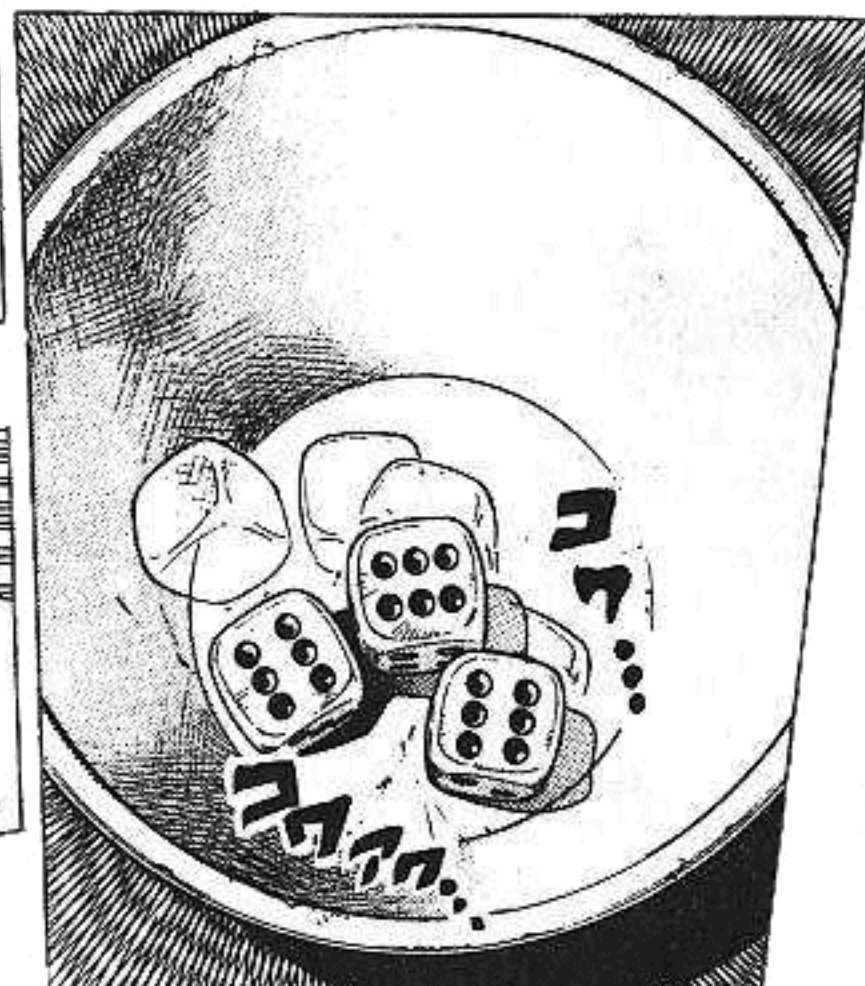

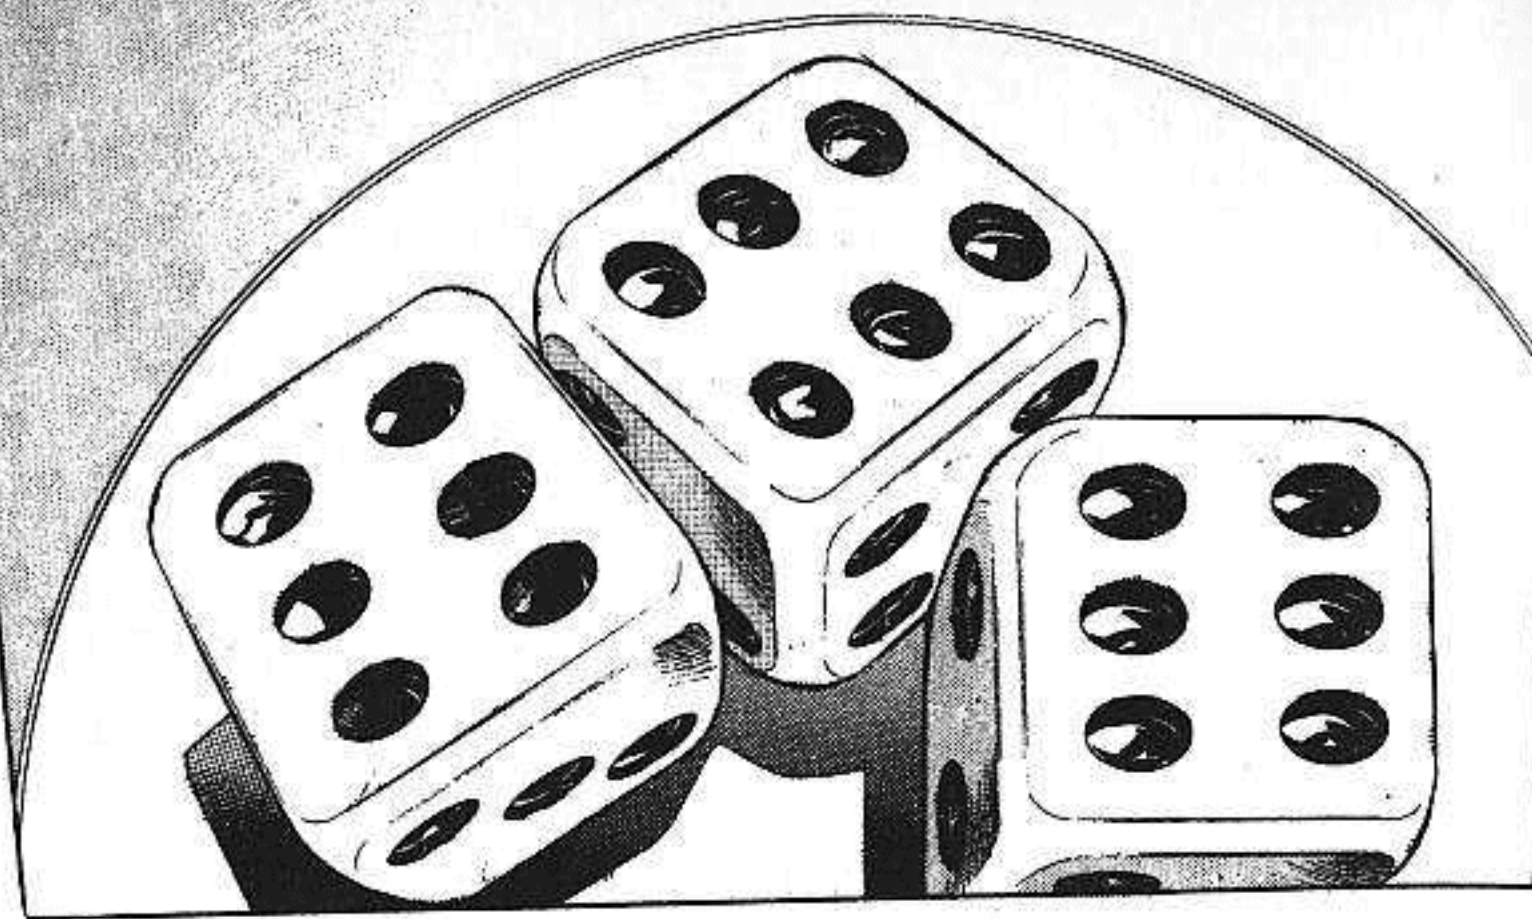

they will hammer  
a dice into each of  
the cheater's eyeballs,  
and throw him into  
the river.

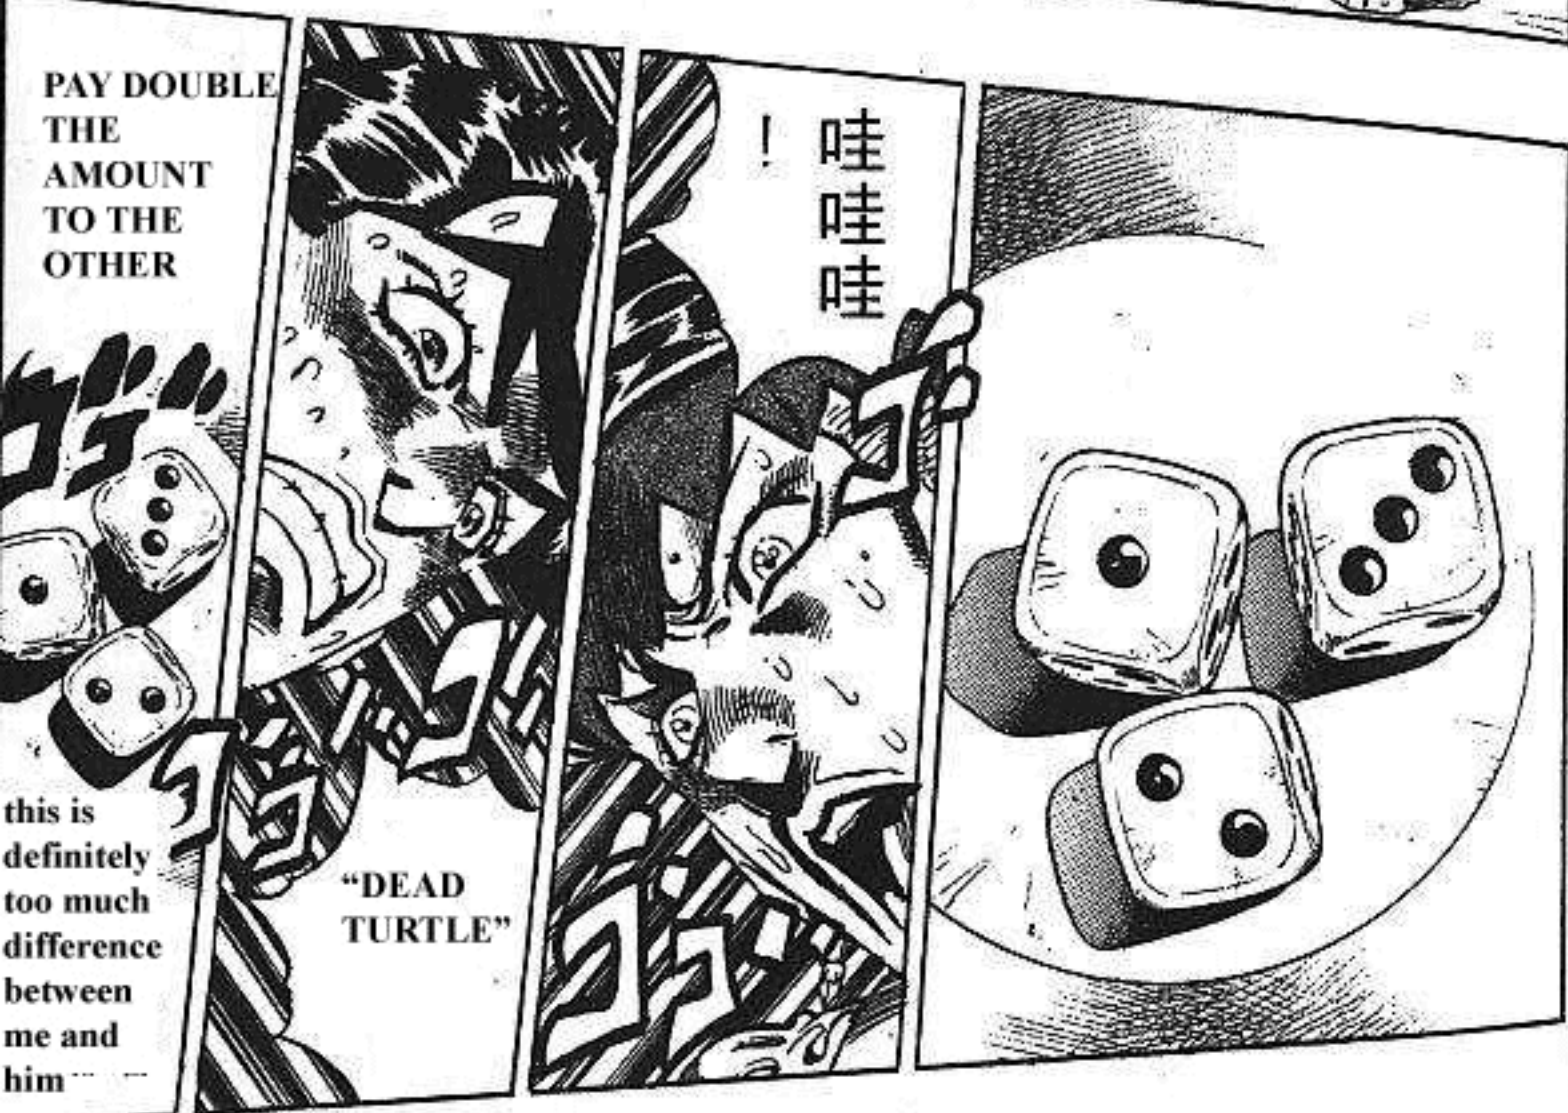

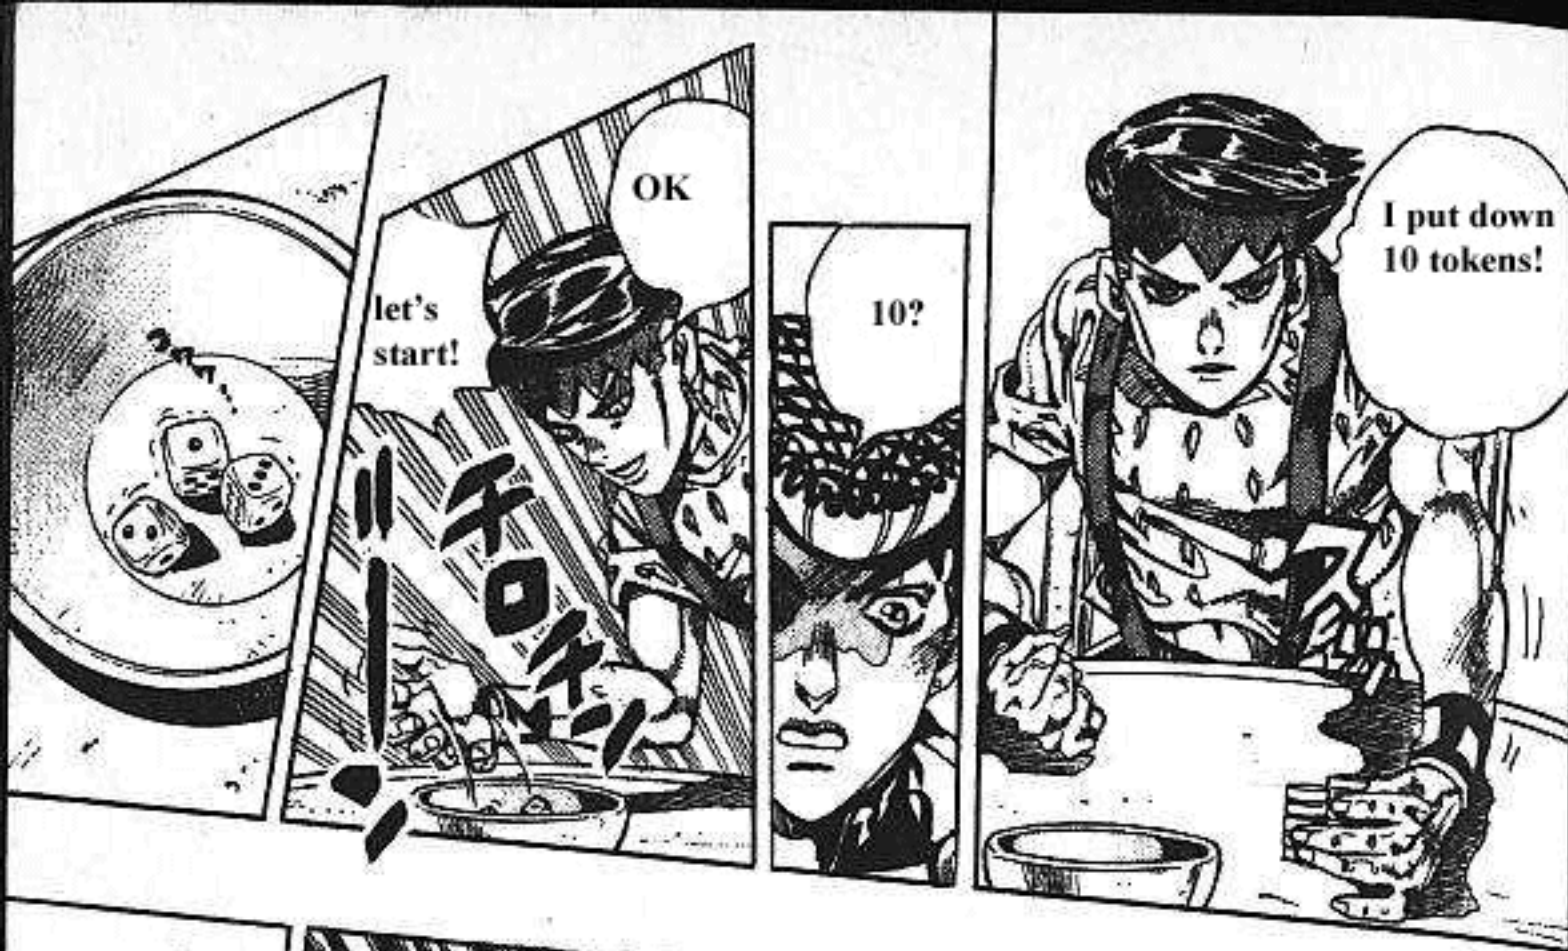

JOSUKE  
HIGASHIKATA!  
DON'T TOUCH  
THE DICE!!

Rohan will  
keep a very  
close eye on  
me now...

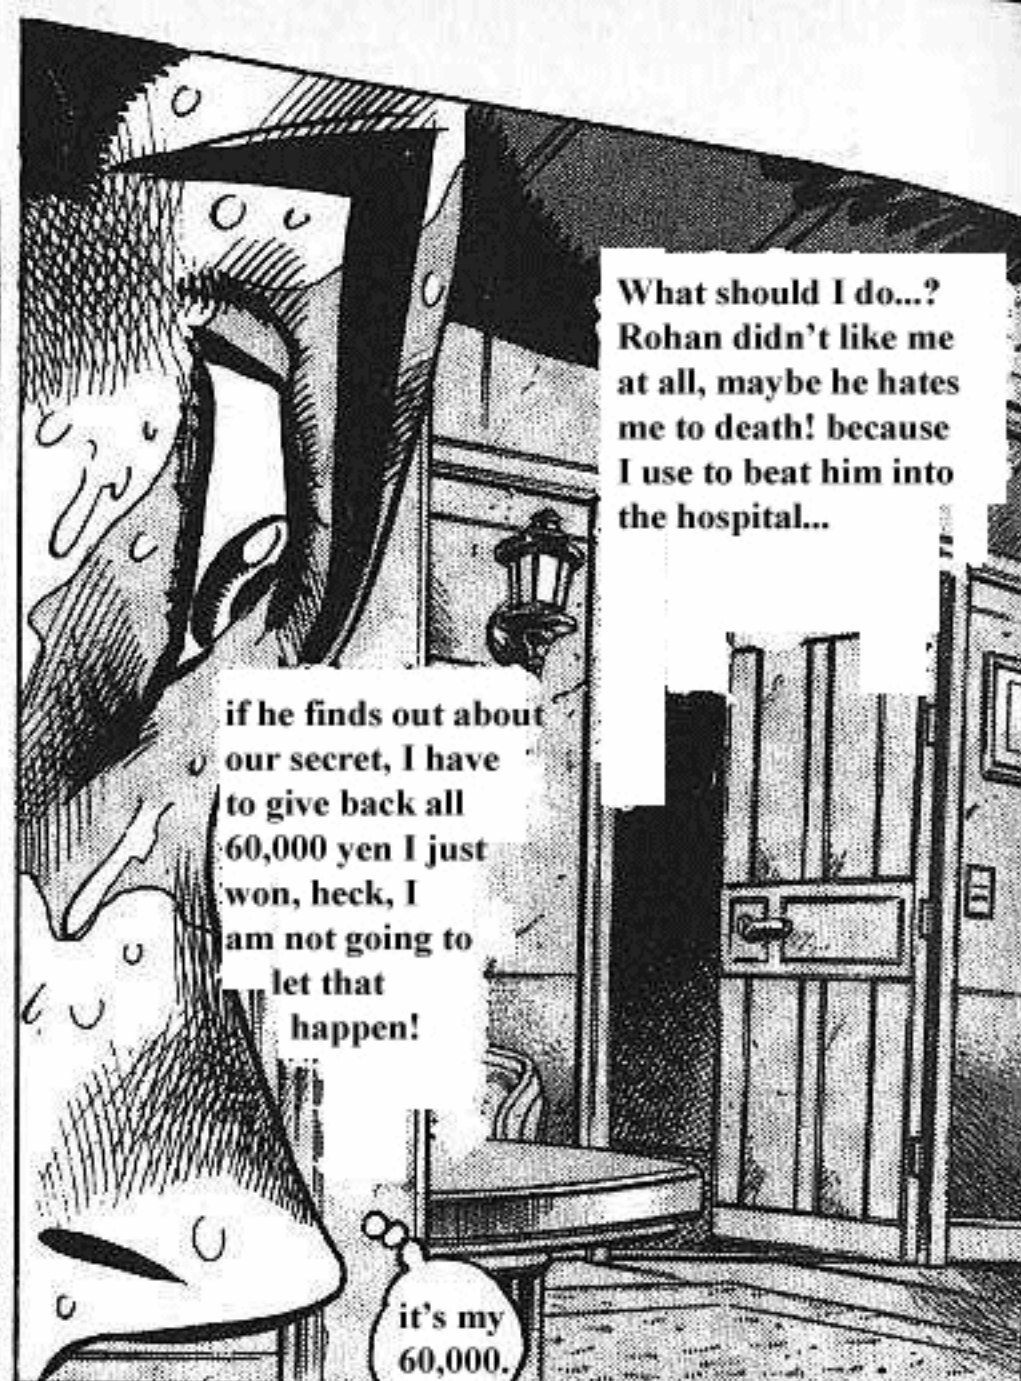

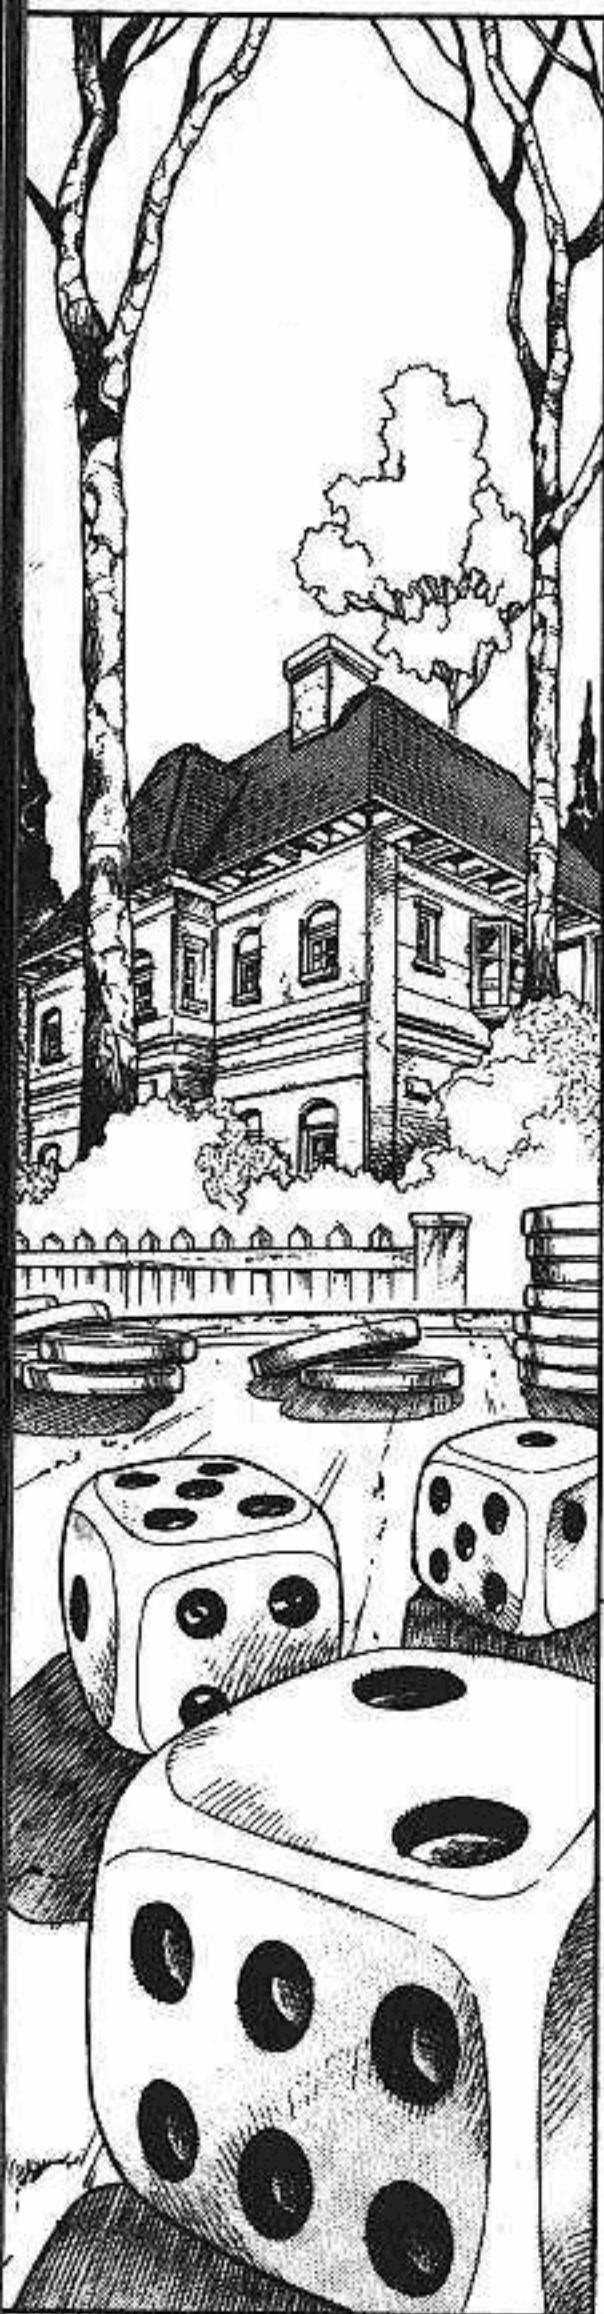

Alien! why  
don't you  
understand?

Rohan has  
already started  
to suspect me...

我是宇宙人  
之其⑤

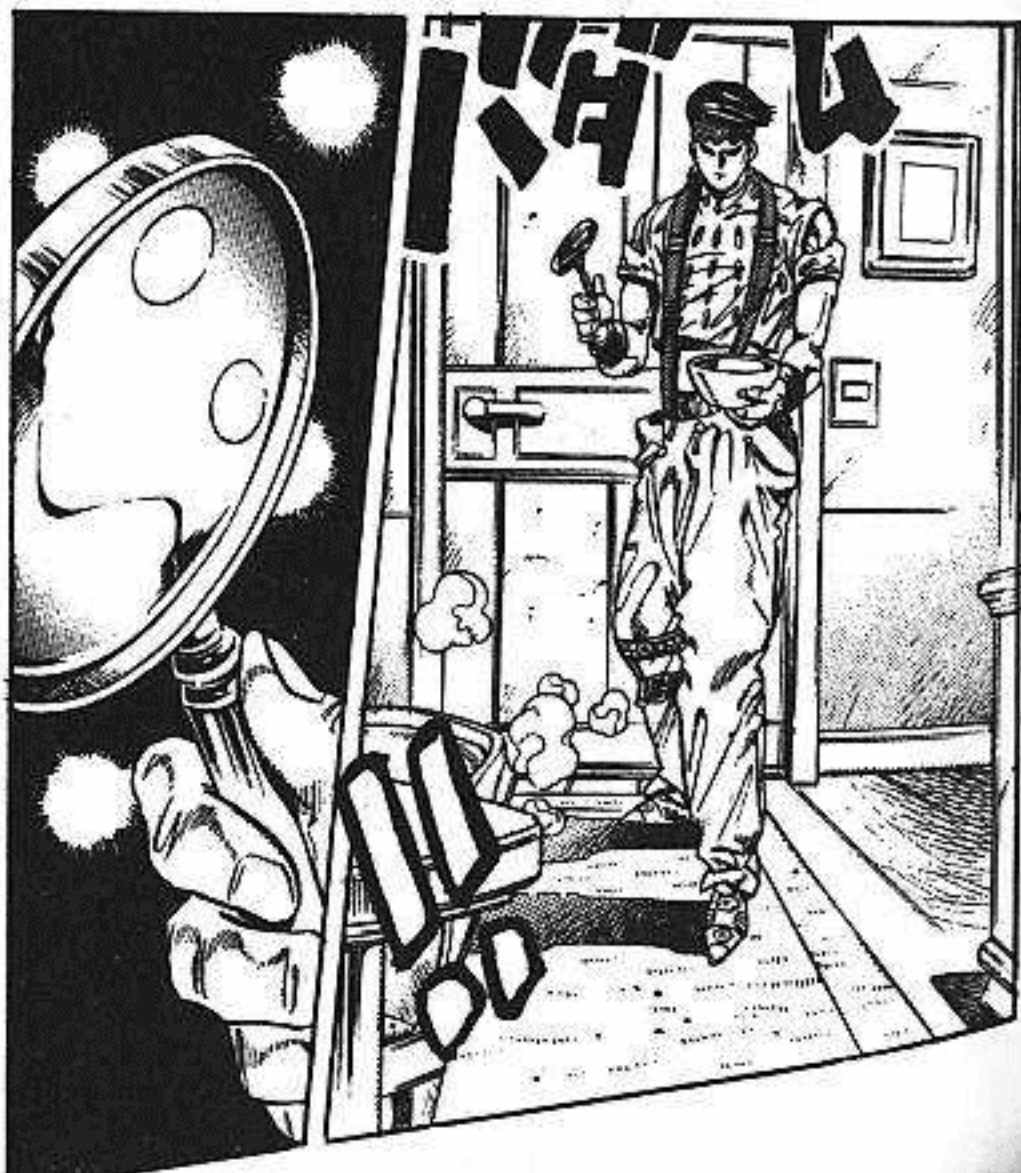

What should I do...?  
Rohan didn't like me  
at all, maybe he hates  
me to death! because  
I use to beat him into  
the hospital...

if he finds out about  
our secret, I have  
to give back all  
60,000 yen I just  
won, heck, I  
am not going to  
let that  
happen!

it's my  
60,000.

not even  
the bowl

don't  
touch!

don't touch....?  
but it's my  
turn

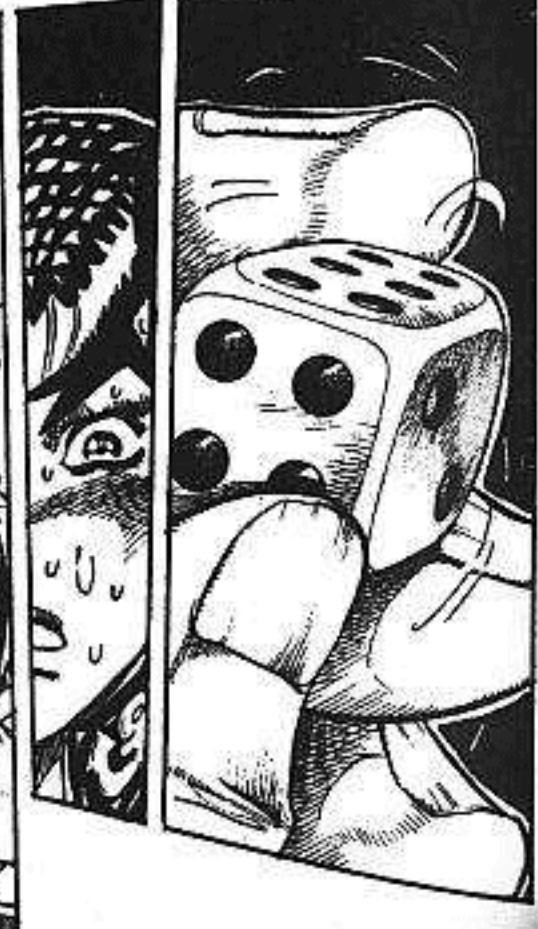

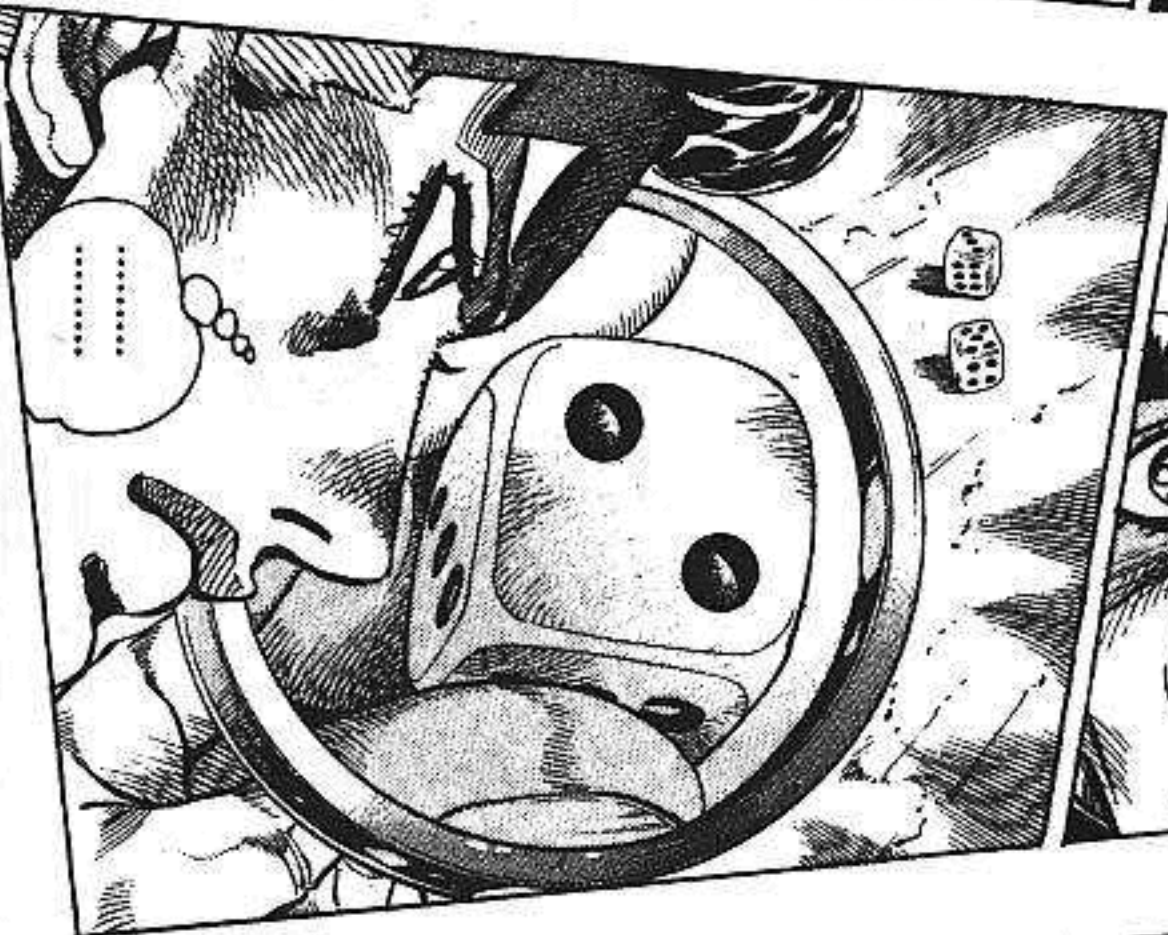

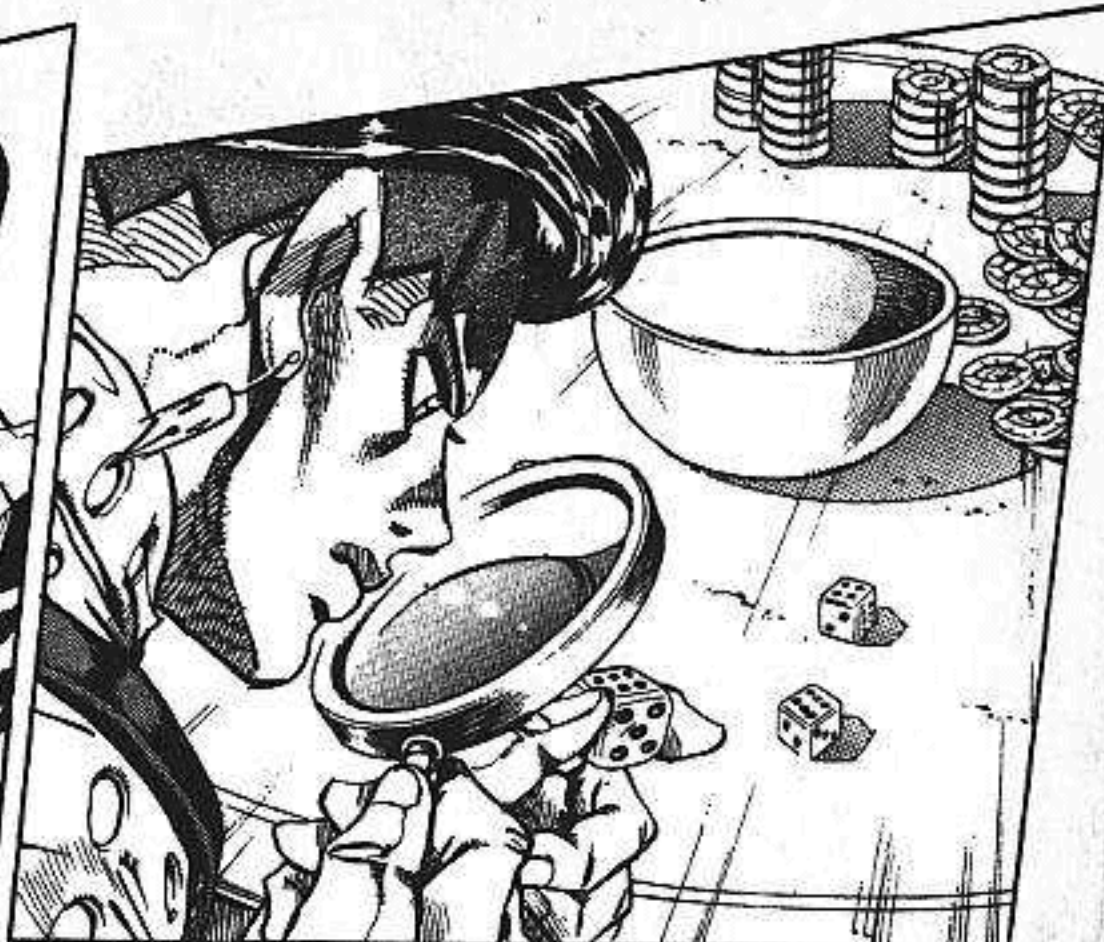

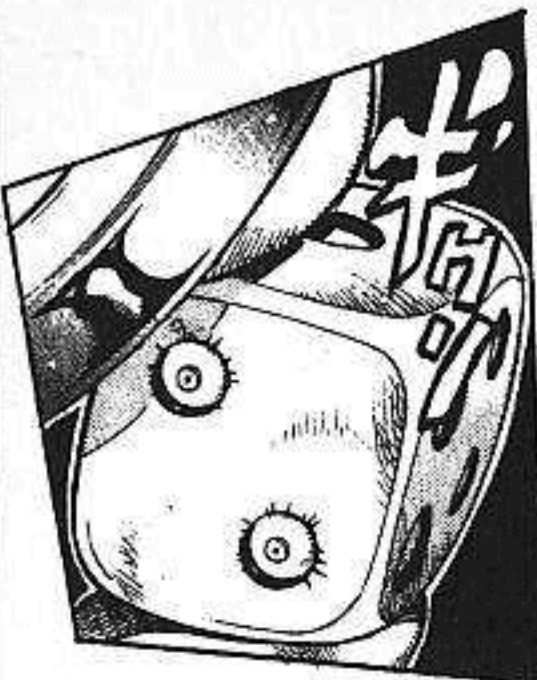

What's he  
gonna do? if  
he finds out  
about me  
and the  
alien....

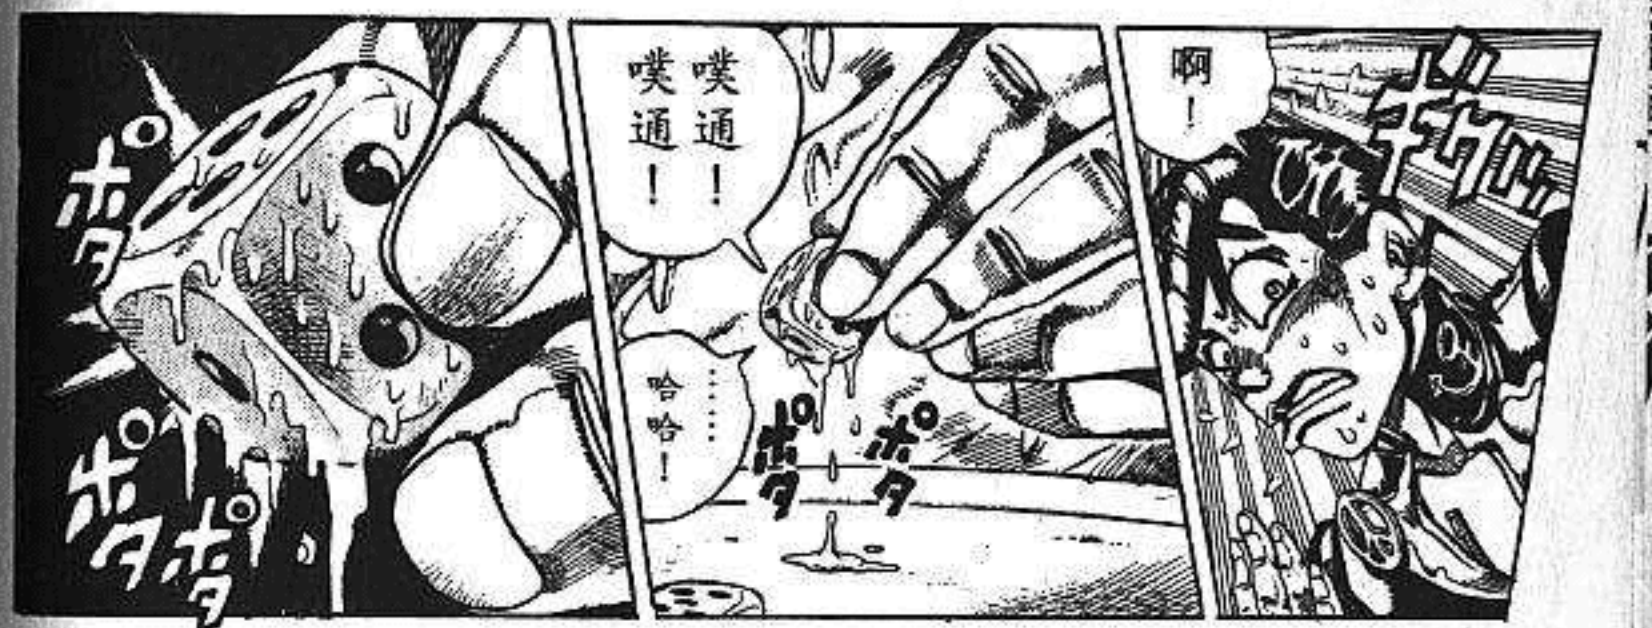

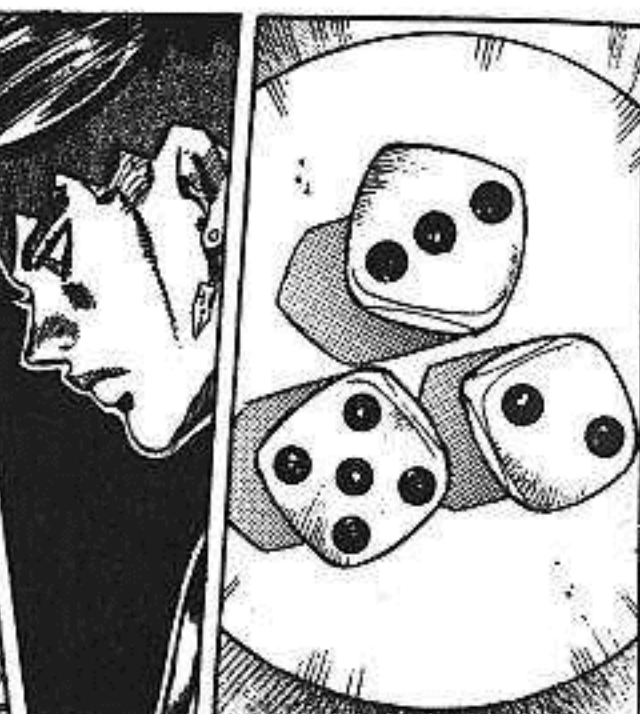

he will  
not let  
me go  
with just  
an  
apology

This  
guy...  
still  
doesn't  
understand

Shit!

啊  
!

OK!  
START!

Alien now you  
should understand,  
don't make him  
suspect me... just  
win or lose a little  
bit now, and win  
big time at the  
last round.

コオ...

I don't know how you are doing it, but I am sure you are cheating

I know you are cheating...

WHY ARE YOU DOING THIS?!

I can't forgive myself, can't even figure out how you are doing it...

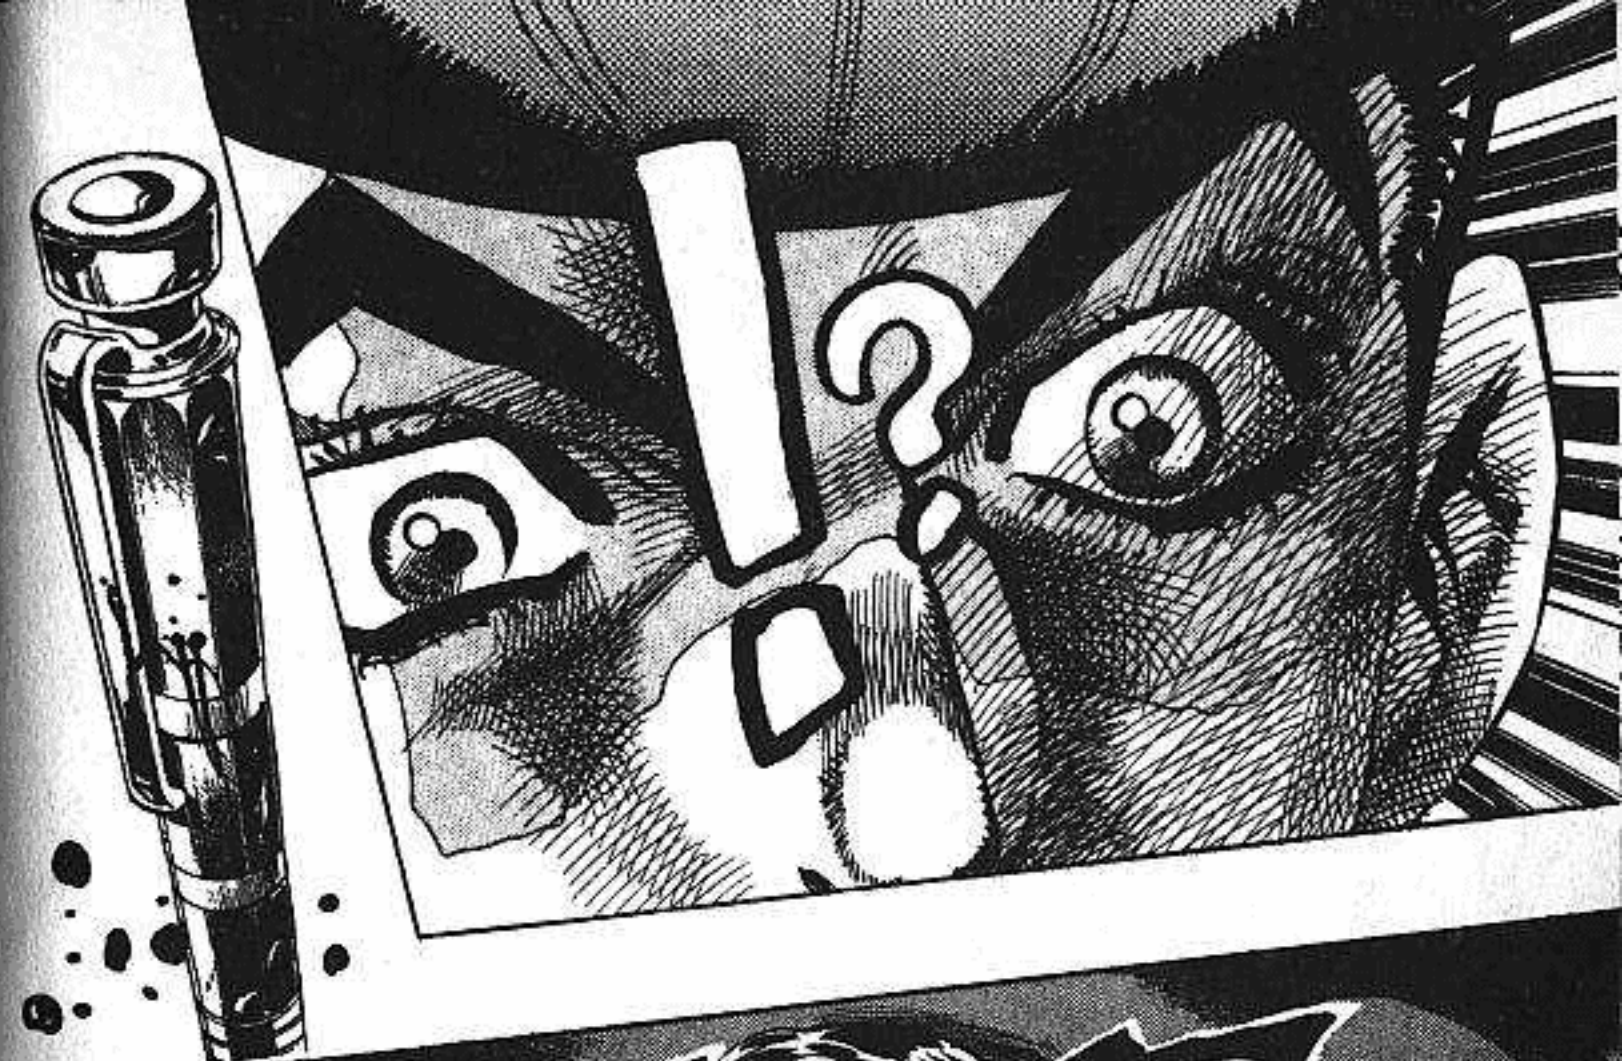

Shut up!

You crazy?! what the hell are you doing?

Rohan! what are you talking about?!

Josuke.... I tried to avoid any confrontation with you just because my respect for your father Mr. Joestar and Koichi. today you even dare to come all by yourself and mock me at my house!

when the image of you laughing at me crossed my mind, I just can't contain my anger any more!

But.. If I manage to expose your secret...

and I will.

If I can't catch you, I will pay you this money to heal my little finger...

I have 2 million yen right here!

THEN I WANT YOUR LITTLE FINGER AS YOUR PAYMENT TO ME!

Josuke!

because I am gonna bind you here, so you can't find a excuse and escape!

Shut up!! why did you think I cut my little finger...

Come on! let's not do this, let me heal your finger first!

Let's play one more time do decide...

If in this round I can't find out how you are cheating...

I WILL NOT LET YOU HAVE ANY CHANCE TO USE THIS KIND TRICKERY AGAIN!

why  
are you  
here?

Tamami

I stayed in the  
hospital for a month  
I wasn't sure what  
had happened but  
it was something  
with me head,

long  
time  
no sec.

It's  
me  
Josuke.

I will use this  
lock to lock  
down anyone's  
heart if he's  
to cheat!

about the  
thing I  
promised....

yes  
I am  
Tamami

I will  
perform  
as soon  
as I can

I called  
him.

let him  
be the  
judge.

Judge?

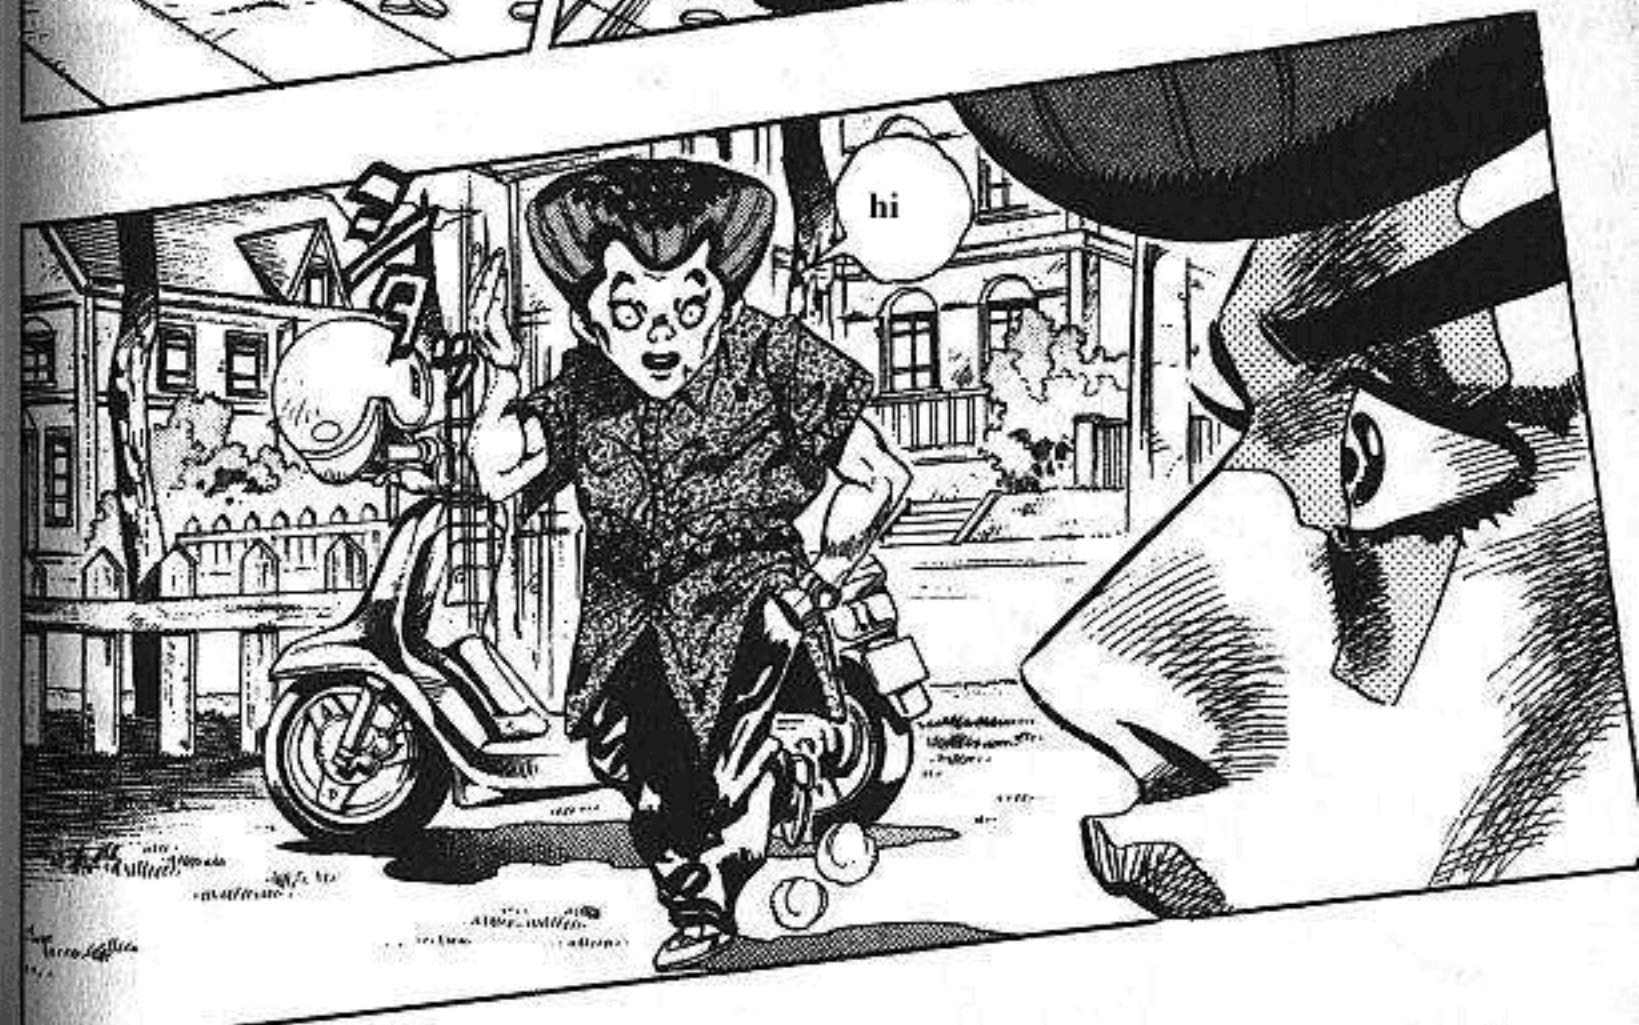

morning  
you two

hey

are you crazy?!  
this is just a game!  
how am I suppose  
to play with you  
like this?!

I will  
not  
recede!

Let me  
heal it  
for you!

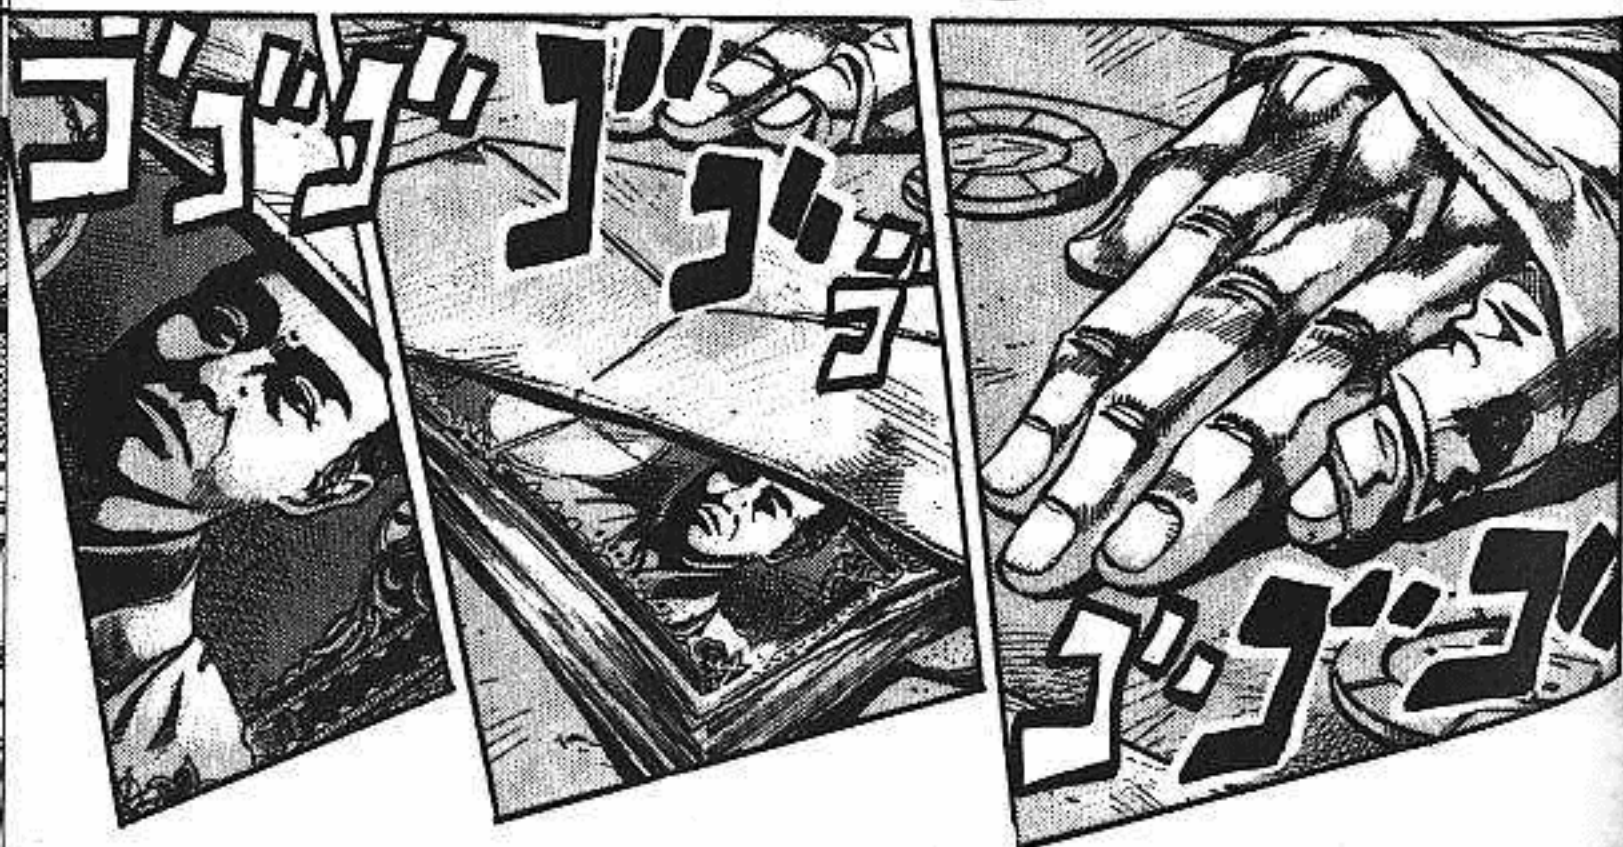

hi

# 我是宇宙人 之其⑥

The fees are  
20 percent of  
the betting amount  
plus 400,000 yen!

whether any  
of you is  
cheating, toss  
the dice one time  
and we shall see

Doesn't matter  
who wins or  
loses, I will  
treat it with  
absolute  
fairness

but what  
should I do,  
I am like  
riding on a tiger  
and can't get  
down.

shit! why did  
it come to this?!

guess I just have  
to continue play with  
Rohan and beat  
him! this is the only  
way I can get out of  
this mess!

if you are  
not cheating,  
then you have  
nothing to  
worry about.

otherwise,  
Tamami's  
lock will  
attack you

Looks like Josuke can't keep his little finger this time...but I don't really care, doesn't matter who wins or loses, I will not lose anything, heh heh....

I shouldn't have guilt, it's the alien who decides who wins or loses!

I just wanted to get a little cash from you, your pocket change is enough for me for the whole summer but you just have to be so damn serious! OK, I must play one more time, take the 2 million and then heal Rohan's little finger, then everybody will be happy!

Rohan Kishibe you are forcing me to do this! I don't have any other choice now!

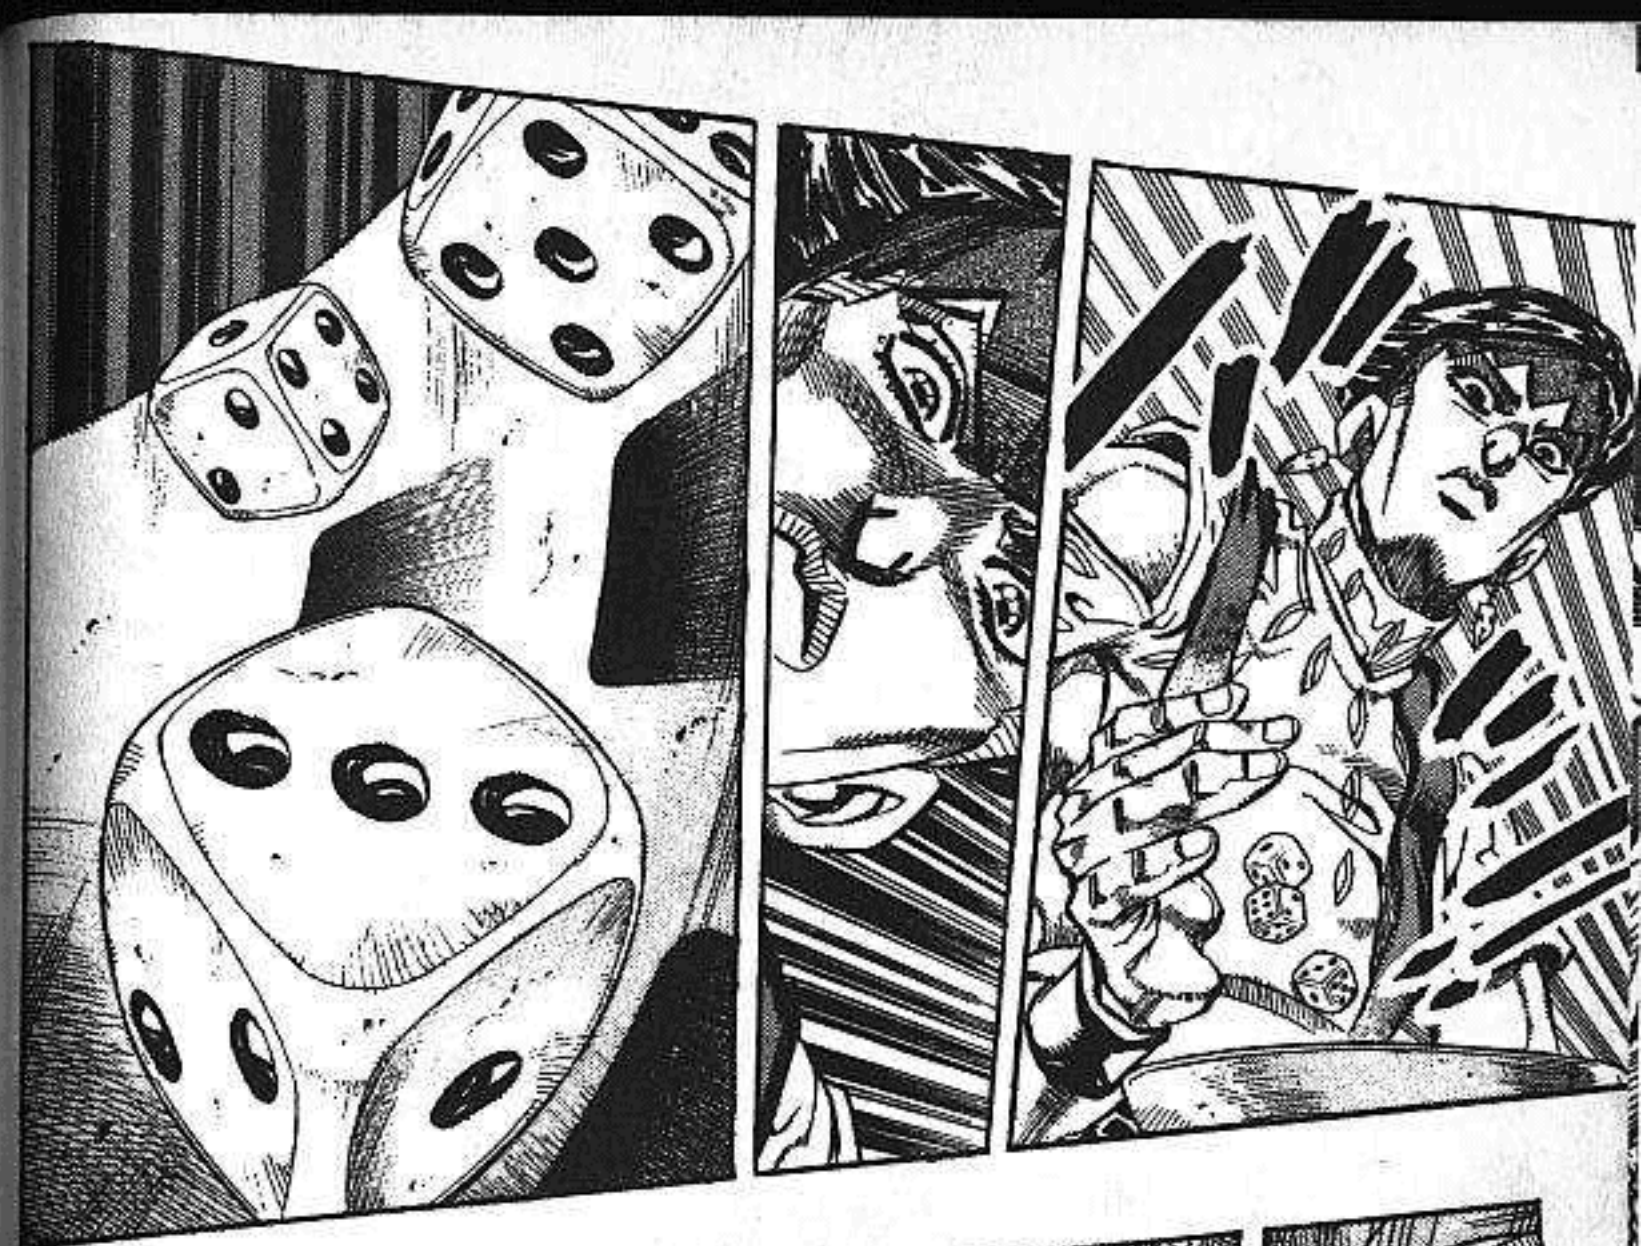

Josuke Higashikata, you deserve what will happen to you!

you are not getting away easily!

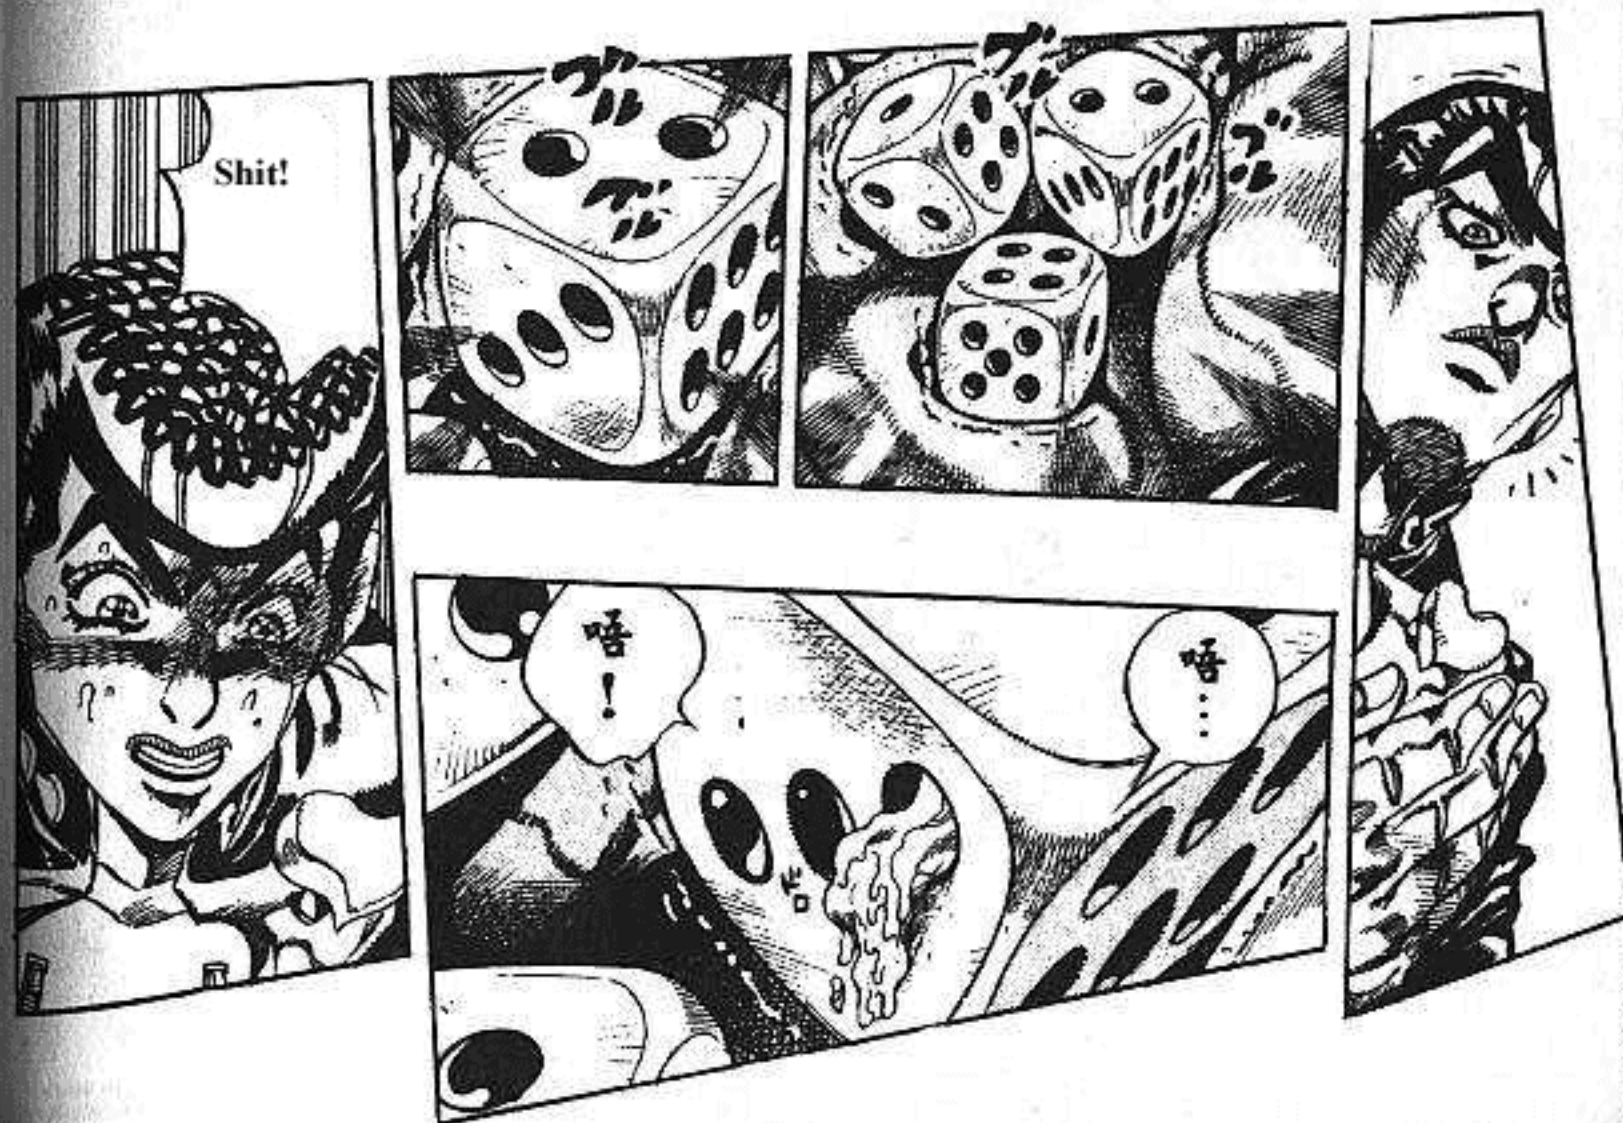

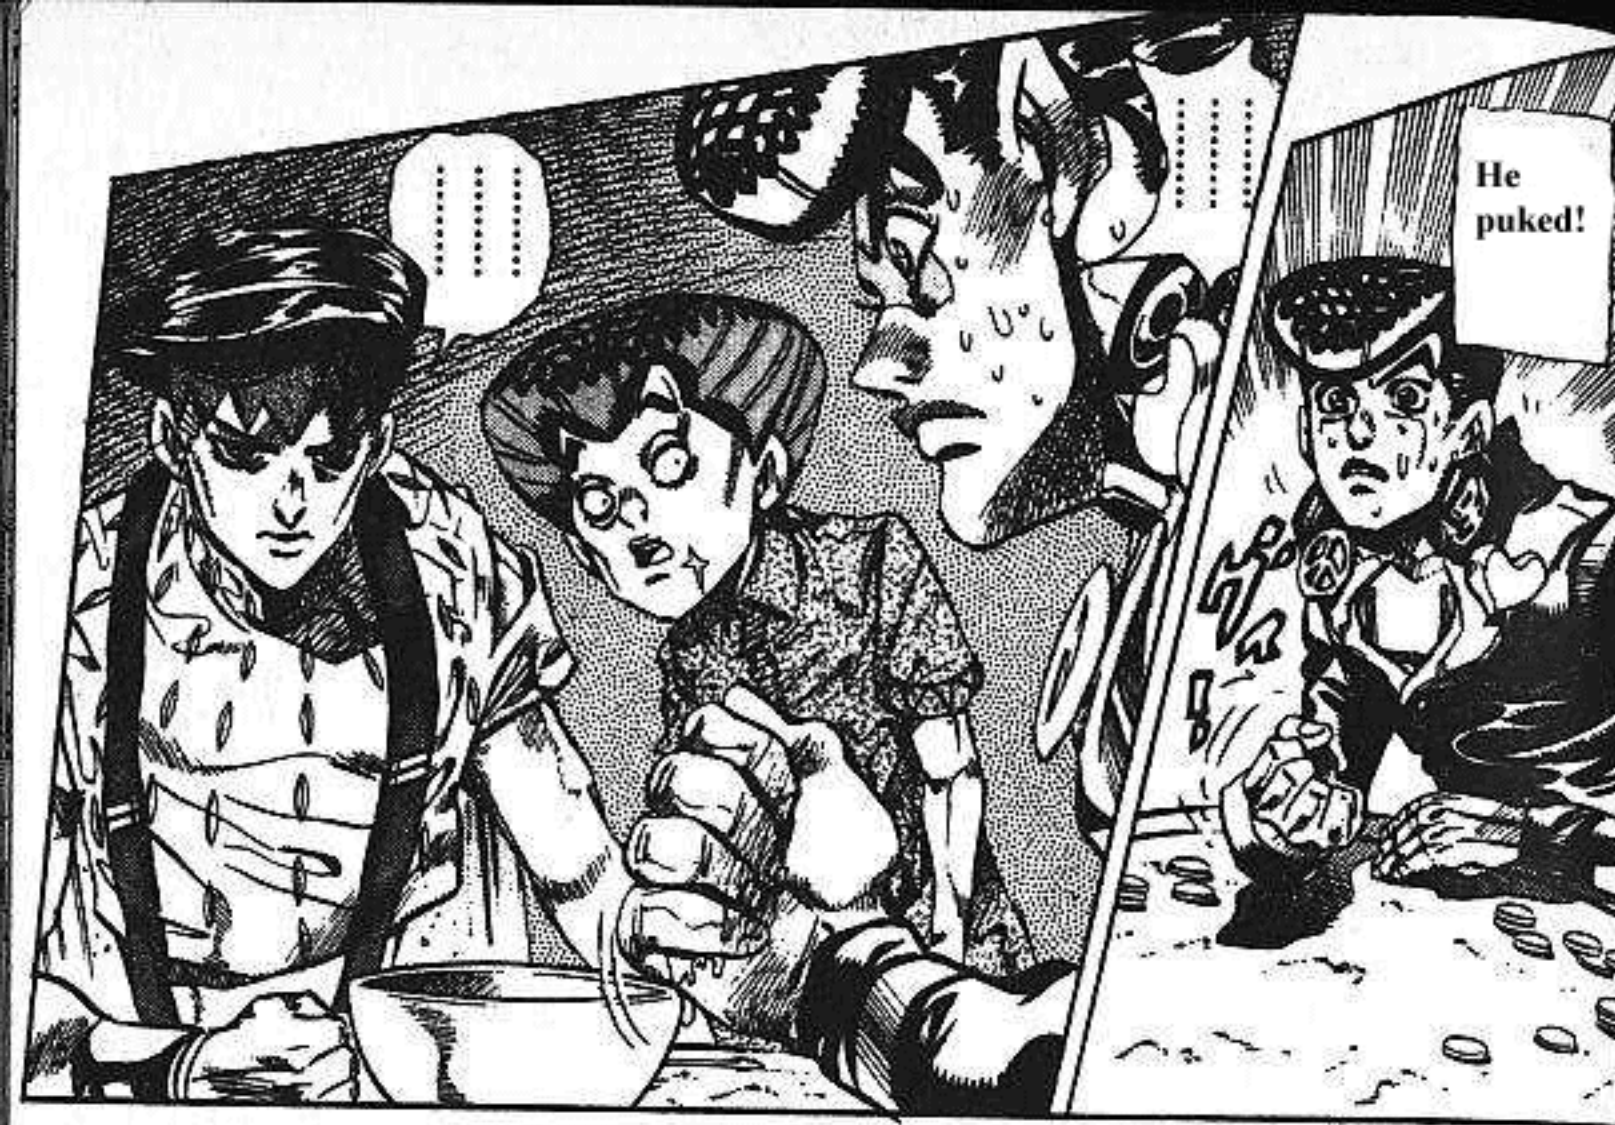

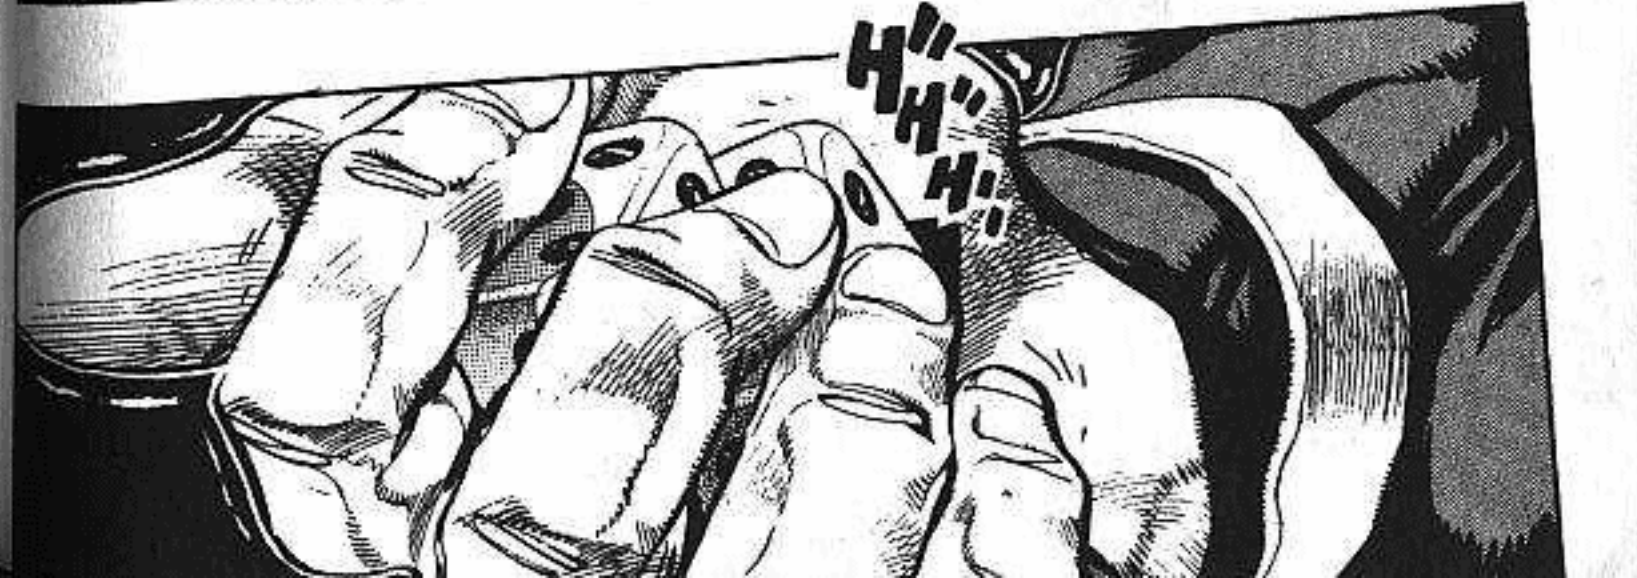

this is very normal point, Rohan can't go crazy just because of this...

哇唔唔唔唔唔唔  
唔唔唔唔唔唔  
唔唔!

I WILL  
TOSS  
RIGHT  
NOW!

SORRY! I AM  
CONGRATULATING  
MYSELF!

SIREN?!?

this guy told me  
before, he's  
allergic to sirens!

SIREN!

I can't delay  
this anymore!

Even he's still  
passed out,  
I have no choice  
but to toss  
now!

the fire  
truck is  
coming our  
way... what  
if he turns  
back?

Let me see  
your palm!

What are  
you doing?  
It's very  
suspicious!

THREE 6S  
BUT MY  
LOCK  
DIDN'T  
MOVE!!

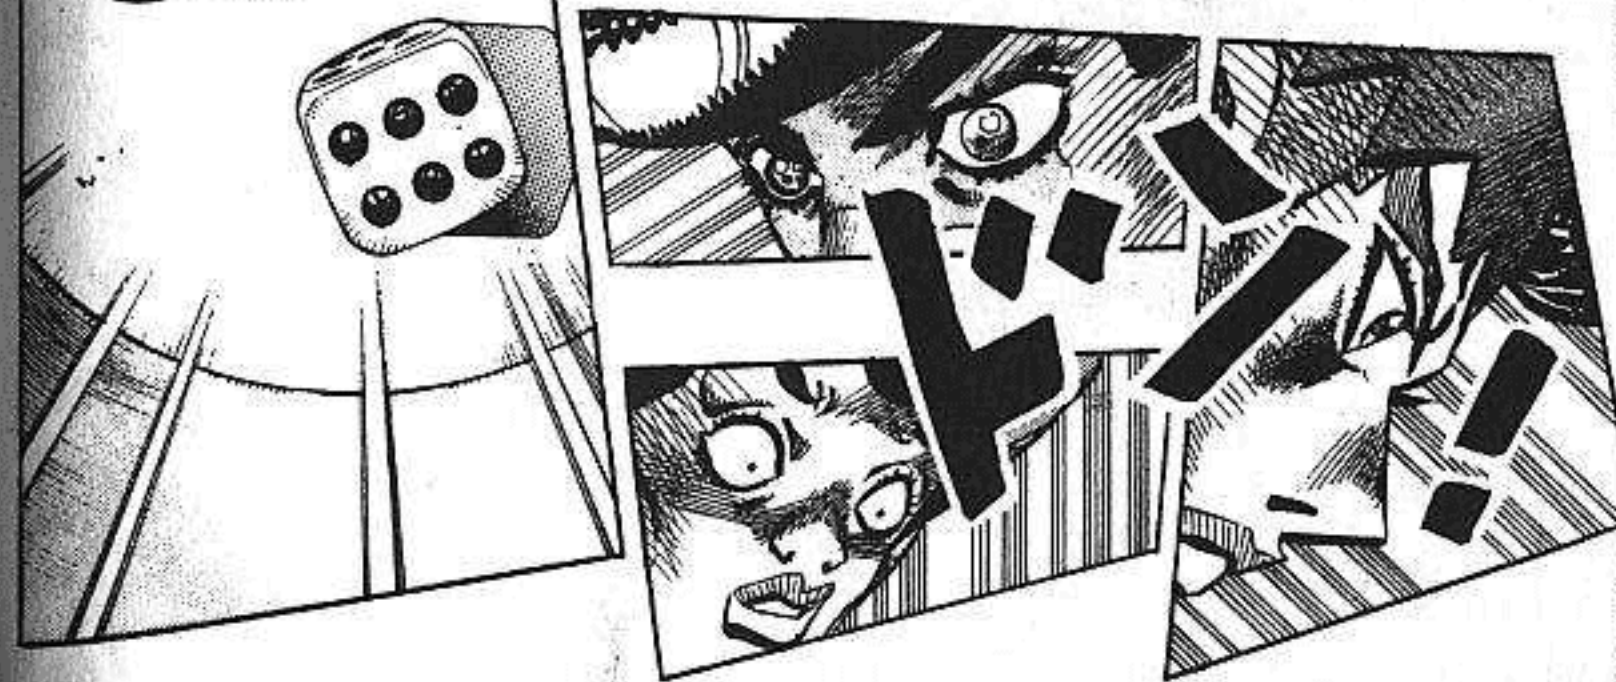

how about  
this...?

I did it,  
but....

Mr. Rohan,  
did you  
notice  
anything  
strange?

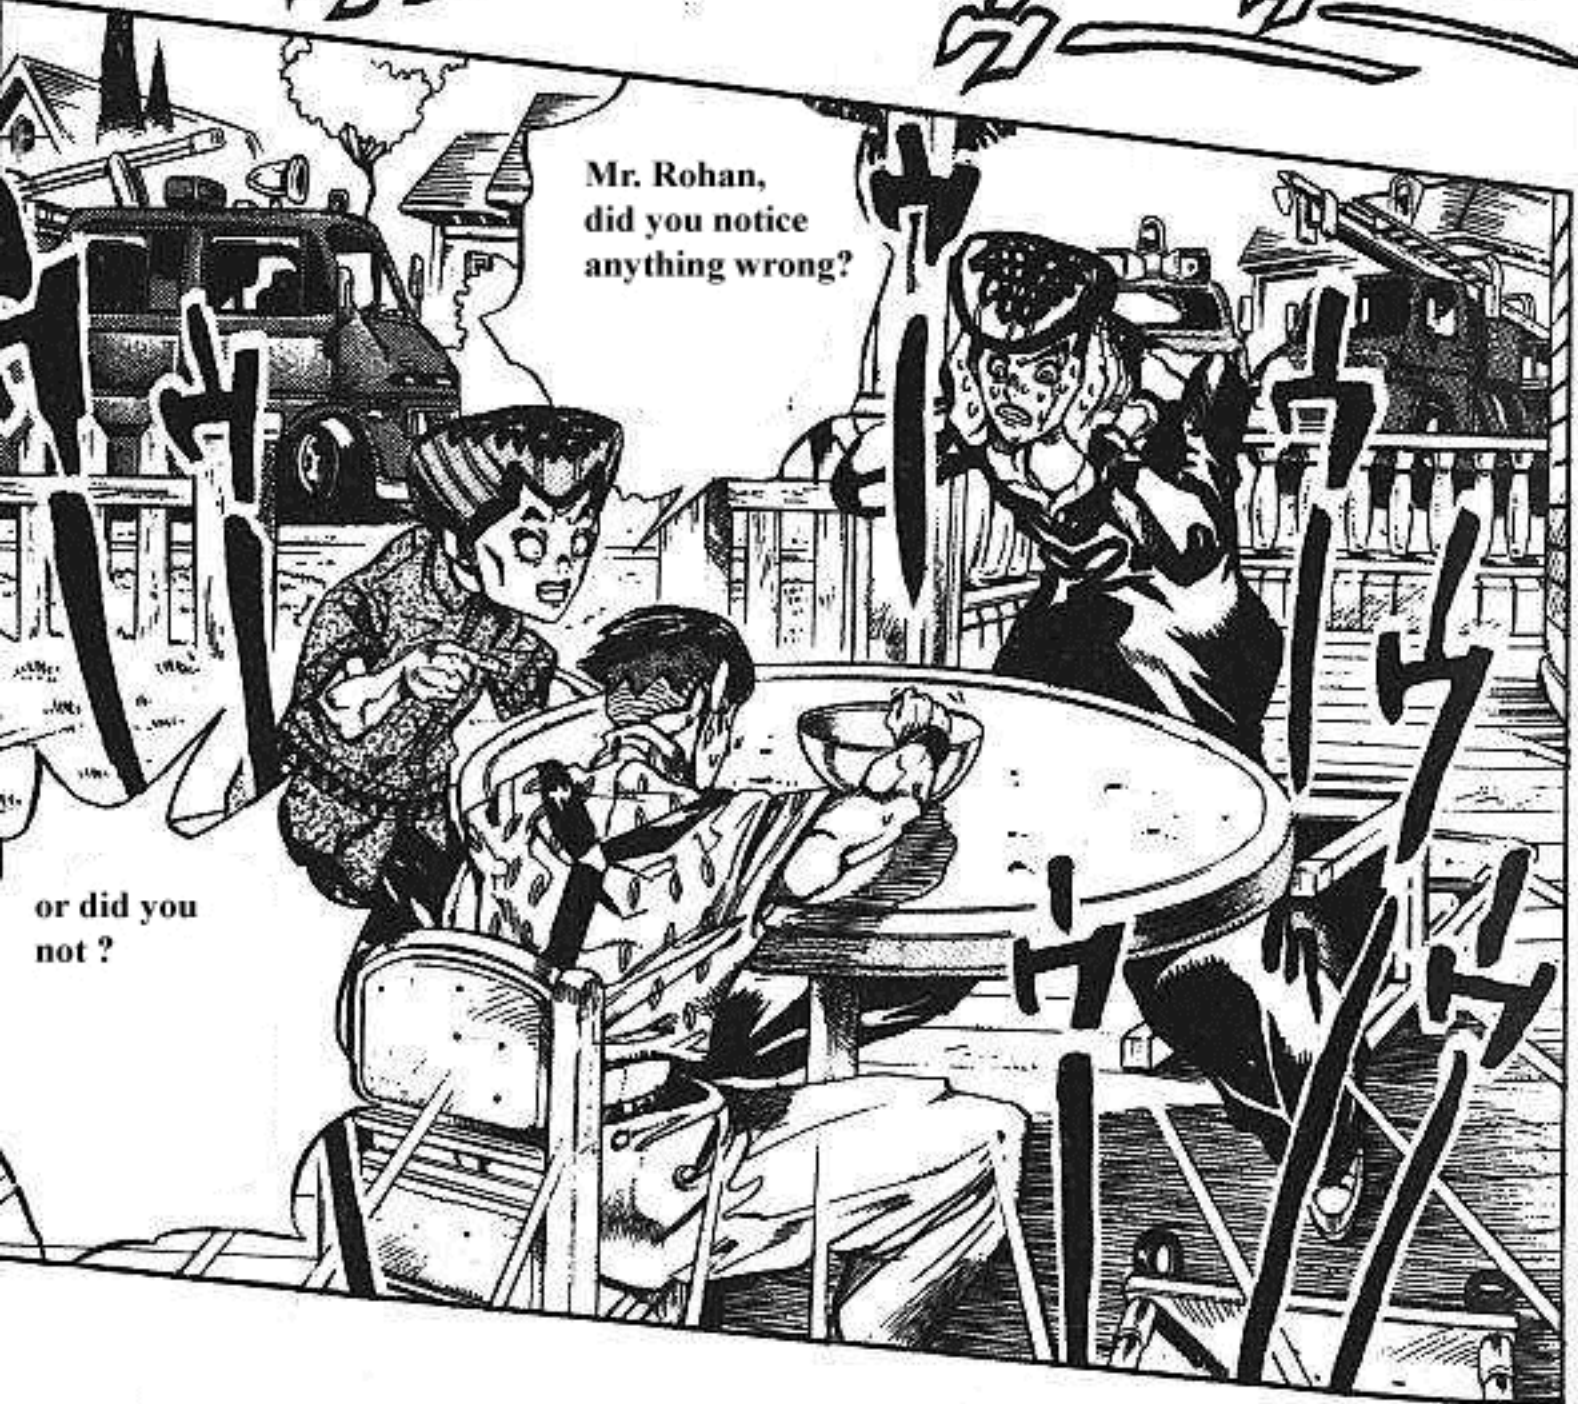

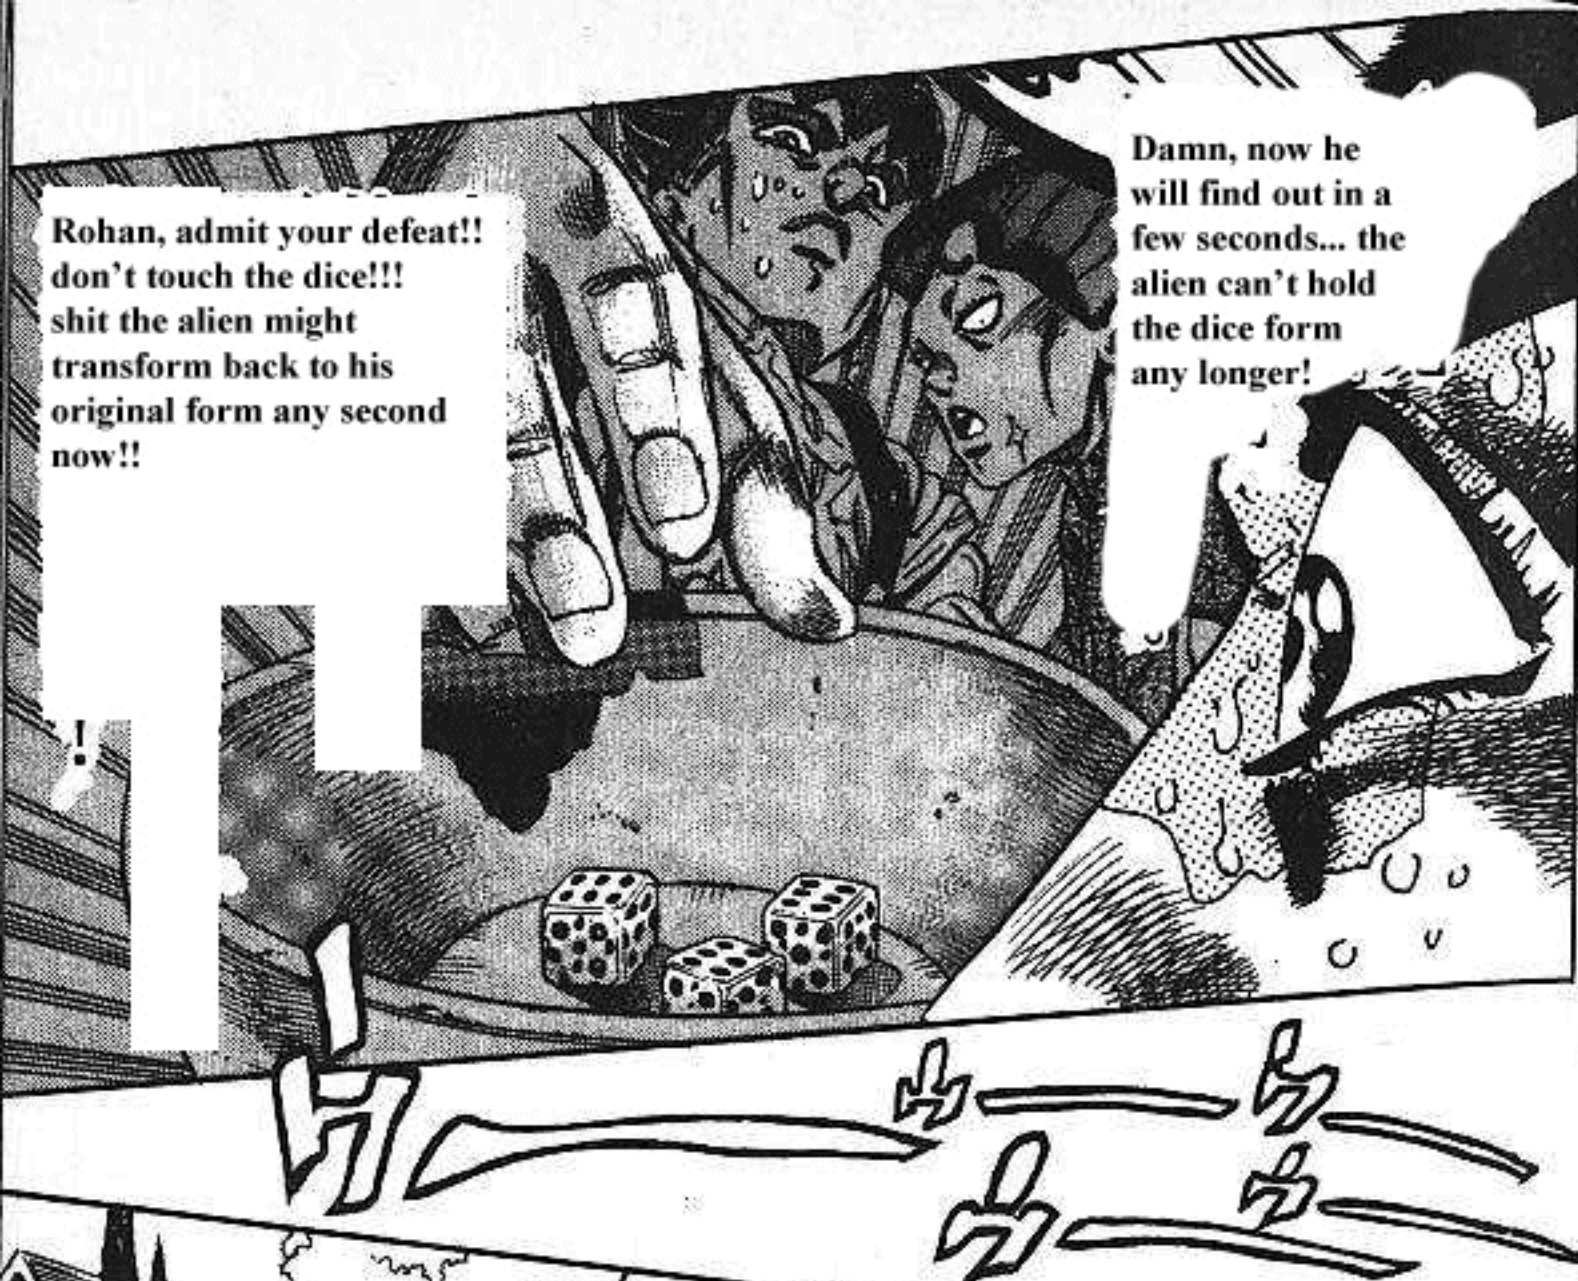

GIVE  
ME 18!!

Rohan, admit your defeat!!  
don't touch the dice!!!  
shit the alien might  
transform back to his  
original form any second  
now!!

Damn, now he  
will find out in a  
few seconds... the  
alien can't hold  
the dice form  
any longer!

Mr. Rohan,  
did you notice  
anything wrong?

or did you  
not?

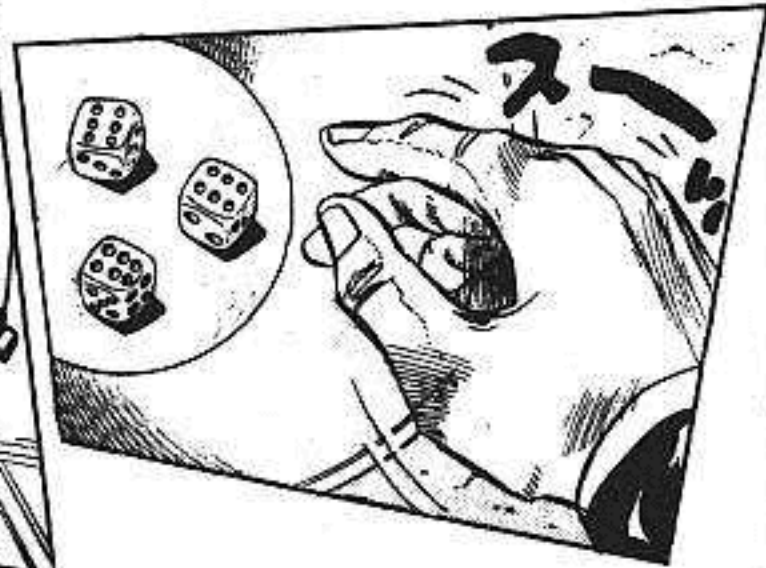

but...

Rohan didn't  
say anything,  
you must hold  
on!!

or you  
admit  
it...

Mr. Rohan,  
did you  
see anything?

MR. ROHAN,  
YOUR  
MULTI  
MILLION  
DOLLAR  
HOUSE IS ON  
FIRE!!!

嗯?  
?

AFTER ALL  
YOUR  
HOUSE IS  
ON FIRE!

why is the  
magnifier here,  
it must have  
caused the fire!

magni-  
fier...

didn't  
notice...

OH!  
I KNOW NOW!

Shit!  
finally  
they found  
out...

啊啊  
...

哇  
...

唔!

Josuke! this not over!

哇!

shut up, I won't do this again...

why not... you got money now....

what else can I do for you?

Rohan's house is half destroyed... caused more than 10 million yens of damage, Josuke didn't lose anything. Rohan's hatred towards Josuke deepens....

I've never realized how much I am hated.... that guy Rohan...

that was too close.

I help you a lot today eh?

嘿...

before I get outta here, I will heal your little finger first.

啊!

no need! I won't thank you for this?!

what are you talking about, I don't wanna die here, I will take the 2 million...

I guess I will see you later...

I must find out the evidence of Josuke cheating!!

Shut up! I don't care if the whole house burn to the ground!!

HIGHWAY STAR

1.

之其①

Mikitaka, what are you doing back there, follow me!

Mikitaka

WHAT?

I will be there in a sec

OK, mom.

we just moved here, we still have a lot of stuff to do.

you were out all day yesterday didn't do anything

Did you tell somebody that you are an alien? there is a space shuttle waiting for you in outer space?

Did you...

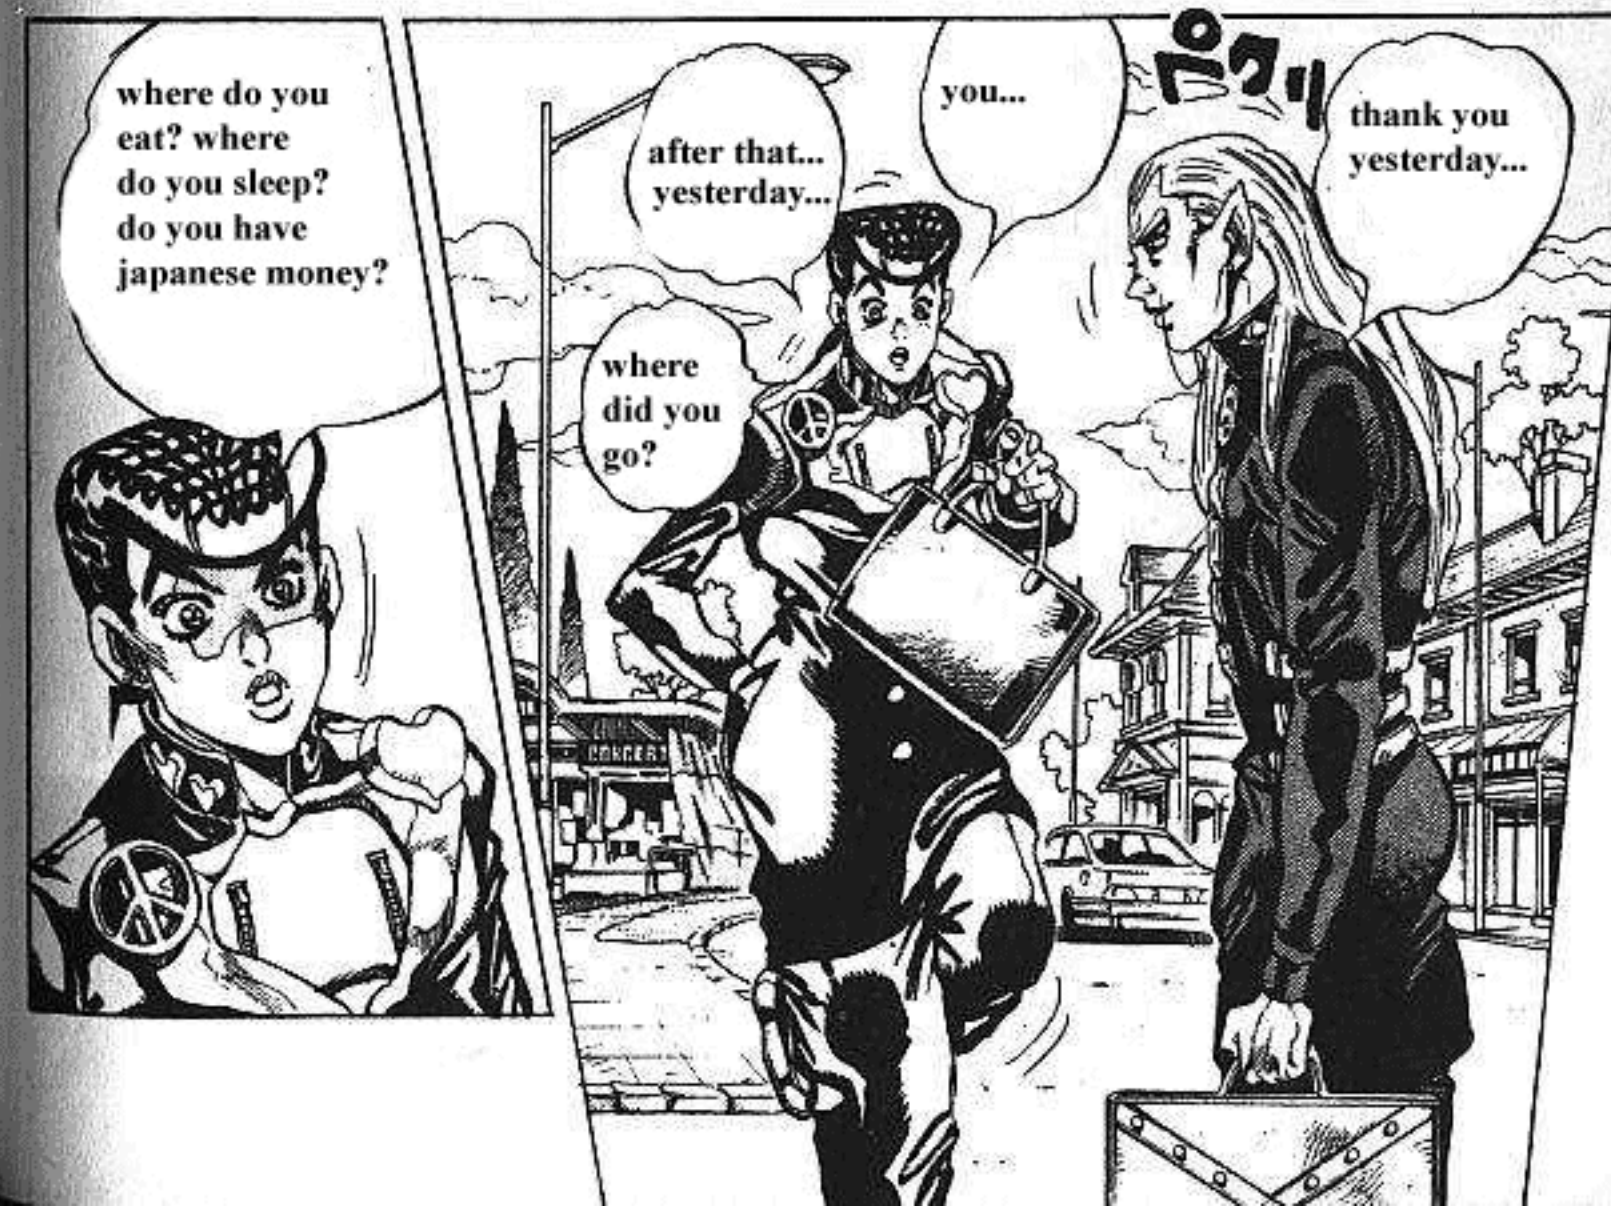

again...

啊!

Josuke

where do you eat? where do you sleep? do you have japanese money?

after that... yesterday...

where did you go?

you...

thank you yesterday...

what's going on?

where did he come from?

Or did the arrow change him into a stand user when it scratched him on the neck?

He did cause hatred in Rohan Kishibe towards Josuke Higashikata. that was very nice work but....

Is he really an alien?

you look pretty sharp, you didn't buy into his crap did you?

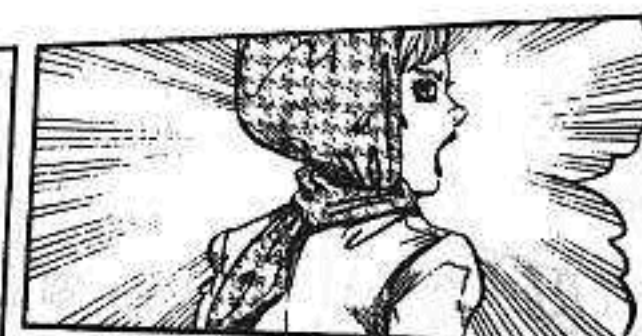

he did the same thing in Tokyo, caused quite a civil disorder...

If so... Please don't mind him.

hurry up!

see you later, I will go take care of school paperwork.

Let's go! Mikitaka

I brainwashed her, letting her believe I am her son...

I only tell you this...

call me Mikitaka from now on.

anyways! I have to  
find the next stand  
user, I must find a  
super warrior! heh...

BUT....

To kill anyone  
who approaches  
my son!

TO BE CONTINUED

He knows I will feel very nervous and uncomfortable sitting right in front of him.... and when the bus pass through that tunnel, the feeling of suffocation will be unbelievable..... I will get off at the next stop!

What's this guy doing.... what's he got for me now...

I will someday give it all back to you... Josuke Higashikata

What you did to me yesterday....

I can't take  
this anymore  
even dare to  
grab my clothes.....  
I don't owe you  
anything Rohan  
Kishibe!

that was...

there is  
a door...

Josuke,  
have you  
seen that?

in the wall

What?

THE HOUSE IN  
THE TUNNEL,  
THERE MUST BE  
SOMEONE IN  
THERE!

AND  
A WINDOW!

WHAT'S THAT  
GUY DOING  
WITH A KNIFE?!

A WOMEN  
LYING ON  
THE TABLE...  
CAN'T SEE  
THE FACES  
OF THE  
TWO

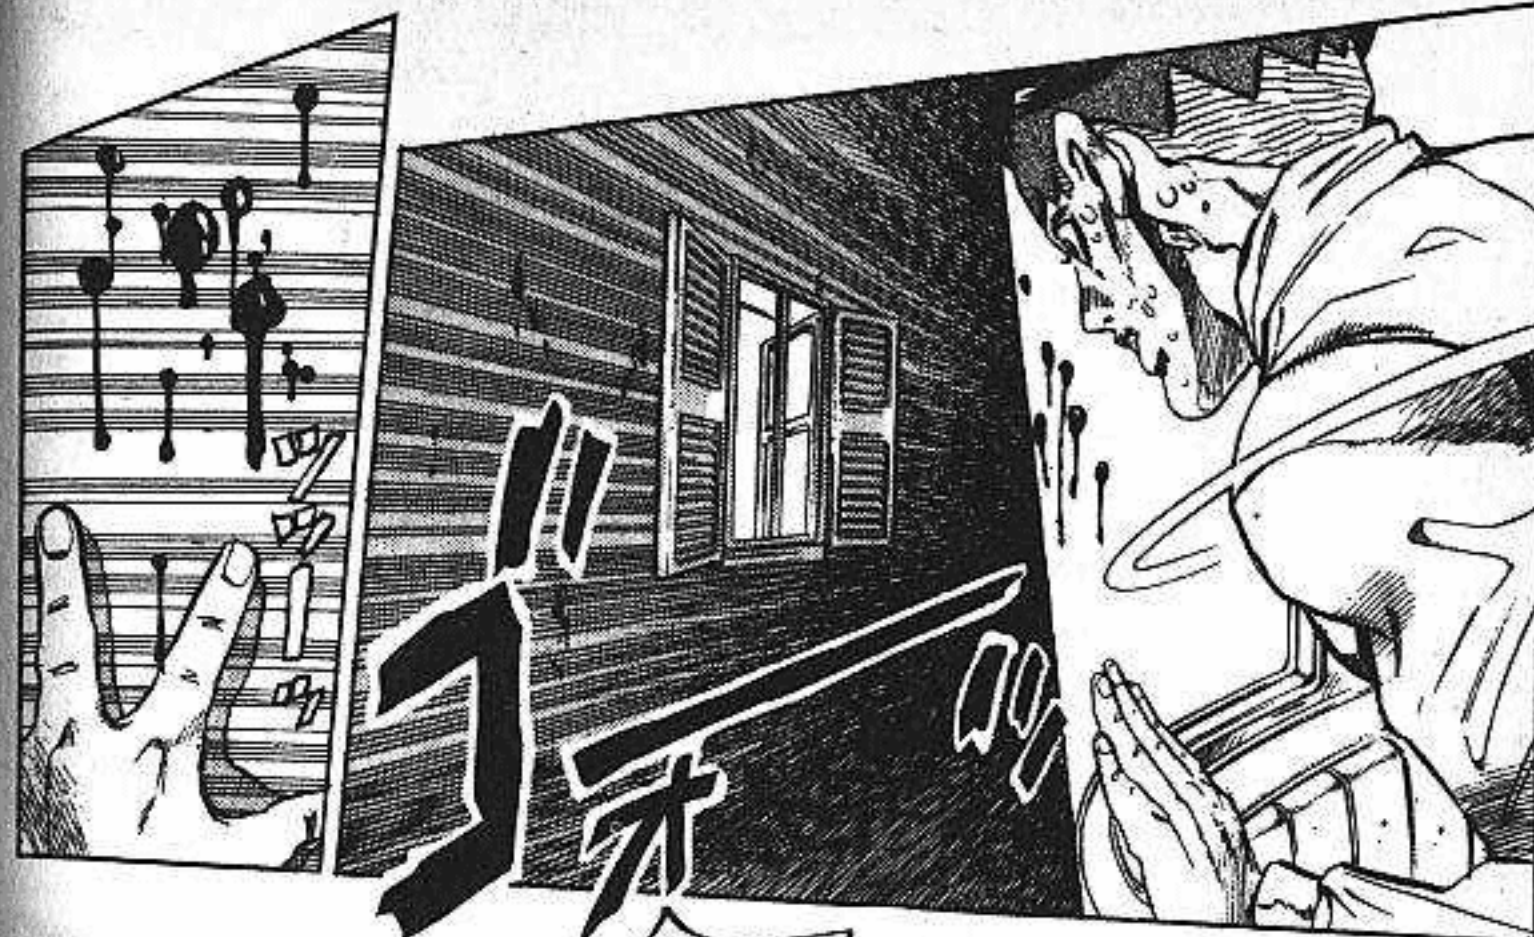

in the tunnel.  
I really saw  
someone's  
house.

Looks like  
I am the  
only one  
who saw  
that...

The guy with  
the knife... who  
is he... is he the  
new stand user?!  
why did he cut  
off that woman's  
right hand??  
could he be.....  
Yoshikage Kira...?!

I'VE HAD IT  
WITH YOU  
ROHAN!

IF YOU  
WANNA  
FIGHT, AT  
LEAST WAIT  
TILL THE  
NEXT STOP!!

Josuke Higashikata,  
you don't believe  
what I told you.

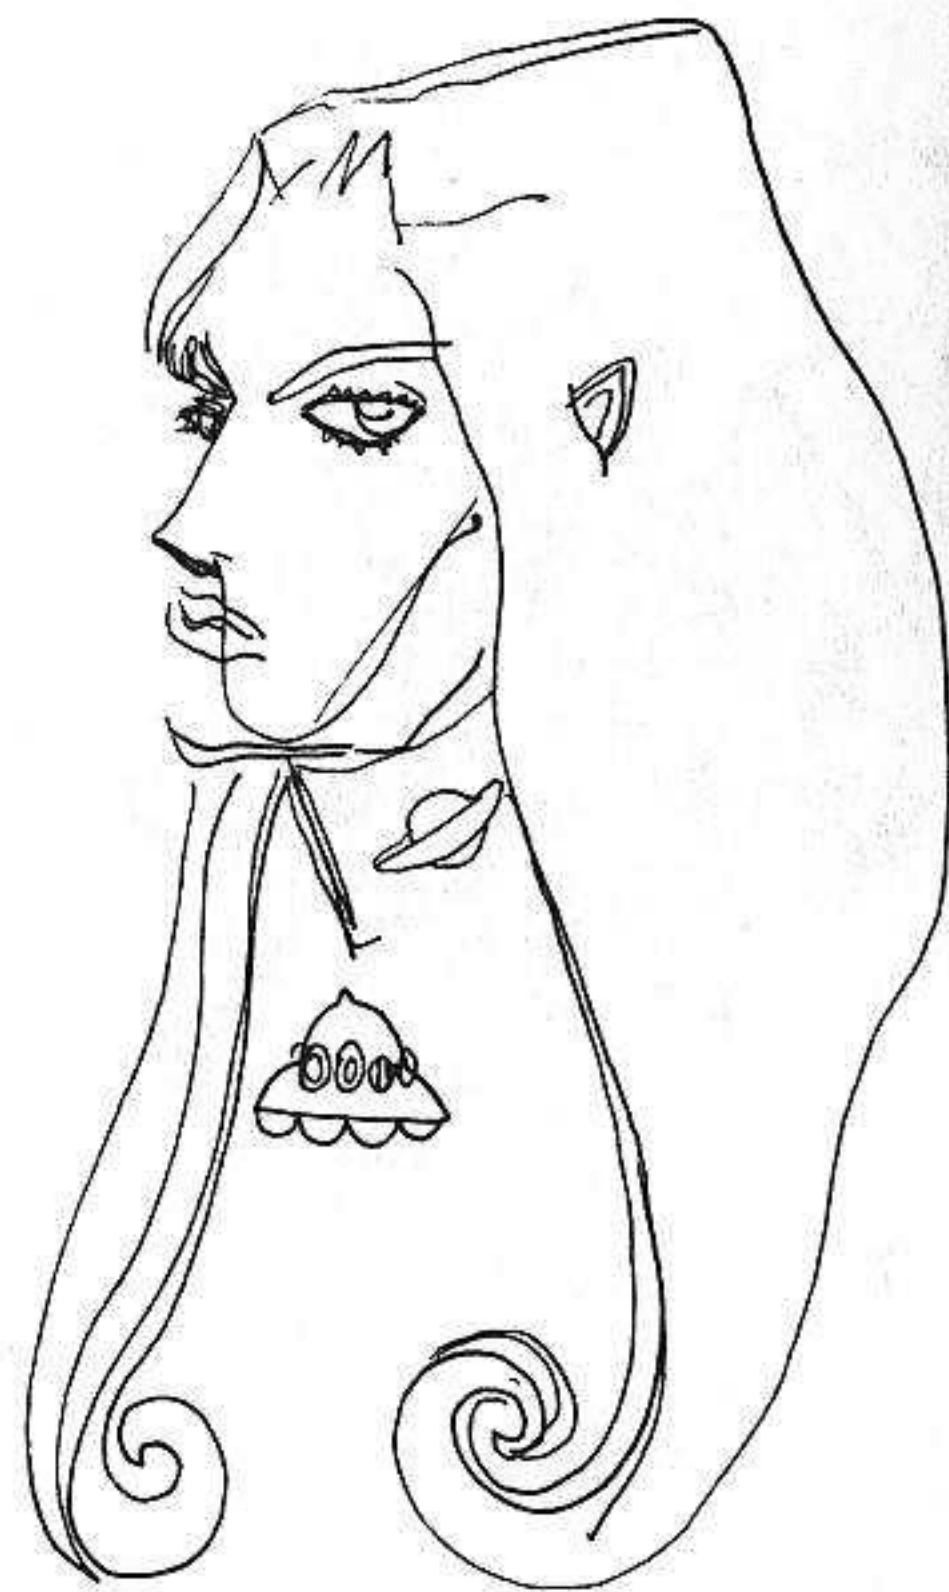

I won't buy into  
this crap, you want  
to use this kind of  
boring, low trick  
to seek vengeance  
on me right?

you said  
there is a room  
in the tunnel.

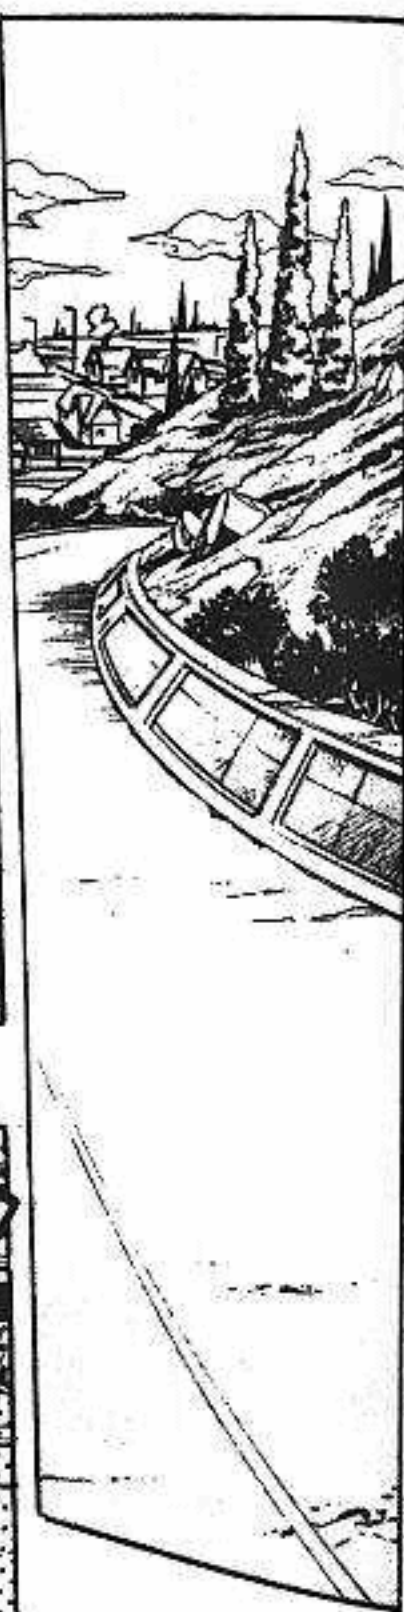

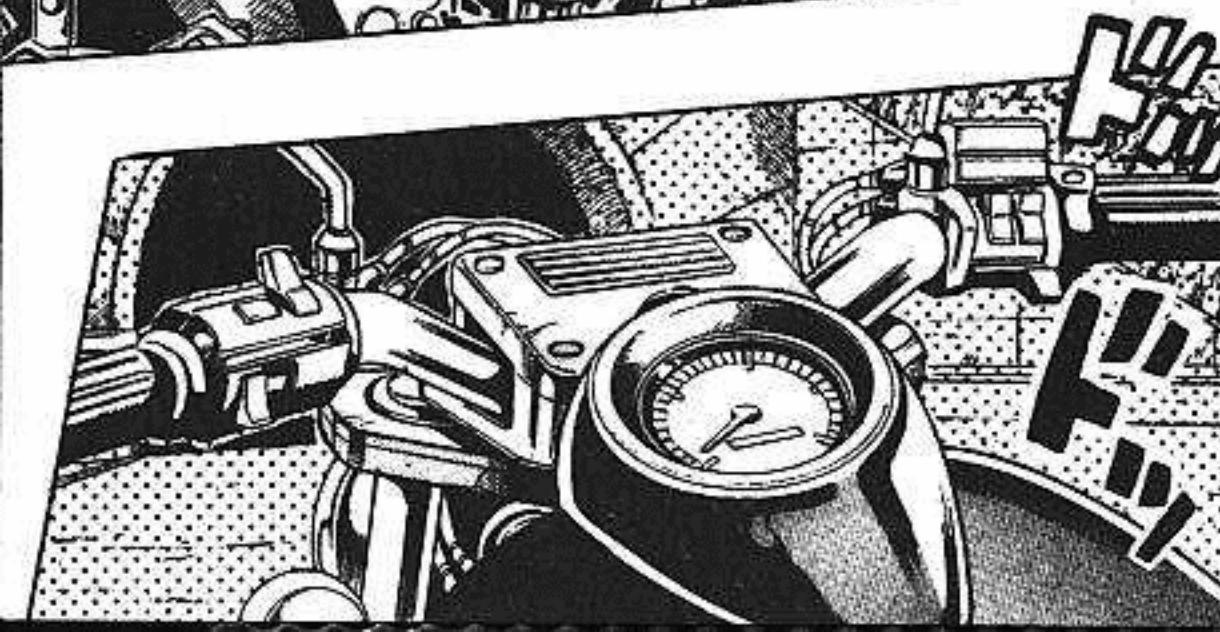

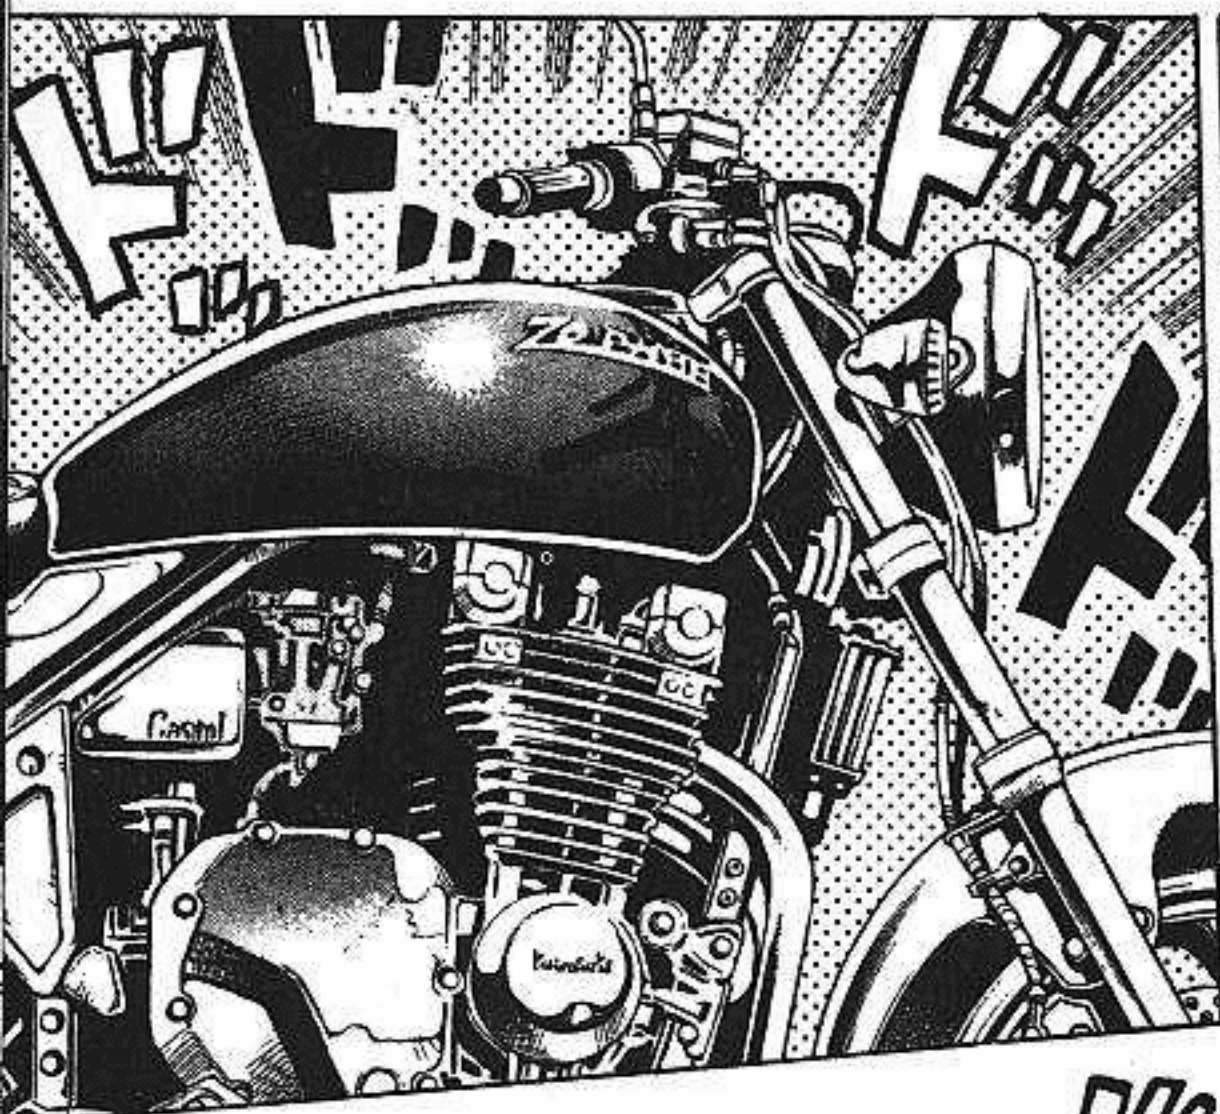

your expensive  
house caught on  
fire yesterday, but  
I didn't do anything,  
it was your own  
fault, so please quit  
harassing me!

# 高速之星

之其②

for the sake  
of our  
wellbeing,  
please let go  
of my arm!

Please,  
don't worsen  
the  
situation...

This has nothing  
to do with the  
gambling and  
the fire.

Wait!

are you  
saying I am  
lying?!

嗯?

you get  
off?

or  
I get off?

Then what about  
your dice trick huh?  
always say one thing  
and do another! you  
cheap, untruthful  
duper!

you really  
think I would  
lie to people  
like you would?

so you will  
get off then.  
that's great

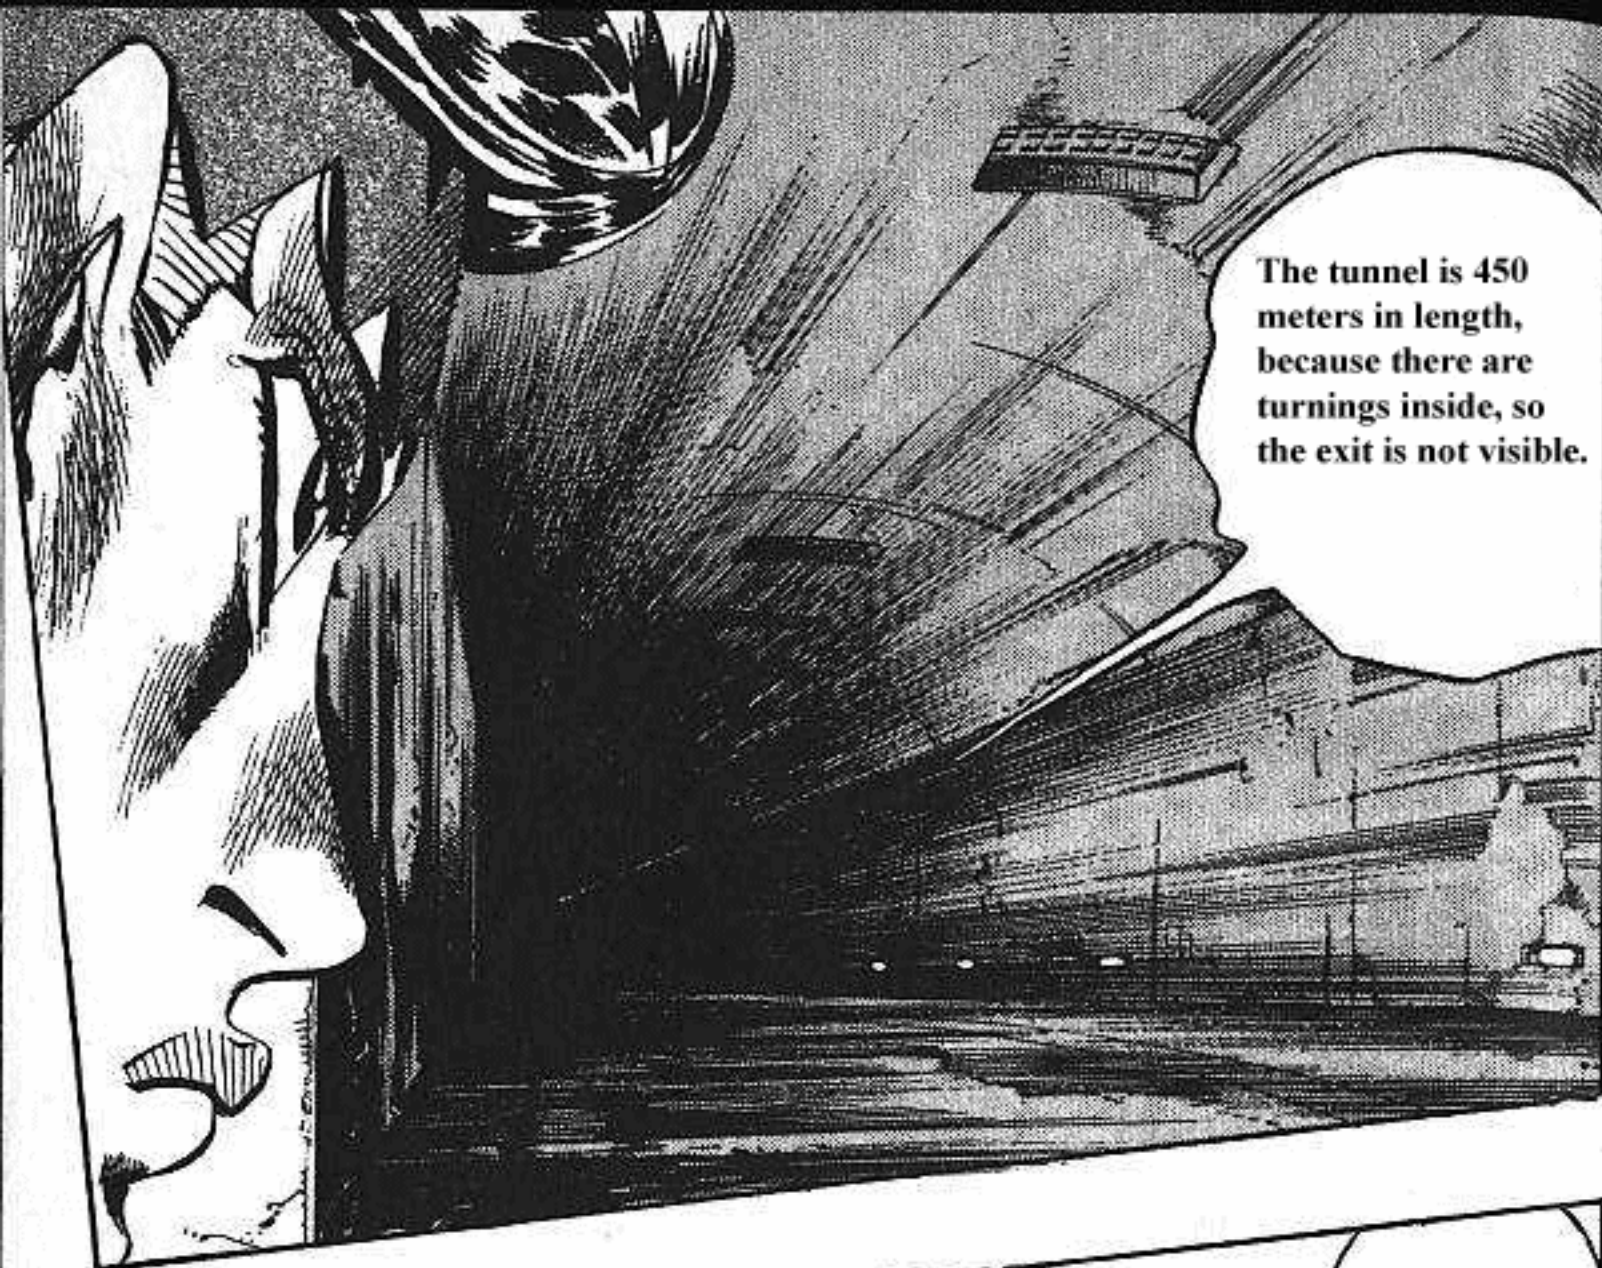

I hope  
to neve  
see you  
again...

we will  
accomplish  
nothing!

for your  
attitude.  
even if we  
go back...

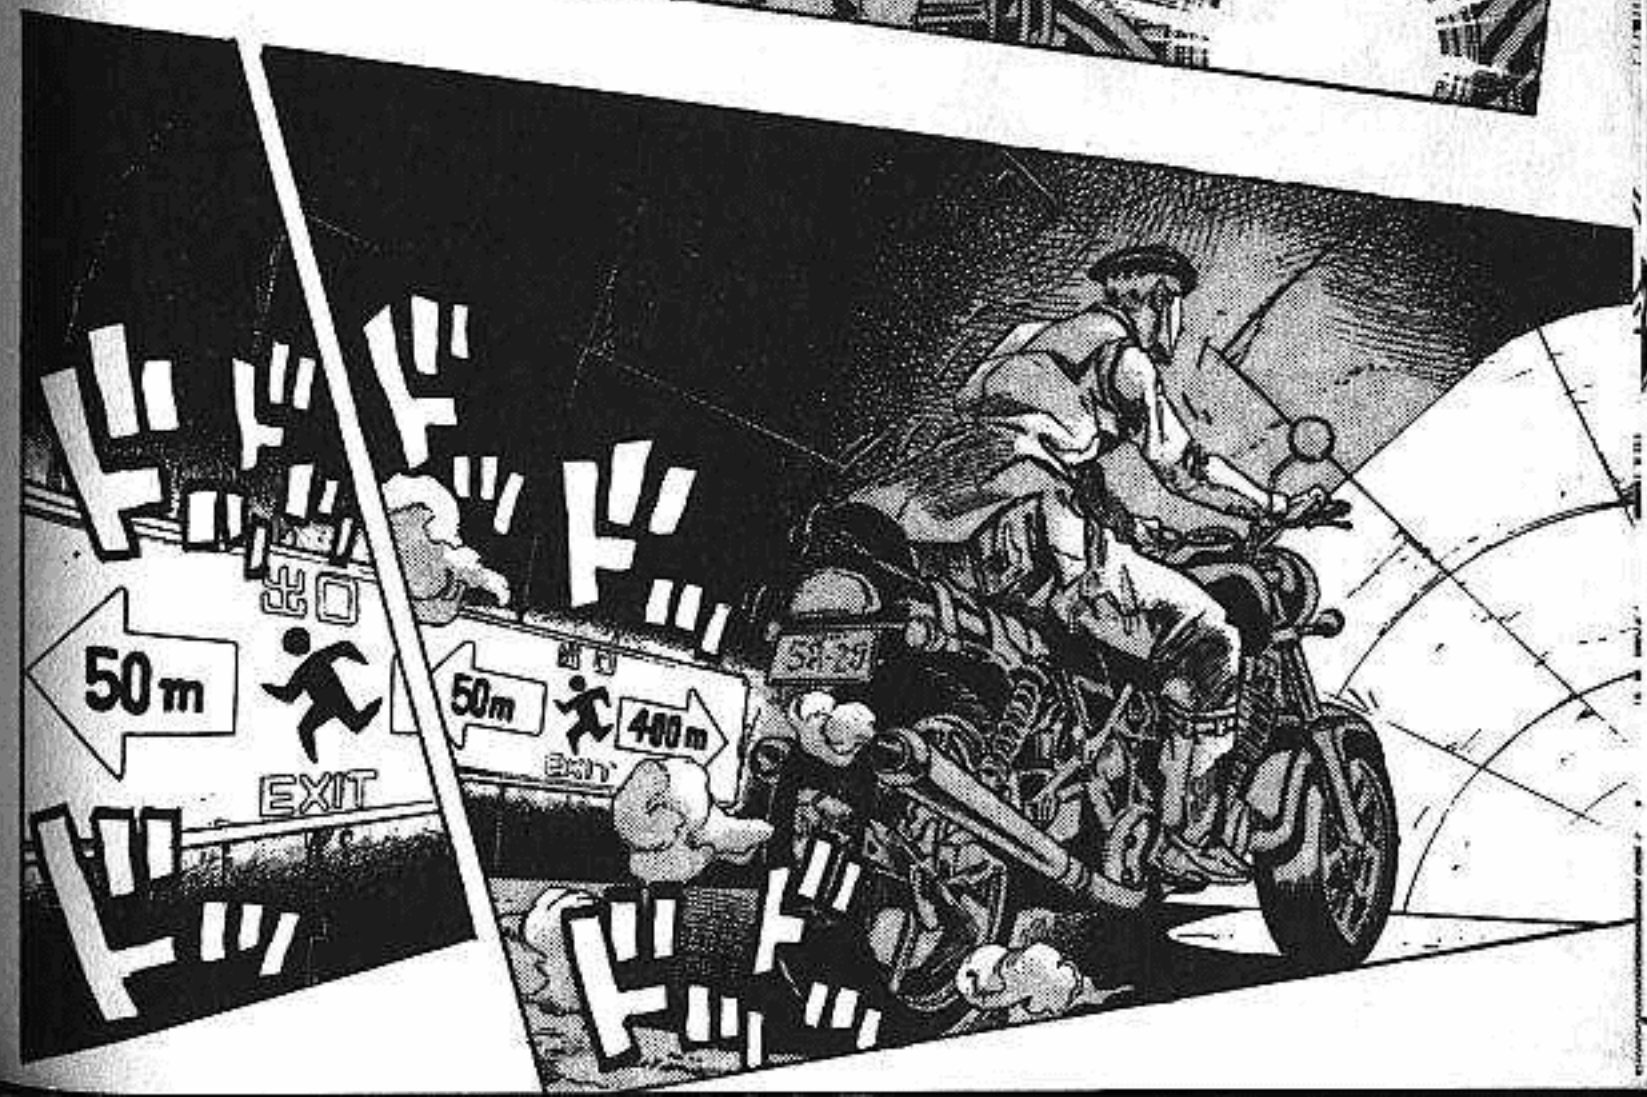

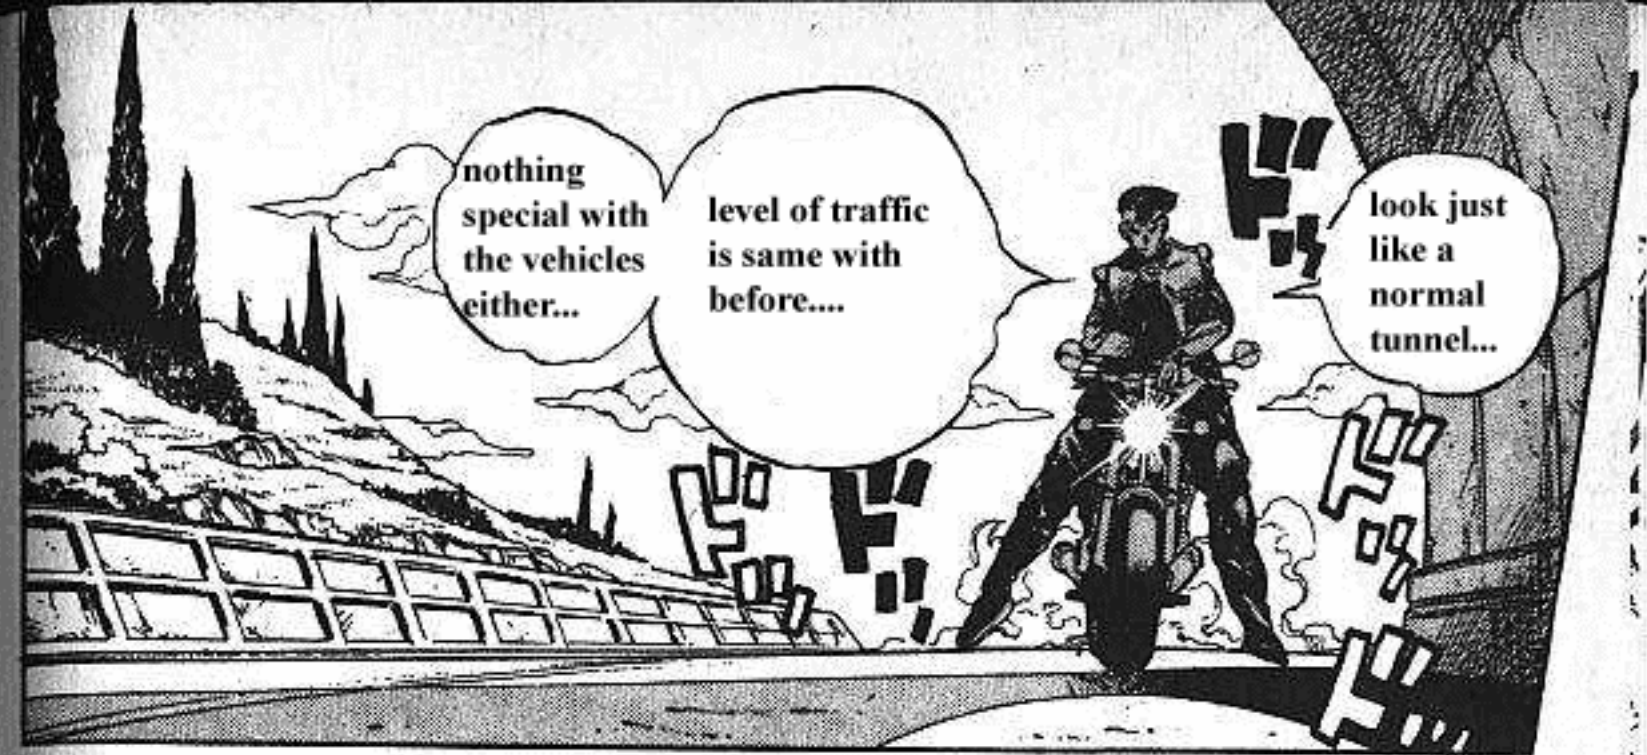

is it my illusion?  
no I really  
saw it

I have to be  
really careful now.  
If that room is  
really illusion  
caused by  
a hostile  
stand user...  
then it  
must be  
a trap. the  
enemy is  
mostly likely  
prepared for  
an attack.

昭和五年 完成  
(1932年)  
昭和五十八年 修復  
全長 450m

this room  
is really  
a trap.

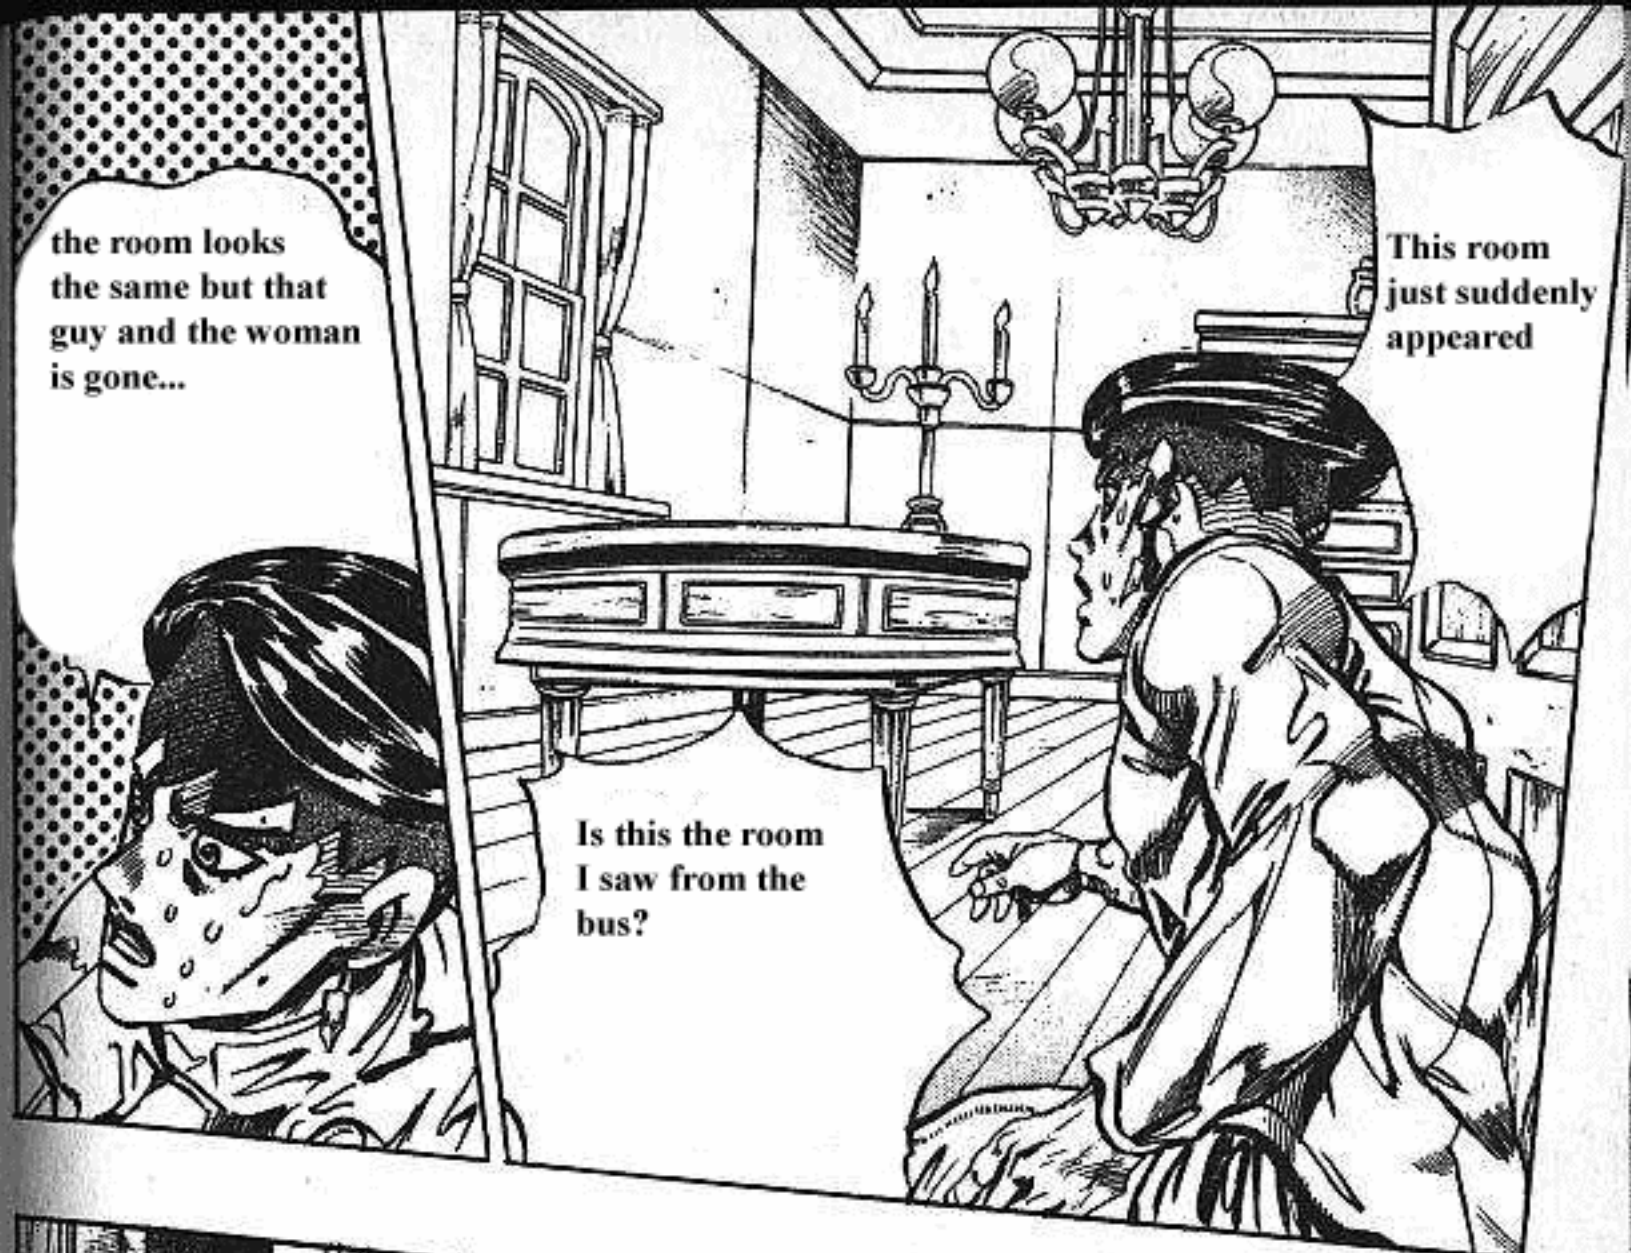

Shit!  
there  
is  
something  
in here!!

can't see it!  
but it's  
coming my  
way, fast...

That thing  
is coming  
toward me!!

the room looks  
the same but that  
guy and the woman  
is gone...

This room  
just suddenly  
appeared

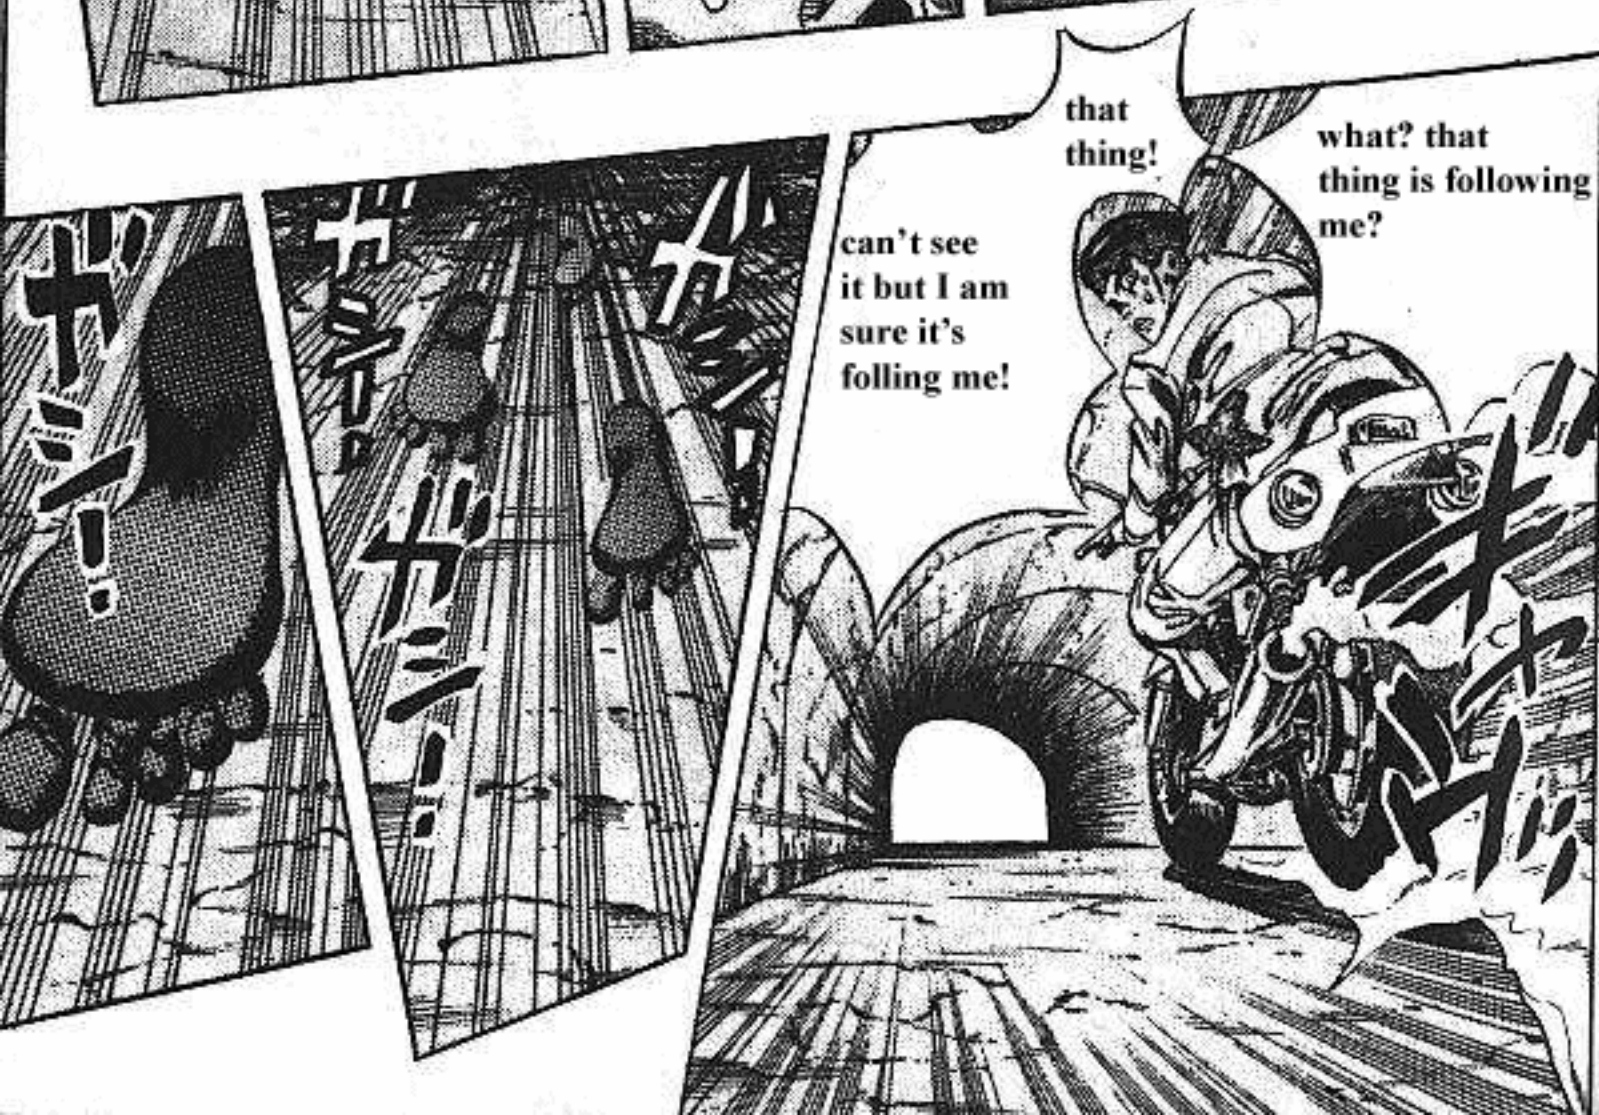

Is this the room  
I saw from the  
bus?

So that room must be somehow linked to a stand user, most probably hostile, I gotta try to inform Jotaro and Mr. Joestar!

that thing!

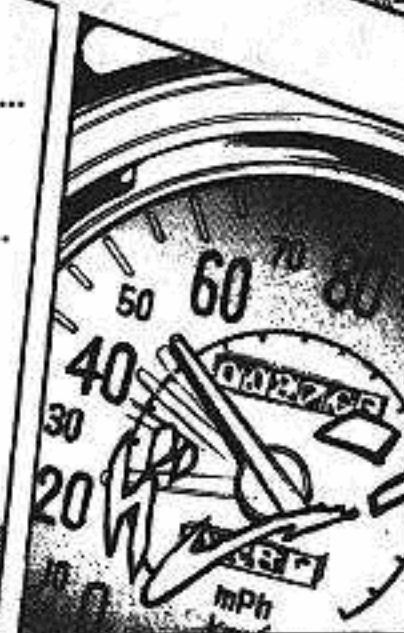

what? that thing is following me?

can't see it but I am sure it's folling me!

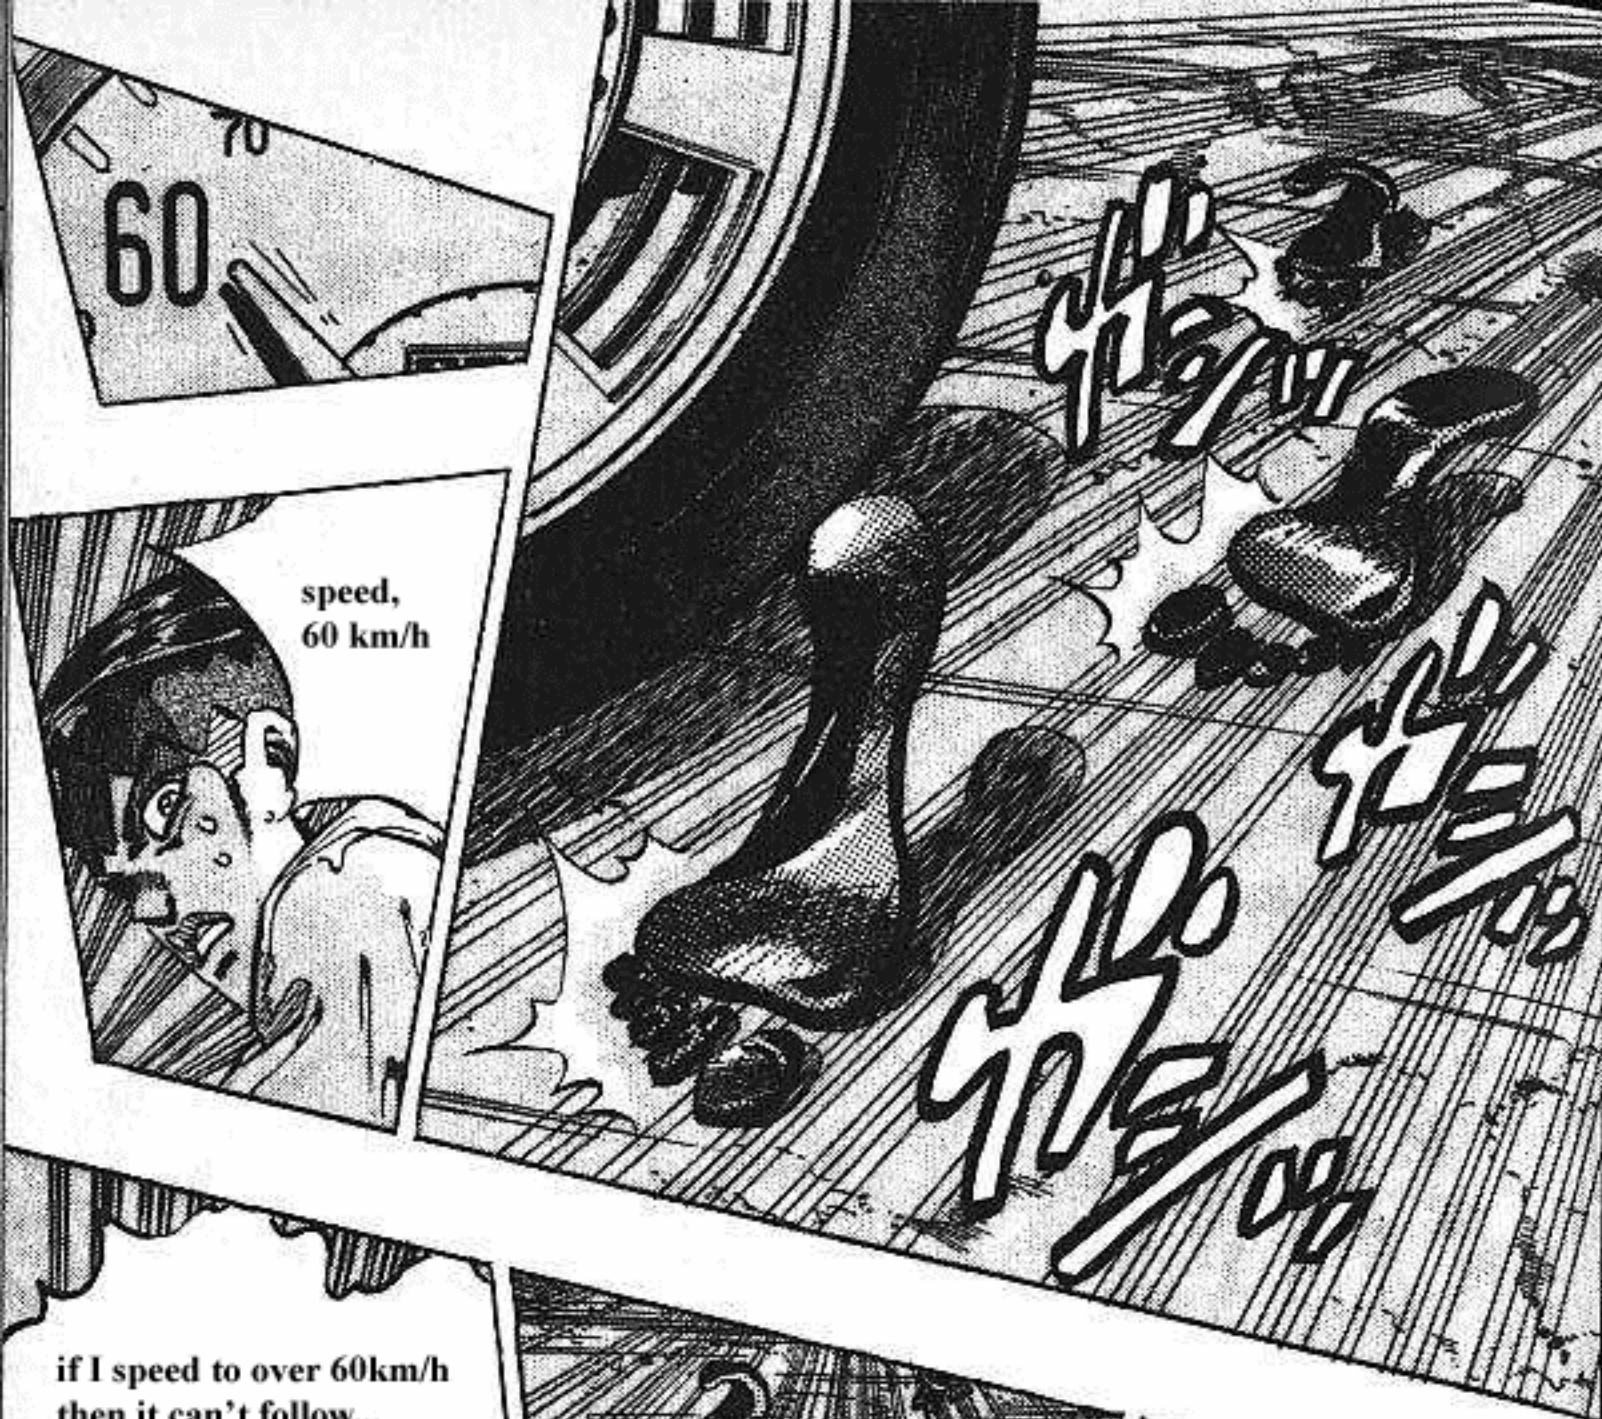

That thing, is not human! only stand users can see that room! and it's indeed a trap to lure other stand users in, that guy that looked like Yoshikage Kira is just a illusion!

good thing I brought the bike... that invisible thing is really coming after me...

speed,  
60 km/h

if I speed to over 60km/h  
then it can't follow...  
he's max speed is only  
60km/h!

is it a remotely  
controlled stand? or  
the automatic type, where  
is the user?! if it can run  
60km/h, then he can finish  
100 meter in just 6 seconds

WHAT THE HELL  
ARE THESE! FOOT?  
FOOTPRINTS?!  
ENEMY STAND!

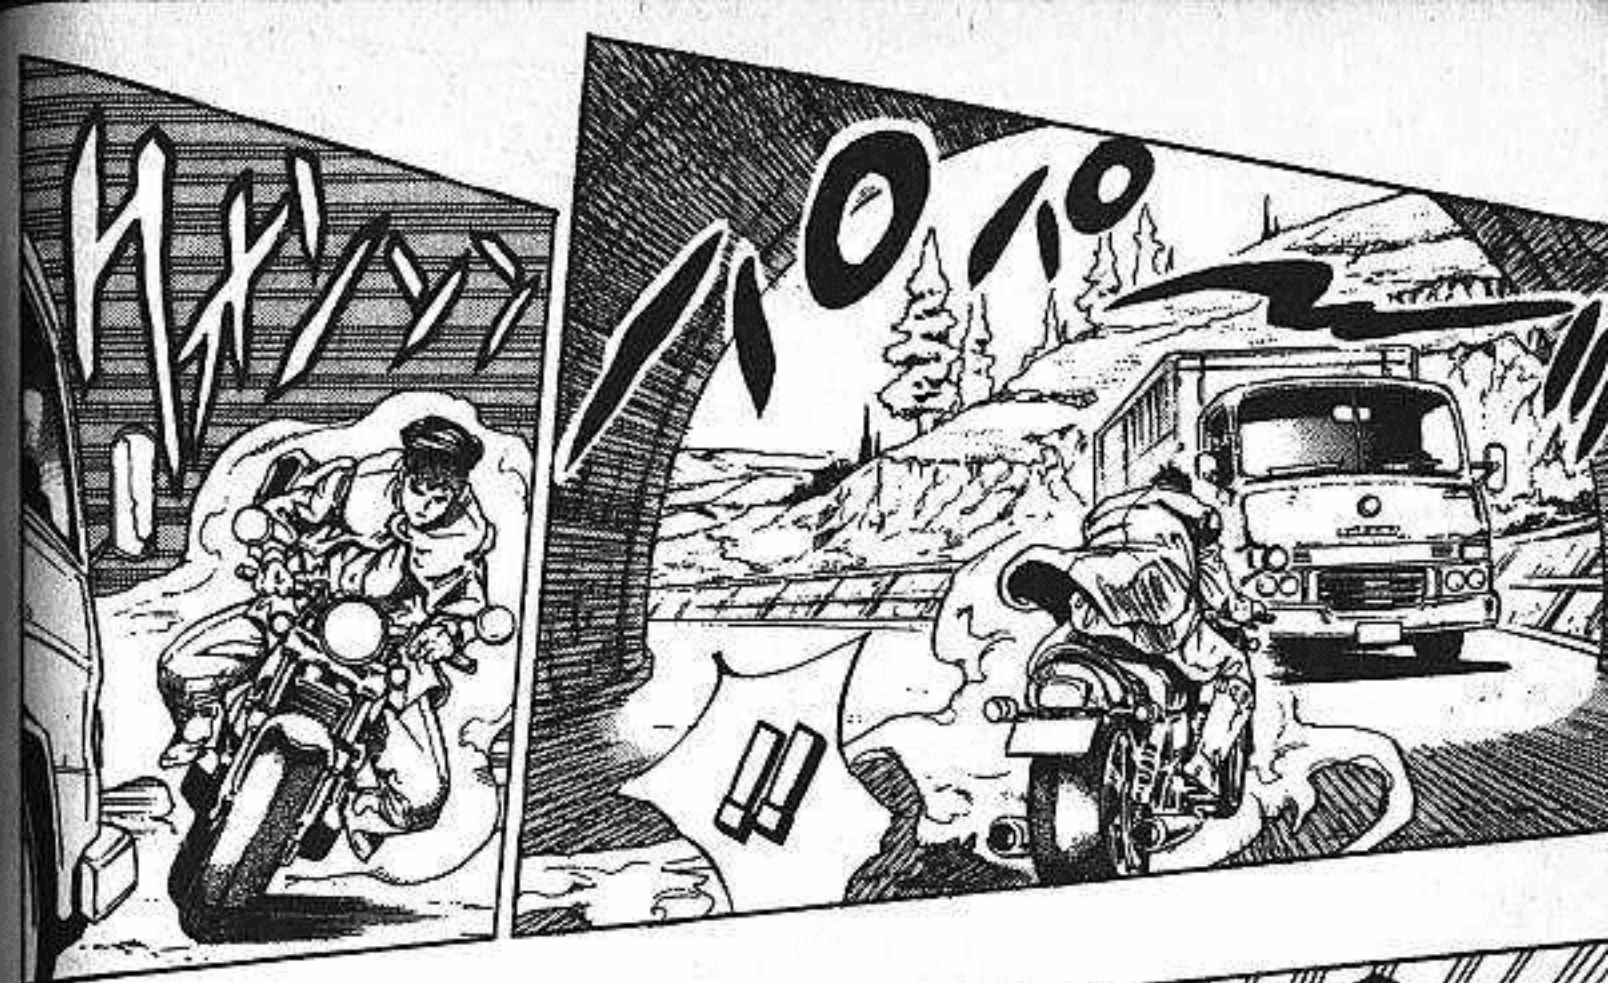

shit!

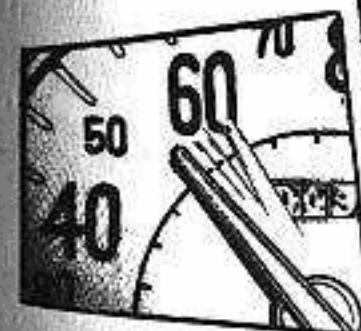

all over me

Heaven's Gate, turn it into a book and control it!

嗯?

I was only trying to avoid the incoming traffic, it took that chance and caught up!

Damn! he caught up to me!

absorbing my  
powers!

Fuck!

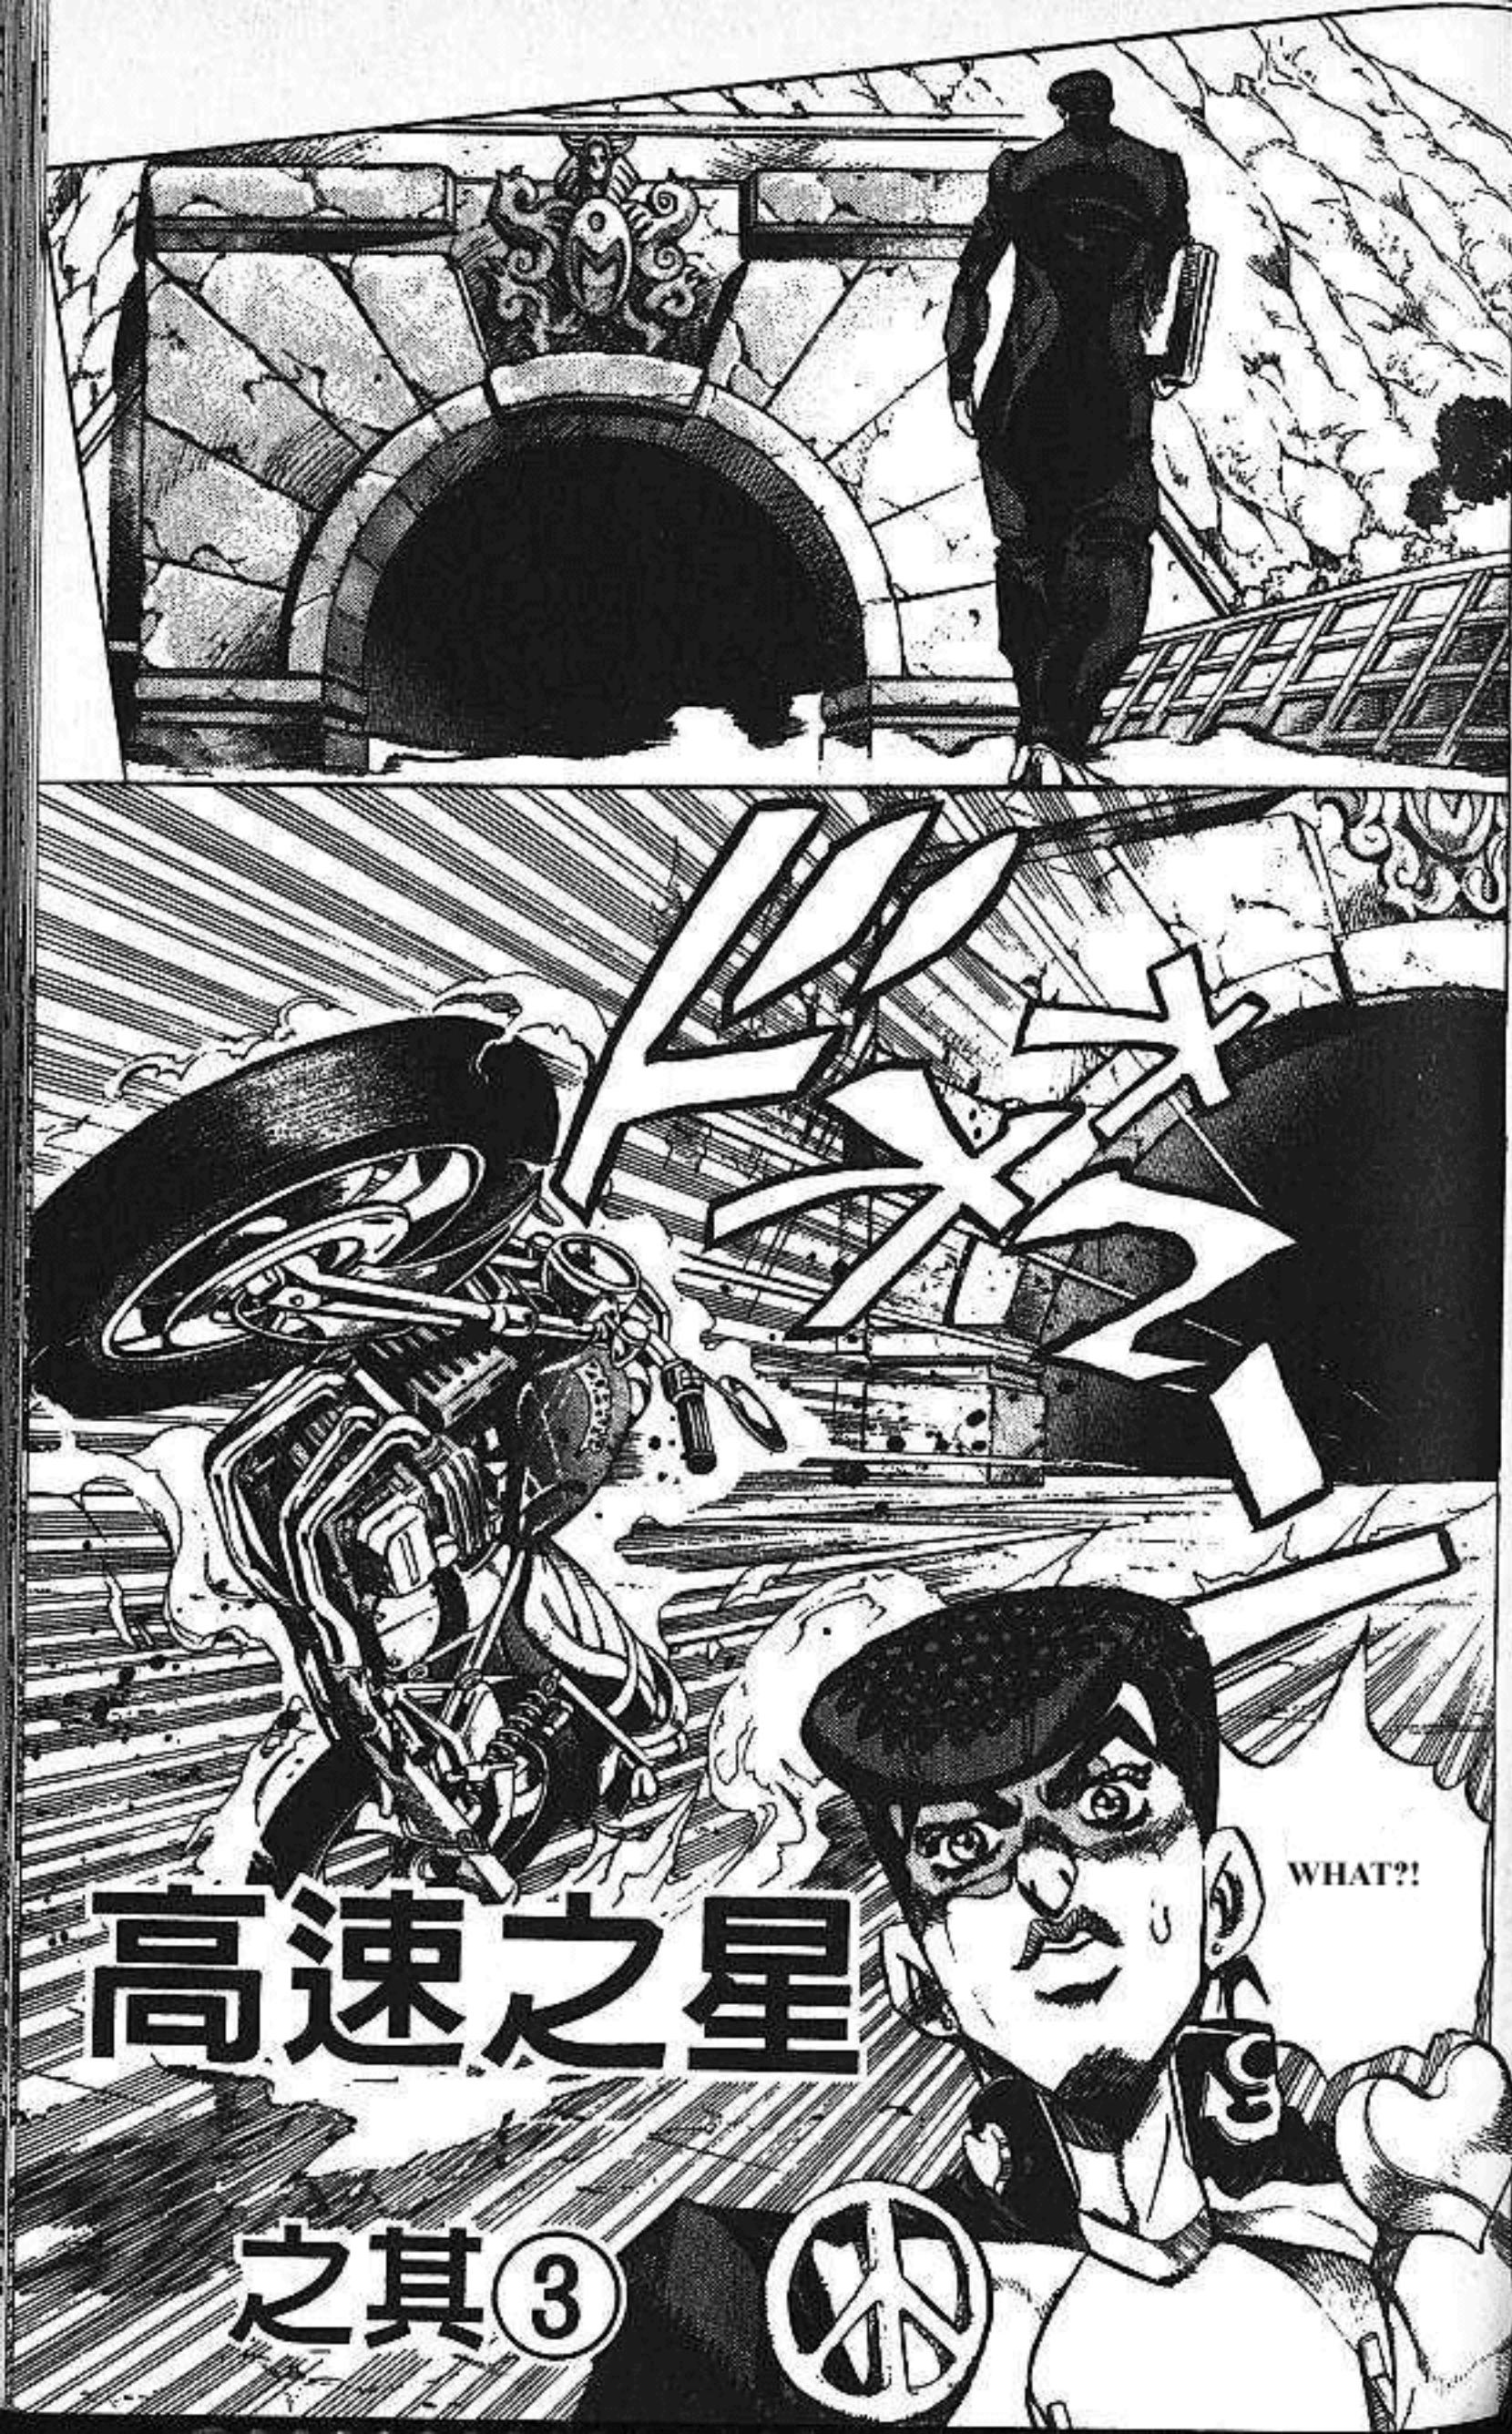

唔!

slipped  
into my  
body!

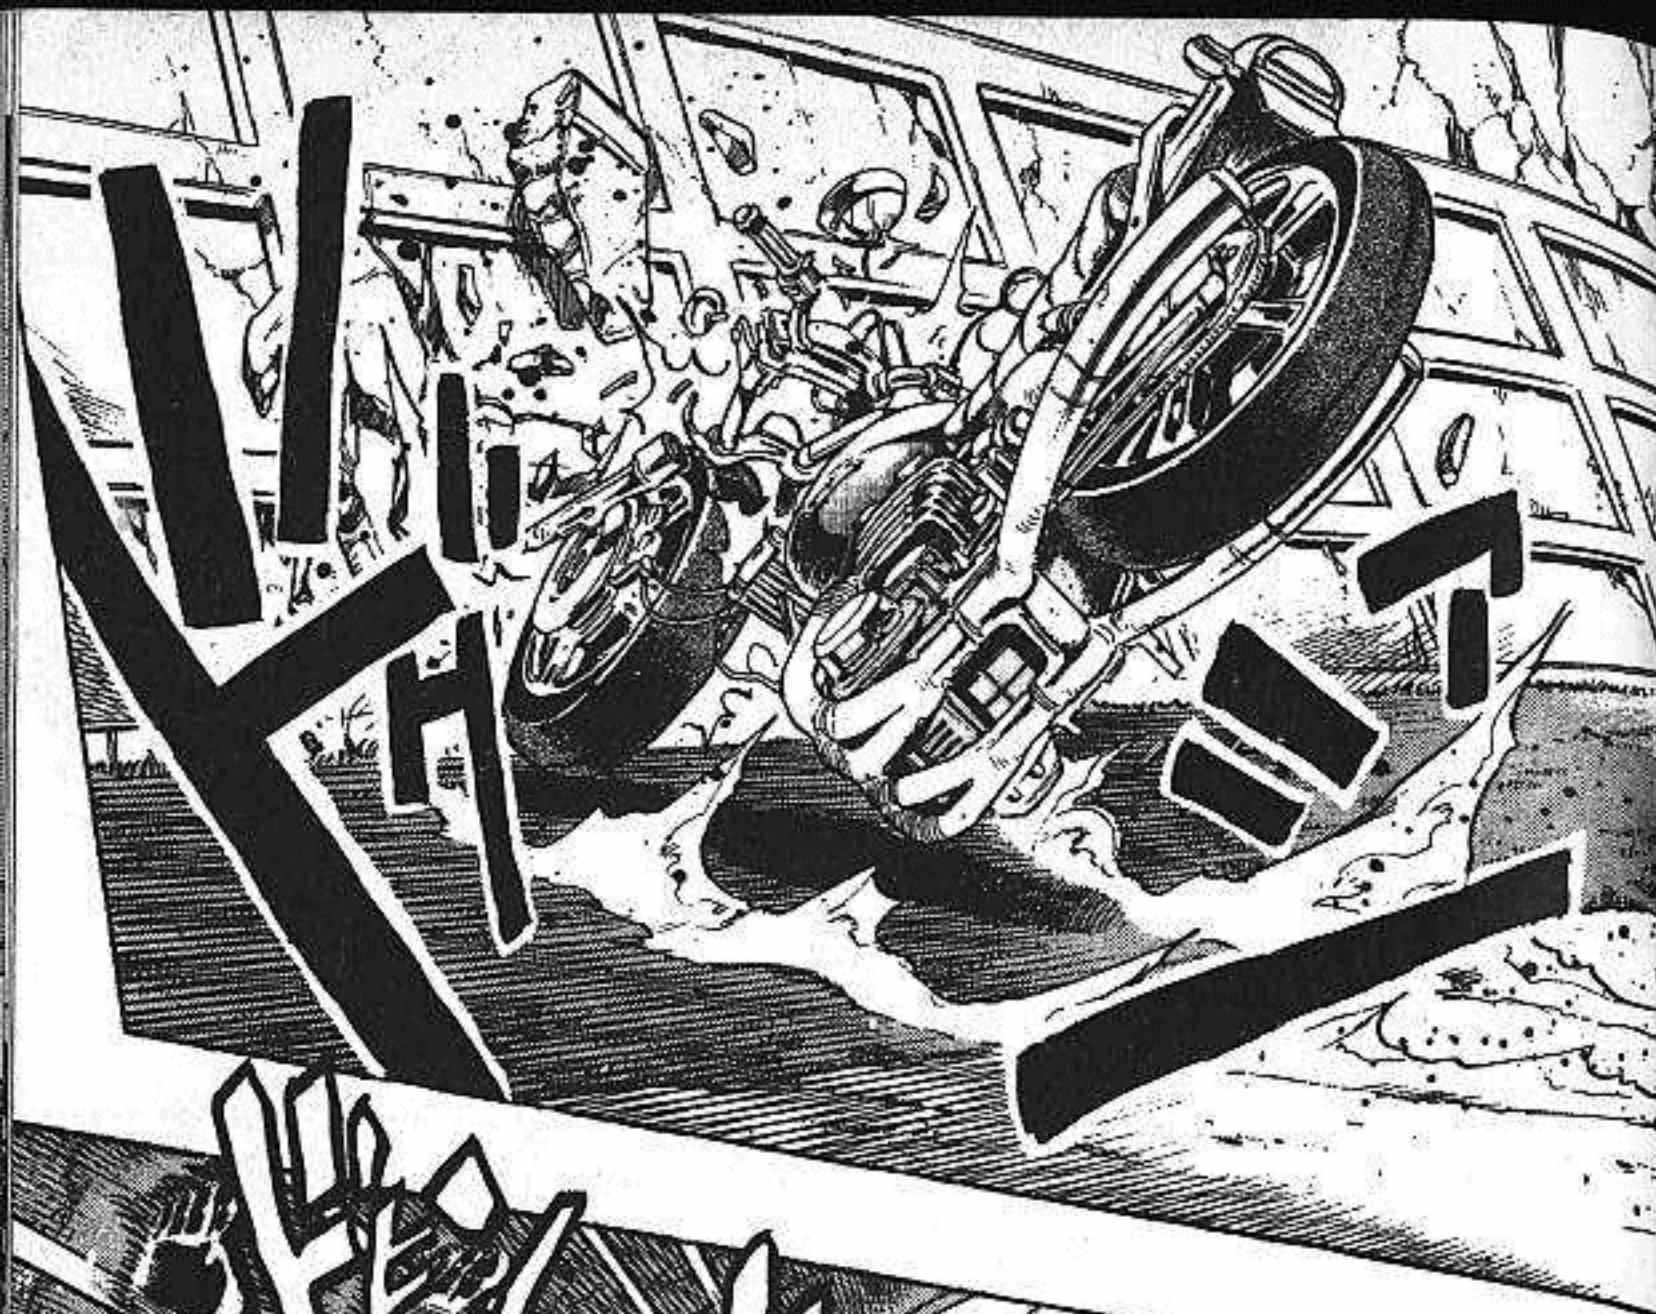

he forced me....  
he called me a  
untruthful  
duper...

I said I never  
wanted to  
see Rohan  
ever again....  
but...

shi...  
shit!

CAN'T MOVE!  
THIS GUY  
ABSORBED ALL  
MY POWER!

no  
weaknesses

no...

Heaven's  
Gate!

give me  
all of your  
nutrition.

give me  
nutrition

唔!

hey  
Rohan!  
are you  
in there?!

ROHAN!

losing more  
and more power,  
can't resist...

no power  
left, can't  
read anymore

his  
weakness

once he picked up  
the scent of his victim  
it will never give up  
chasing him till he  
absorbs all of  
its victim's power...  
if you get caught, his  
weakness is...

stand name  
Highway Star,  
set the room  
in the tunnel  
for luring stand  
users as his food.

write....

THIS  
THIS  
IS!??

啊  
!

ROHAN!!

your  
friend..

Josuke...

you came  
back...

Rohan!  
answer me!  
where are  
you Rohan!!

hey!

motorcycle  
flew outta the  
tunnel,  
something must  
have happened  
to Rohan

eyes haven't  
get used to  
the dark,  
can't see  
anything.

is there  
someone  
in there?  
enemy?

What's wrong  
with this  
room?!

Look, he's  
getting  
suspicious.  
not coming  
in...

hurry!

aren't you  
very good  
friends? call him  
in, then you  
can go.

you don't  
wanna die  
do you?

are willing  
to let me go?

you...

yes, this is our deal,  
use his nutrition  
to trade your life.  
hurry and call for  
help!

is your  
name?

Rohan...

call  
to  
him.

listen  
Rohan...

say  
help!

I will  
let you  
live.

You should have  
enough nutrition left  
in your body, if you  
lure him in this room.  
I will let you go...  
alive...

say  
"help"

what  
is this  
room?

are you  
alright?

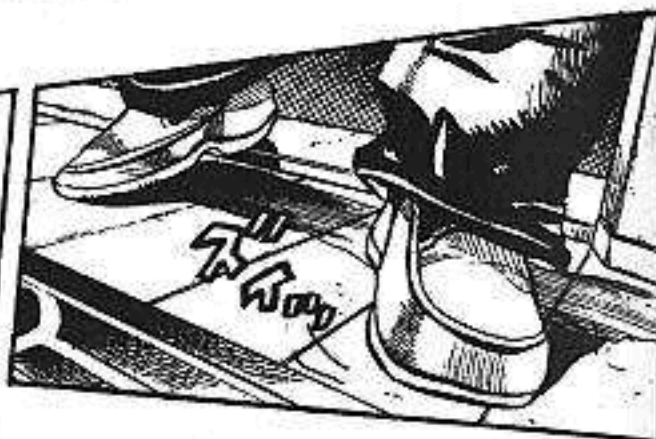

Hey  
Rohan...

You have to lure  
him into this  
room and let me  
suck his nutrition and  
power.

SHIT!

Why should I escape?  
let me take care of that  
covert bastard, where is  
he hiding huh?

You want me  
to escape?  
what are you  
talking about?

what I like  
to do the most..

is saying NO  
to people who  
consider  
themselves  
extremely  
good

WHAT?!

I  
refuse!

IF YOU STEP  
INTO THIS ROOM  
YOU WILL BE  
KILLED!!  
NO DOUBT!!

JOSUKE!  
HURRY UP  
AND GET OUTTA  
HERE!!

WHAT?!

SUCCESS!  
GOT HIM!

Now I  
can slowly  
absorb  
all of your  
nutrition.

HE HAS ALREADY GOTTEN  
YOUR SCENT! YOU CAN'T  
ESCAPE NOW!

I've already told  
you it's dangerous  
inside, why do you have  
to come in! you just  
have to piss me off  
with anything you  
do...

That's why  
I don't like  
you...

why do  
you have to  
do this?

you...

哇哇哇！

slipped into  
my body...

ROHAN!!

is it possible?

Rohan Kishibe saved me....

even though I doubt it, but I am still deeply moved...

find the user!

Josuke! this stand can chase you everywhere you go! but only at 60km/h he has no weakness so you must find his real body!

feet stand.

got rid of that...

he can't catch me....

at 70km/h?

ONLY IF YOU DEFEAT THE USER!

THAT'S THE ONLY WAY TO SAVE YOURSELF!

You talk too much...

Damn....

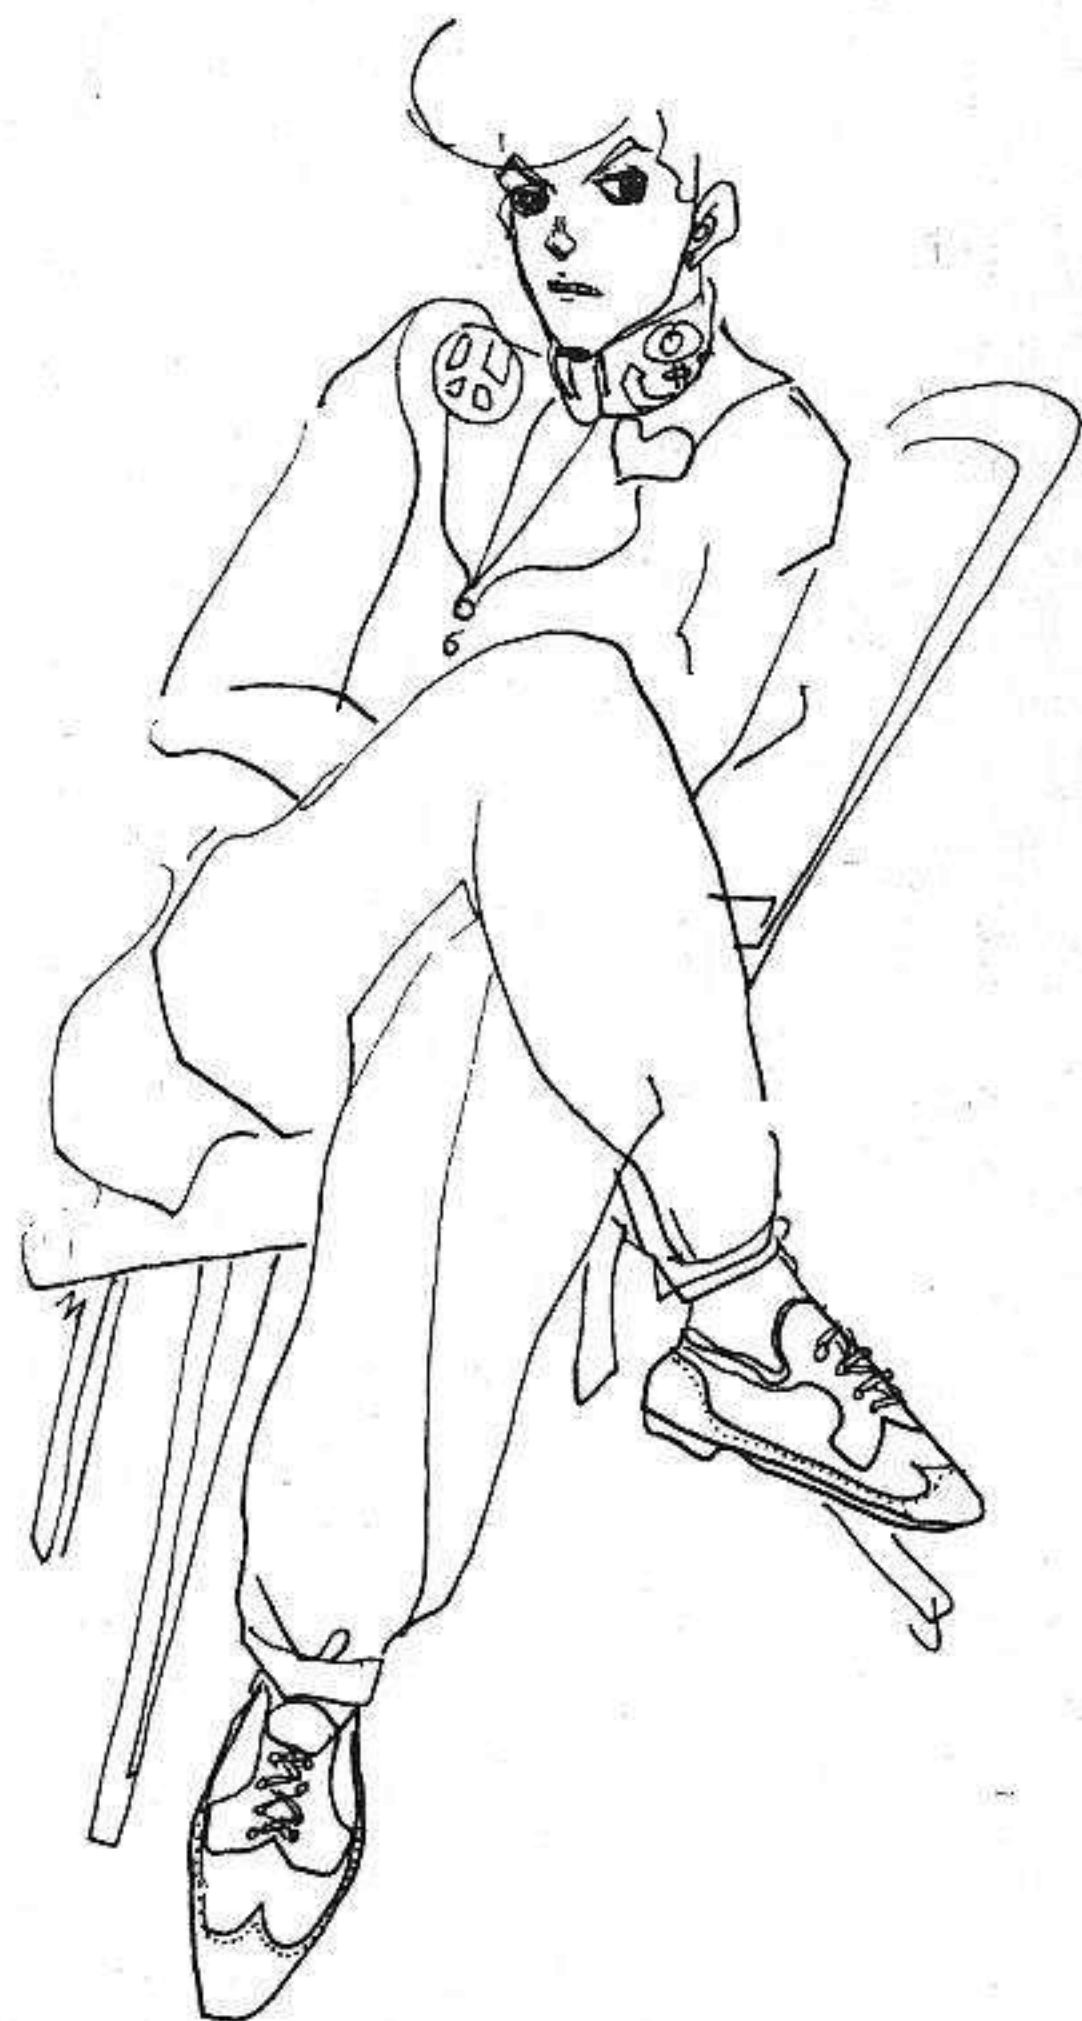

HIS STAND HAS  
NO WEAKNESSES,  
SO THE ONLY WAY  
TO DEFEAT HIM  
IS TO FIND THE  
REAL BODY!

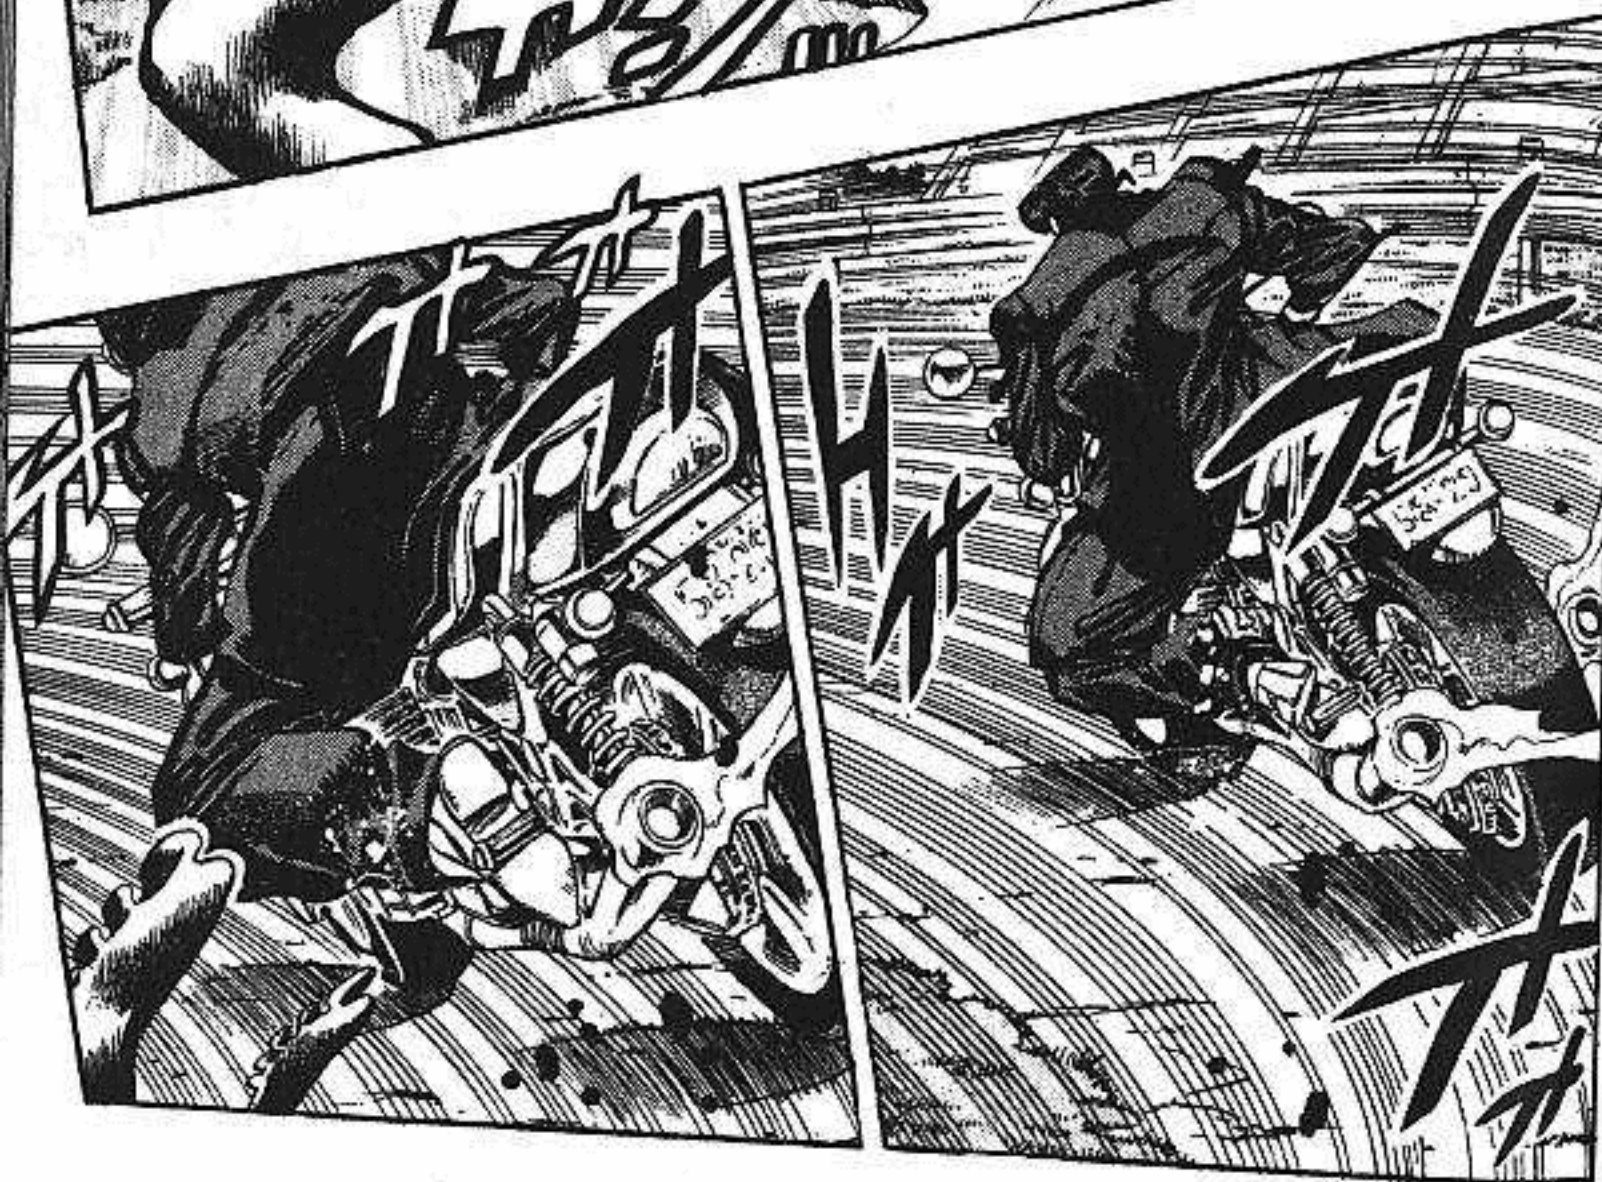

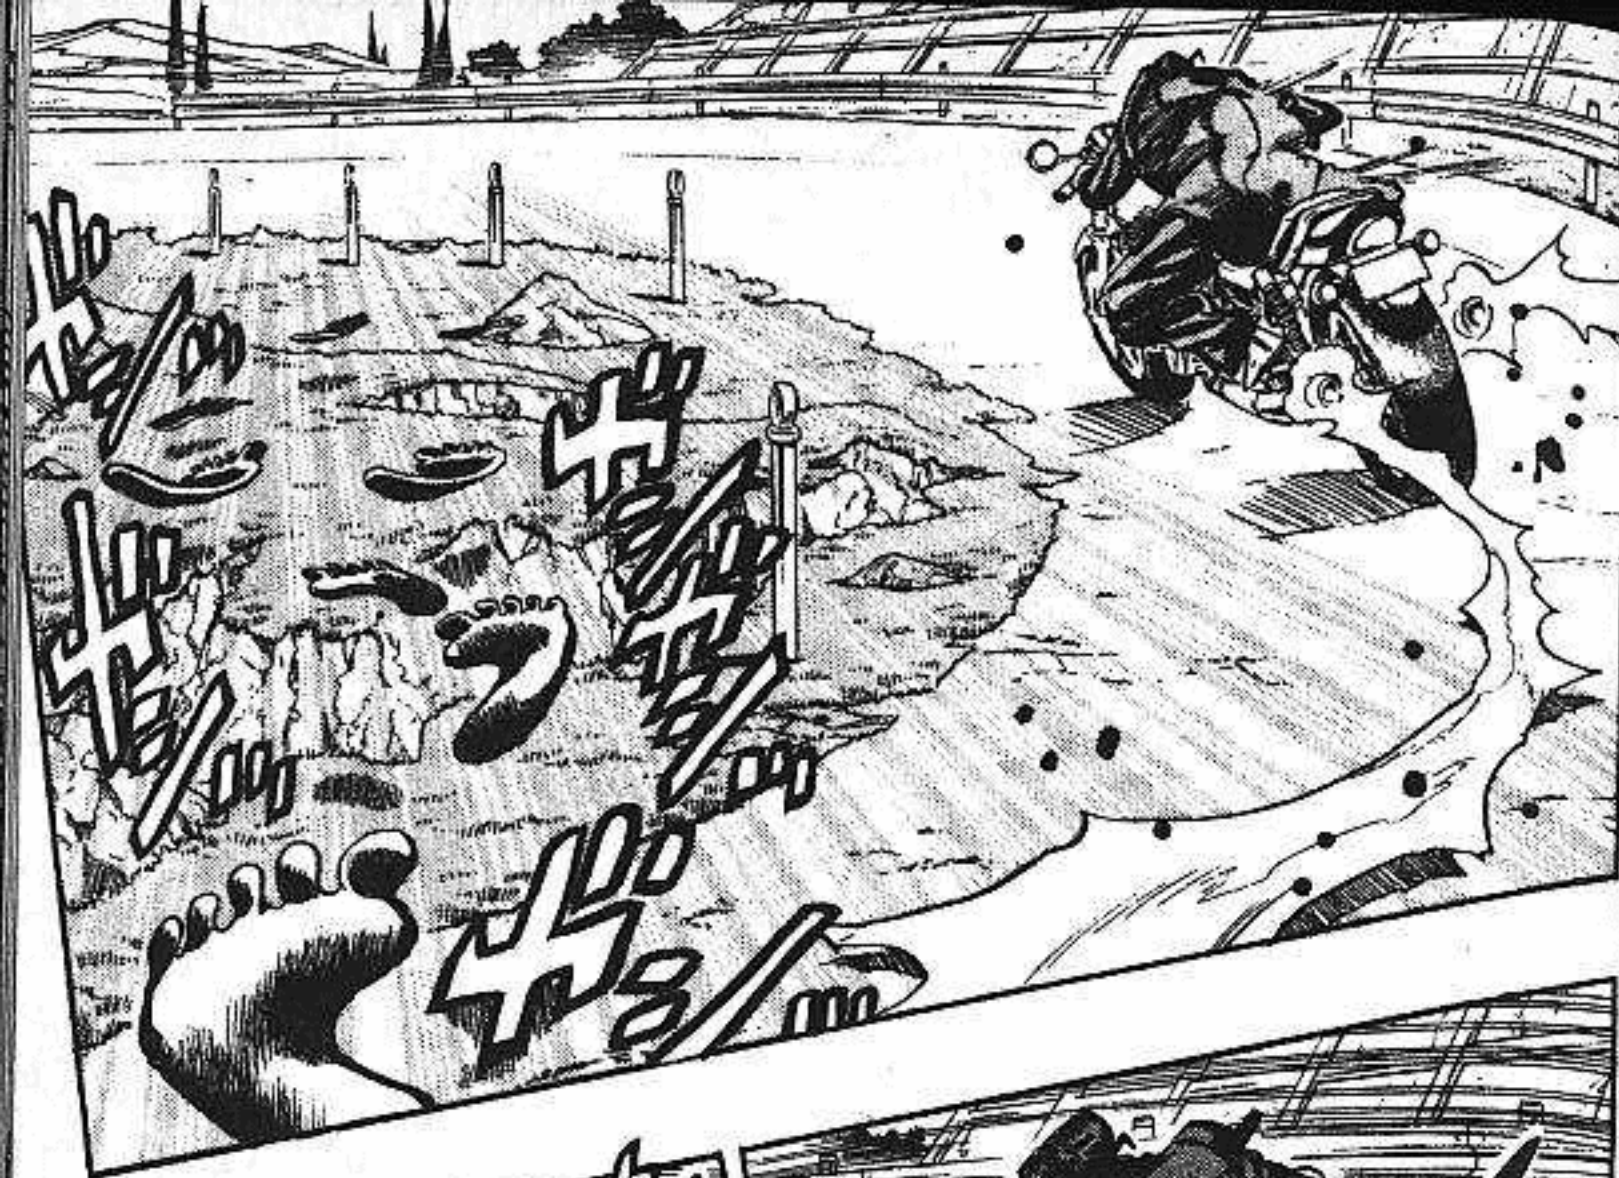

I UNDERSTAND  
NOW,  
ROHAN!

之其④

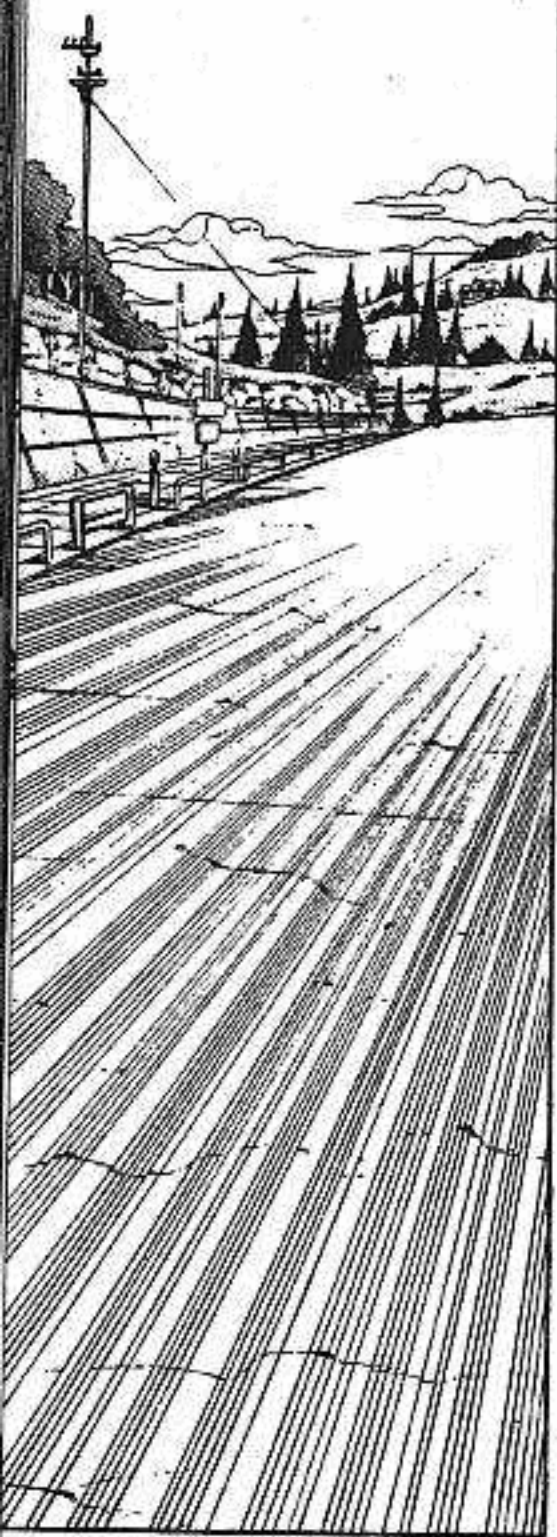

he will chase me  
to anywhere?  
if he catch me, he  
will absorb all the  
nutrition in my  
body?

He remembered  
my scent?

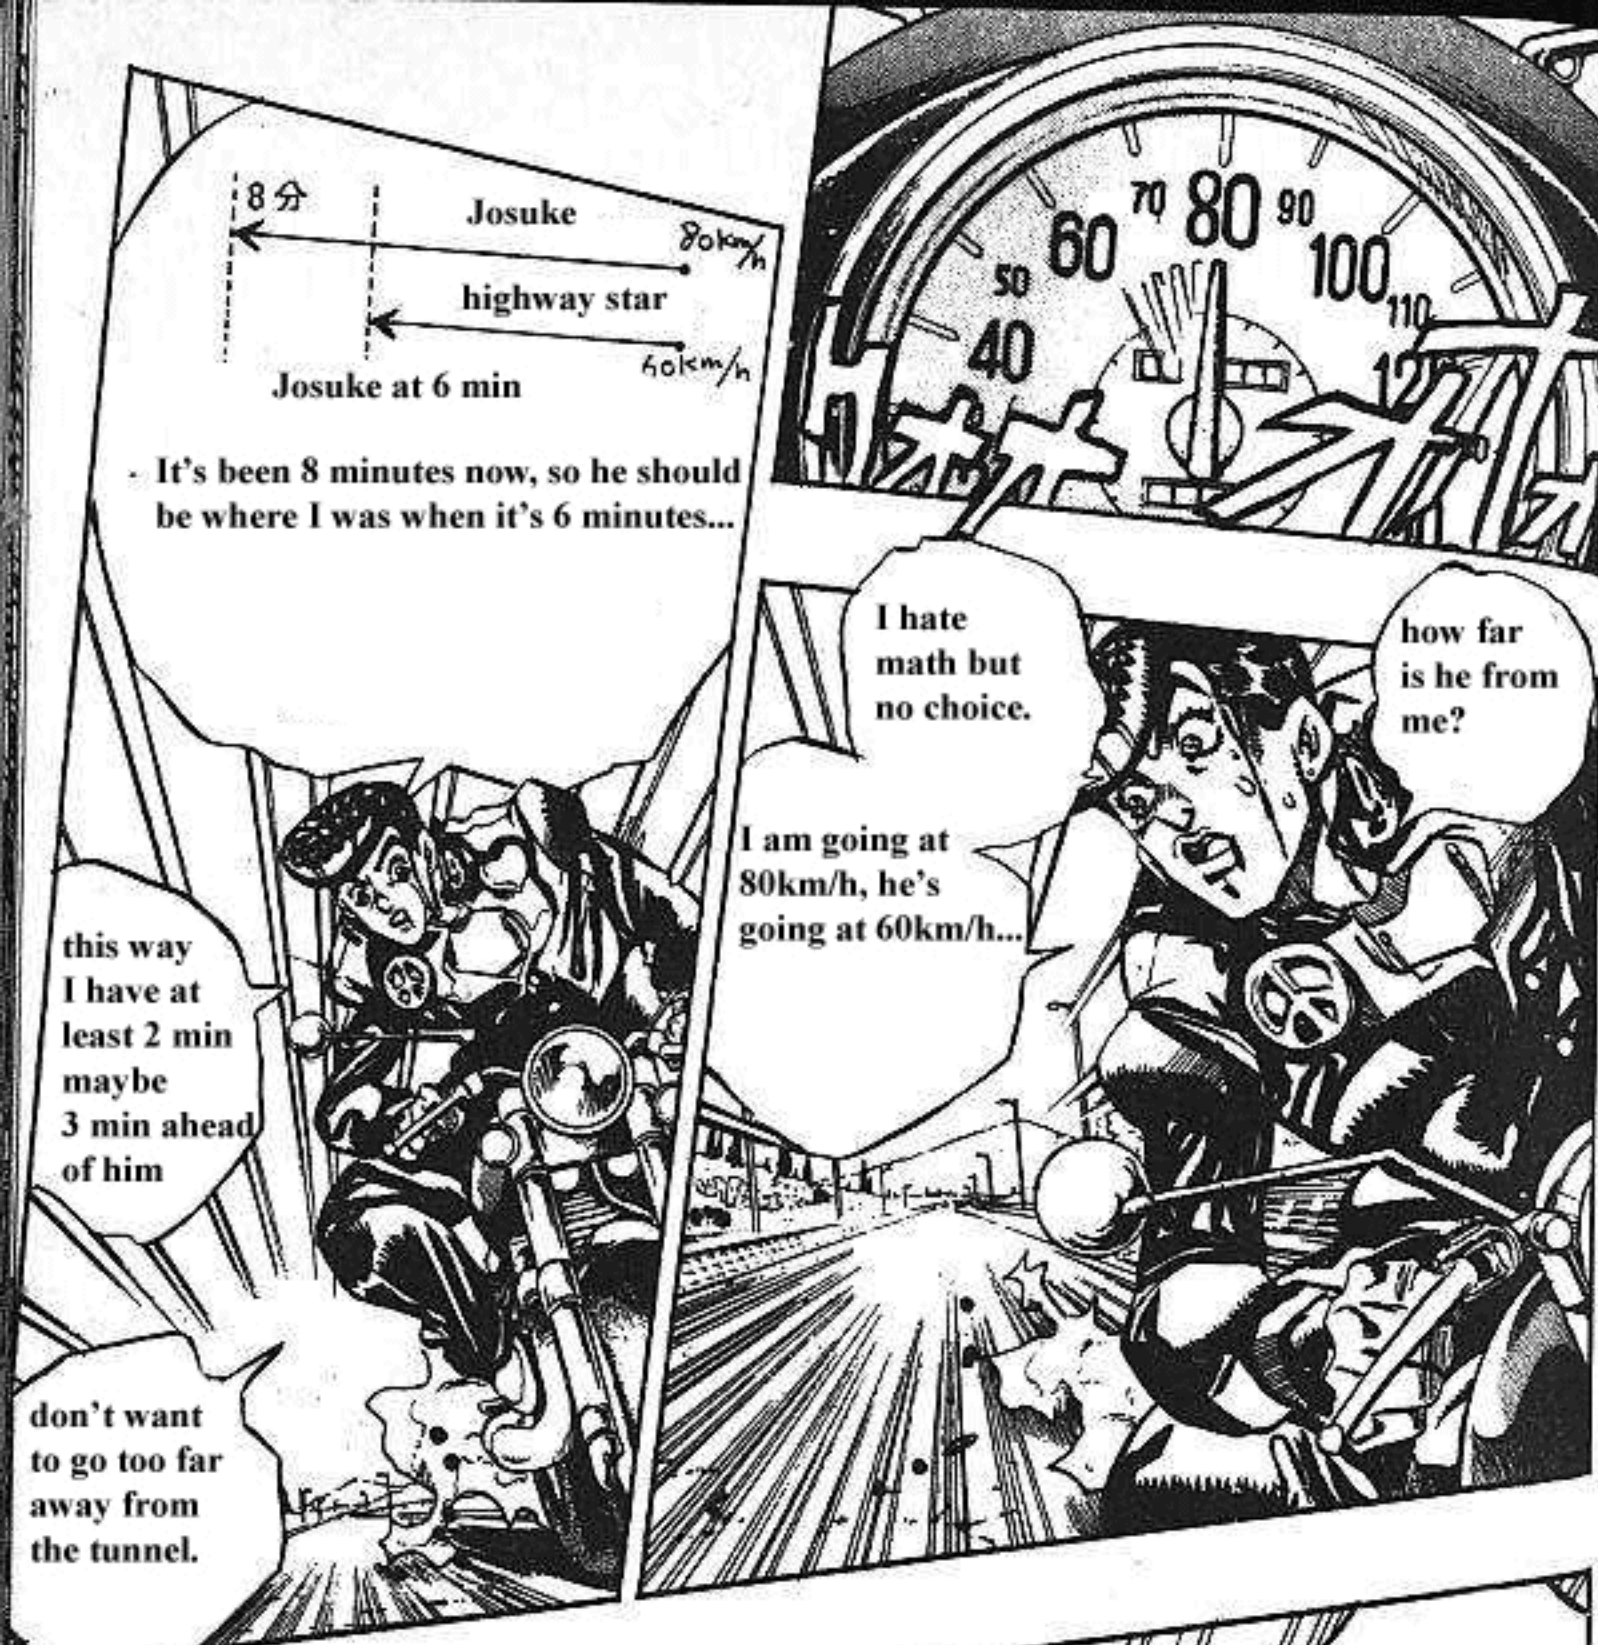

he can't go  
any faster than  
60km/h, using  
a motorcycle I  
can easily outrun  
him!

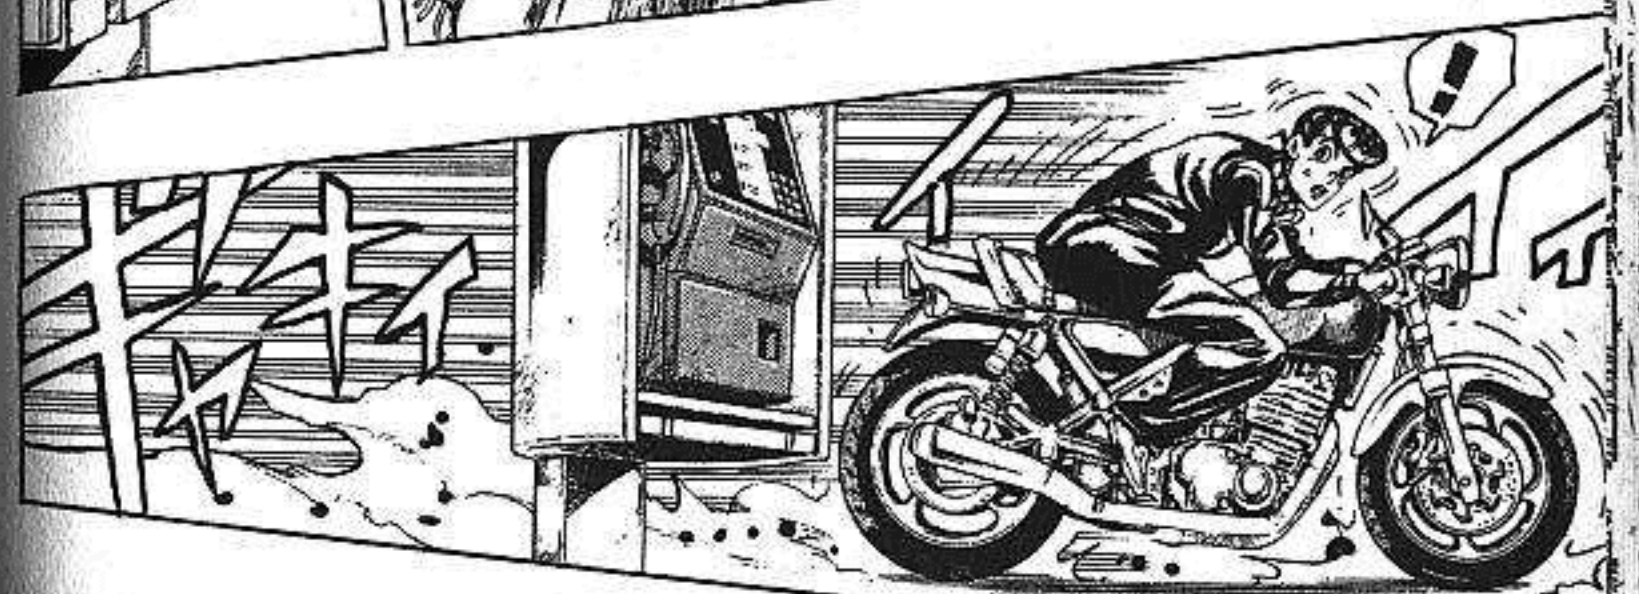

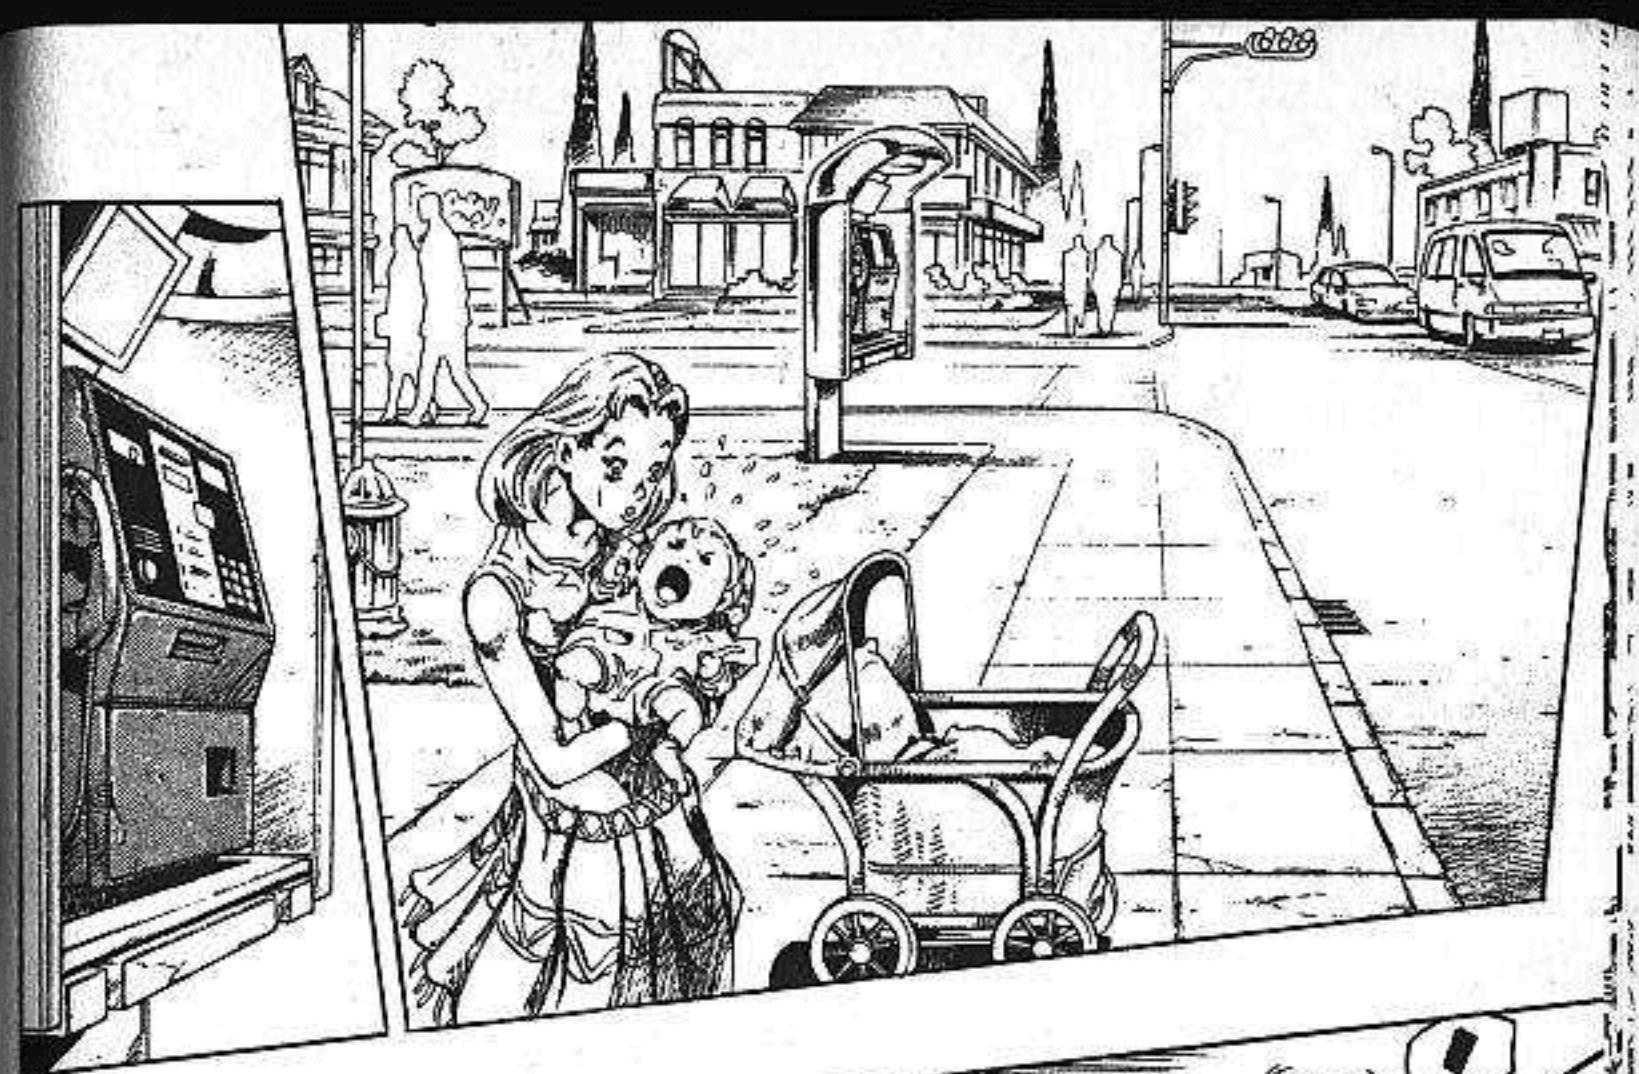

Great!

he is chasing  
me from my  
scent, so he  
doesn't have  
to make turns  
while I am  
far away.

I forgot  
he's a stand  
of scent!

CAN'T STOP  
TO MAKE THE  
PHONE CALL  
NOW!

IT'S  
COMING  
GOTTA  
RUN!

60km...

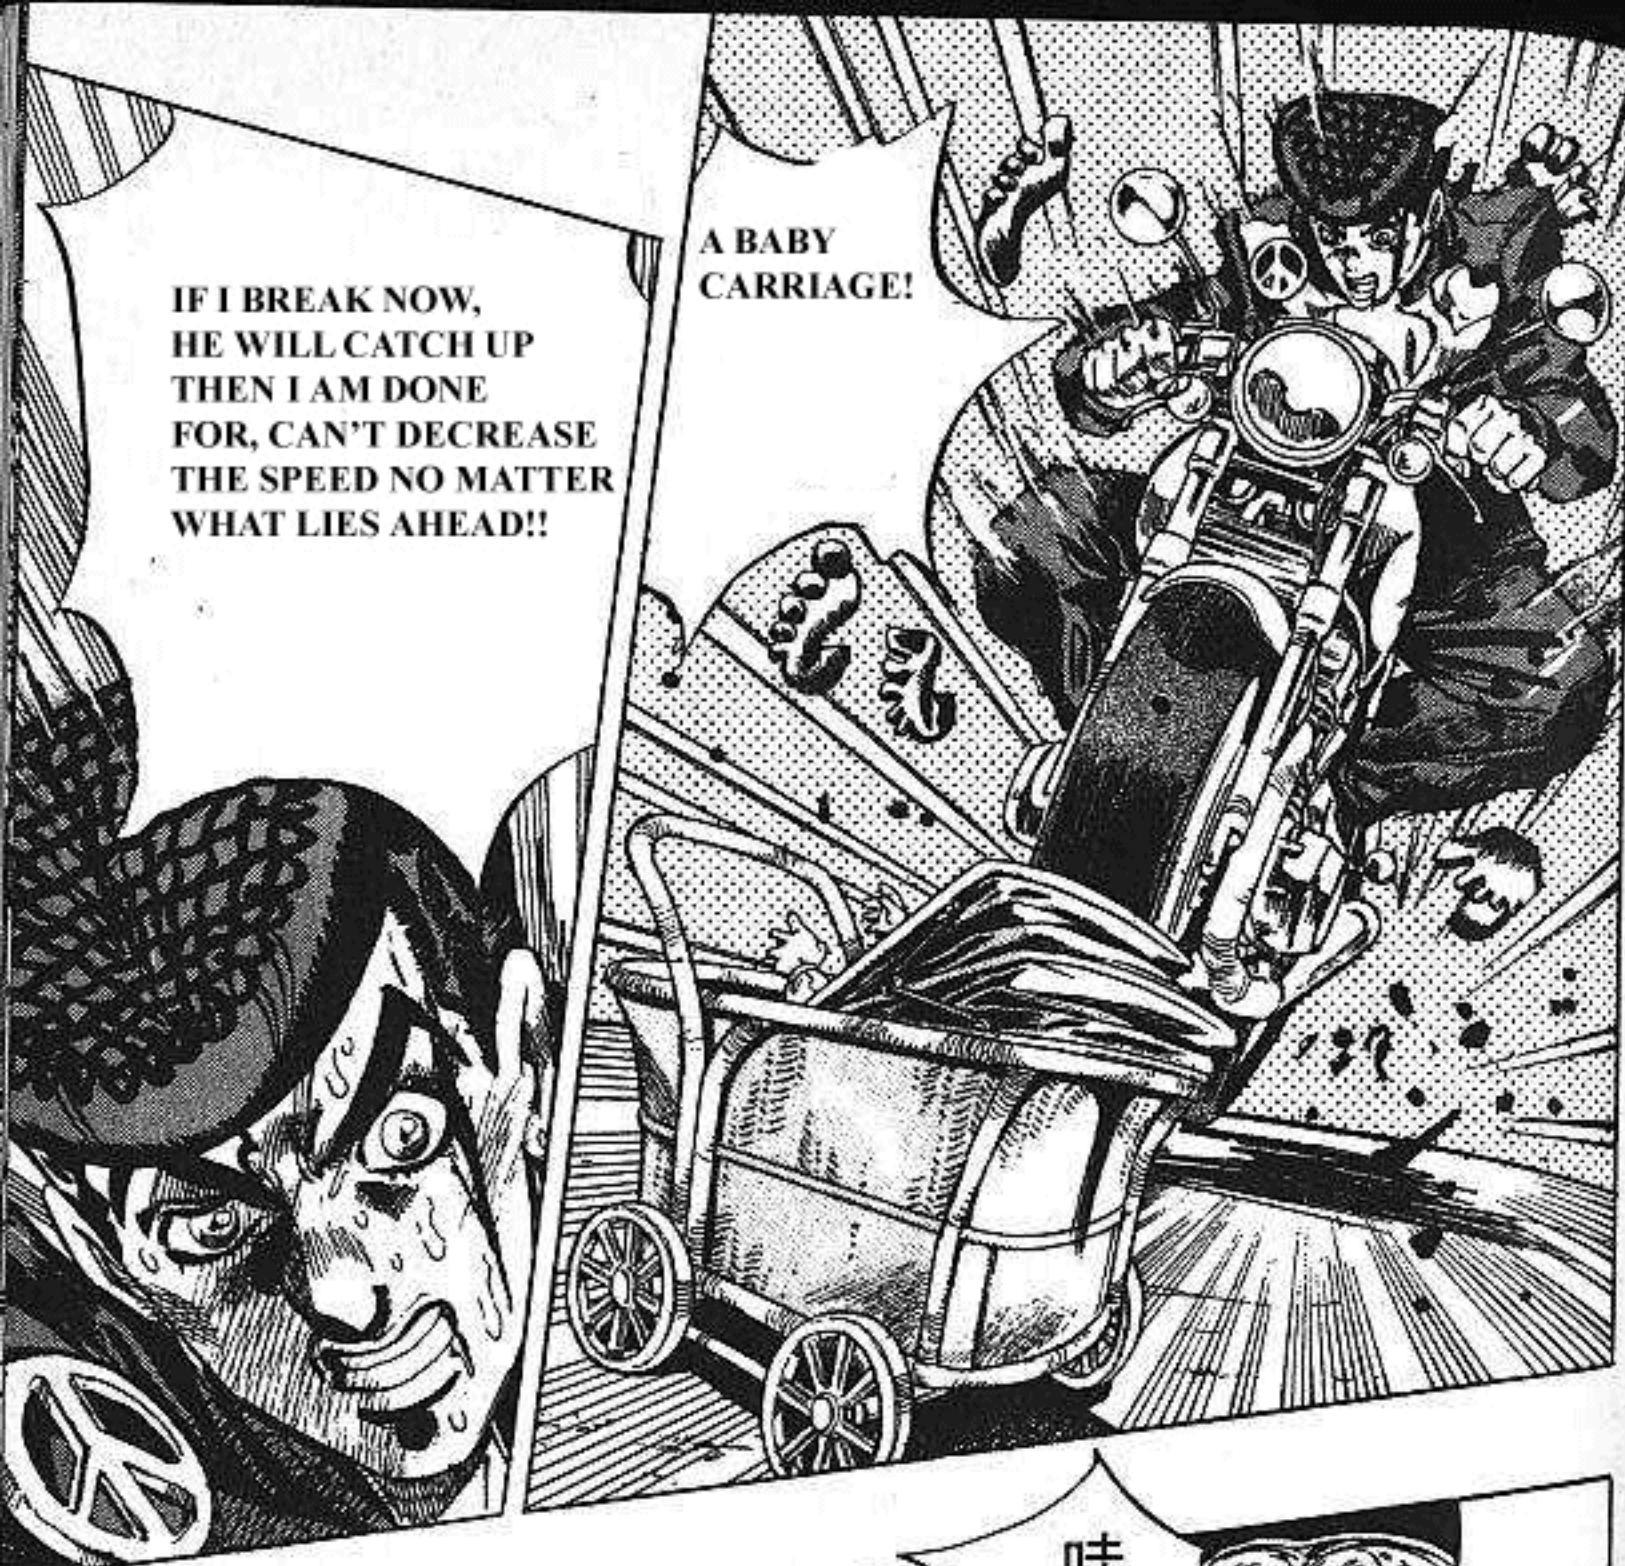

NOT WHAT  
I HAD  
CALCULATED....  
ISN'T 60KM/H HIS  
TOP SPEED?!

WHAT THE FUCK...  
HOW DID THAT  
HAPPEN?

IF I BREAK NOW,  
HE WILL CATCH UP  
THEN I AM DONE  
FOR, CAN'T DECREASE  
THE SPEED NO MATTER  
WHAT LIES AHEAD!!

A BABY  
CARRIAGE!

If I break,  
me and Rohan  
will be both  
dead!

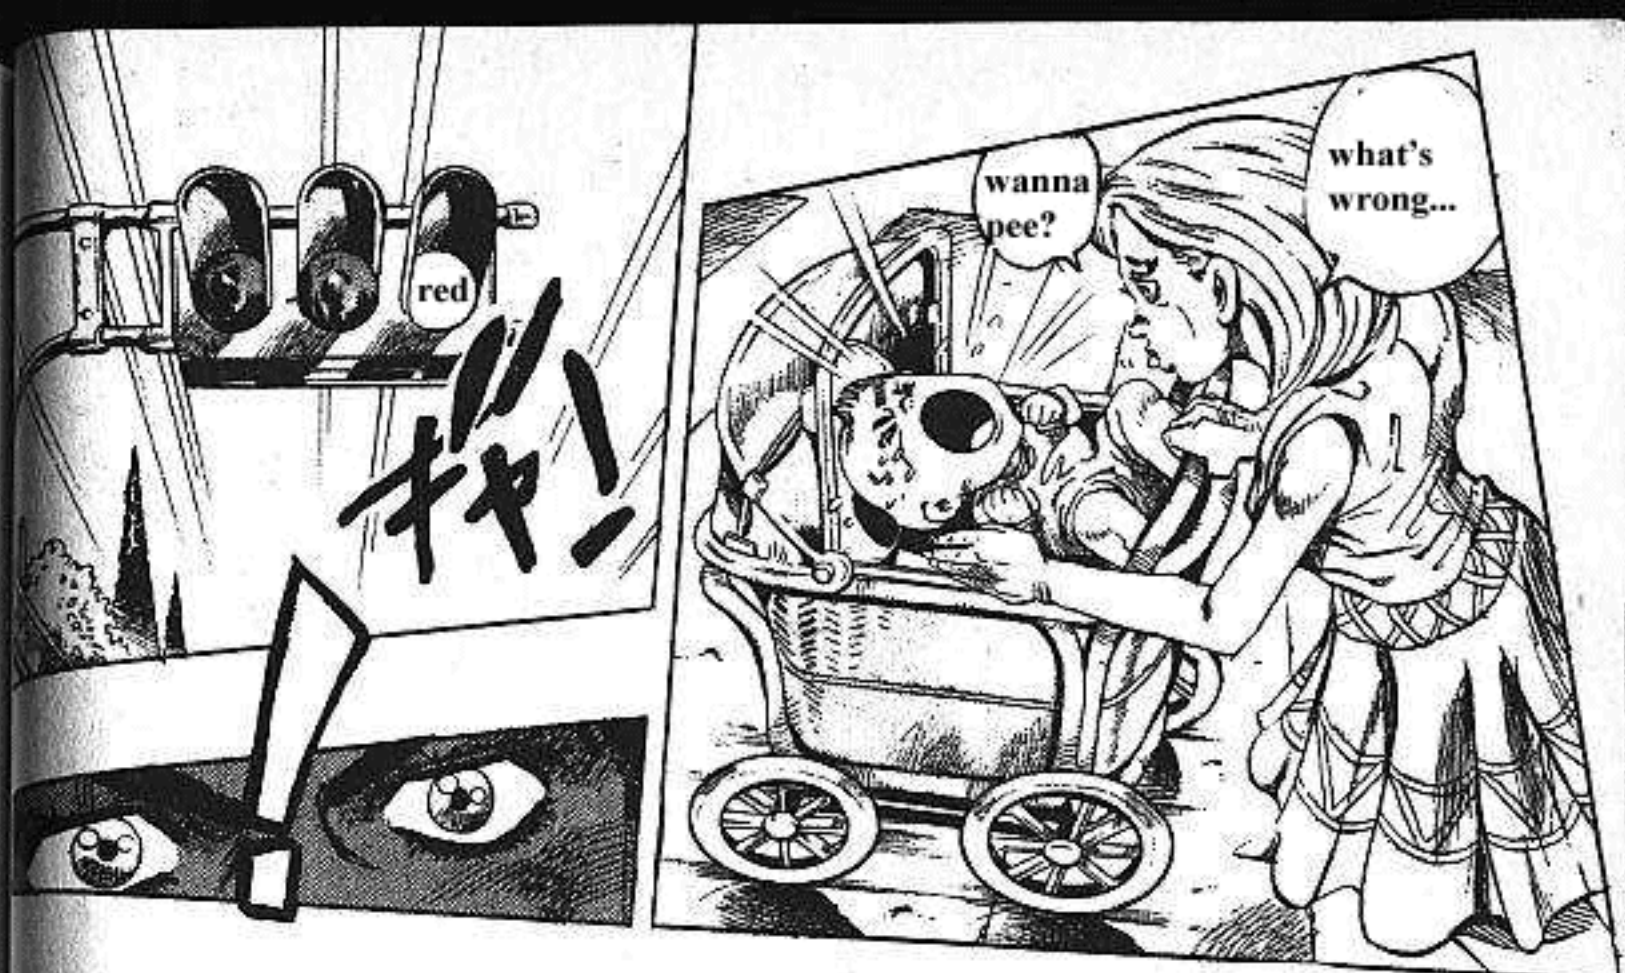

Sorry, I have  
to keep going!

哇!

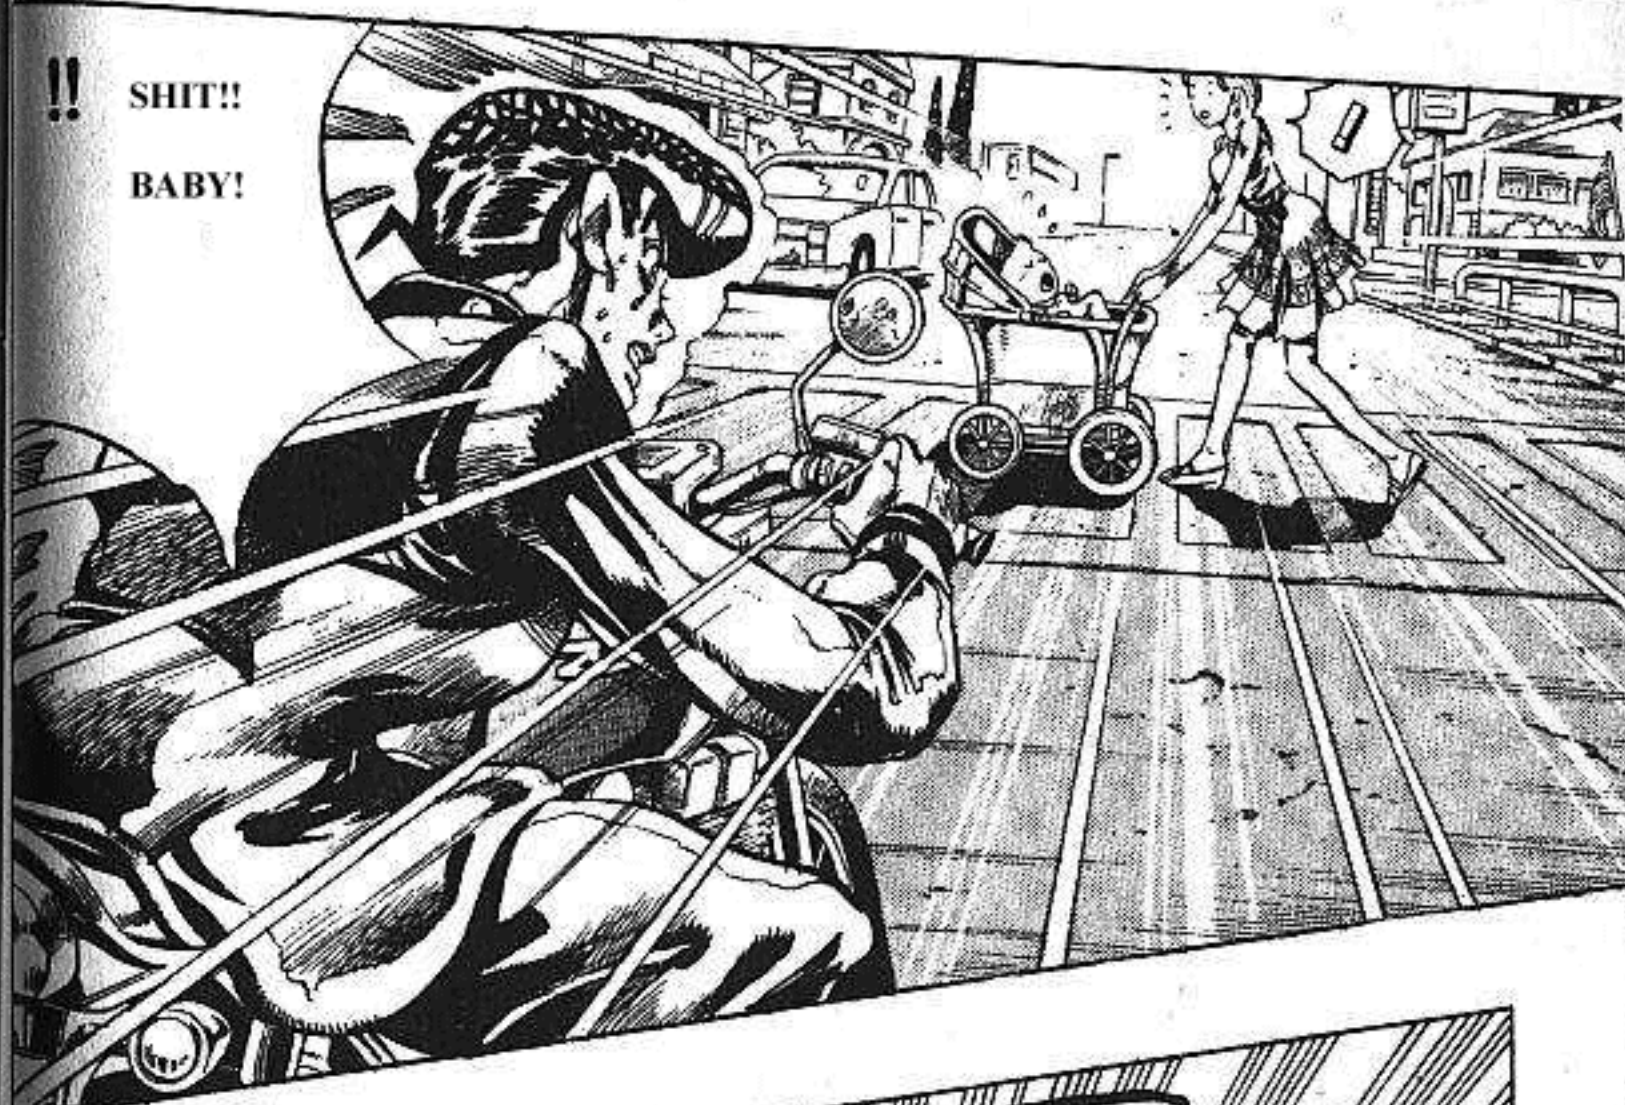

哇!

only  
choice...

what's  
wrong...

!! SHIT!!  
BABY!

哪拉拉拉拉拉拉  
啦啦啦啦啦啦  
CRAZY  
DIAMOND!

FOR ME AND  
ROHAN! I CAN'T  
STOP!

SO  
CLOSE...

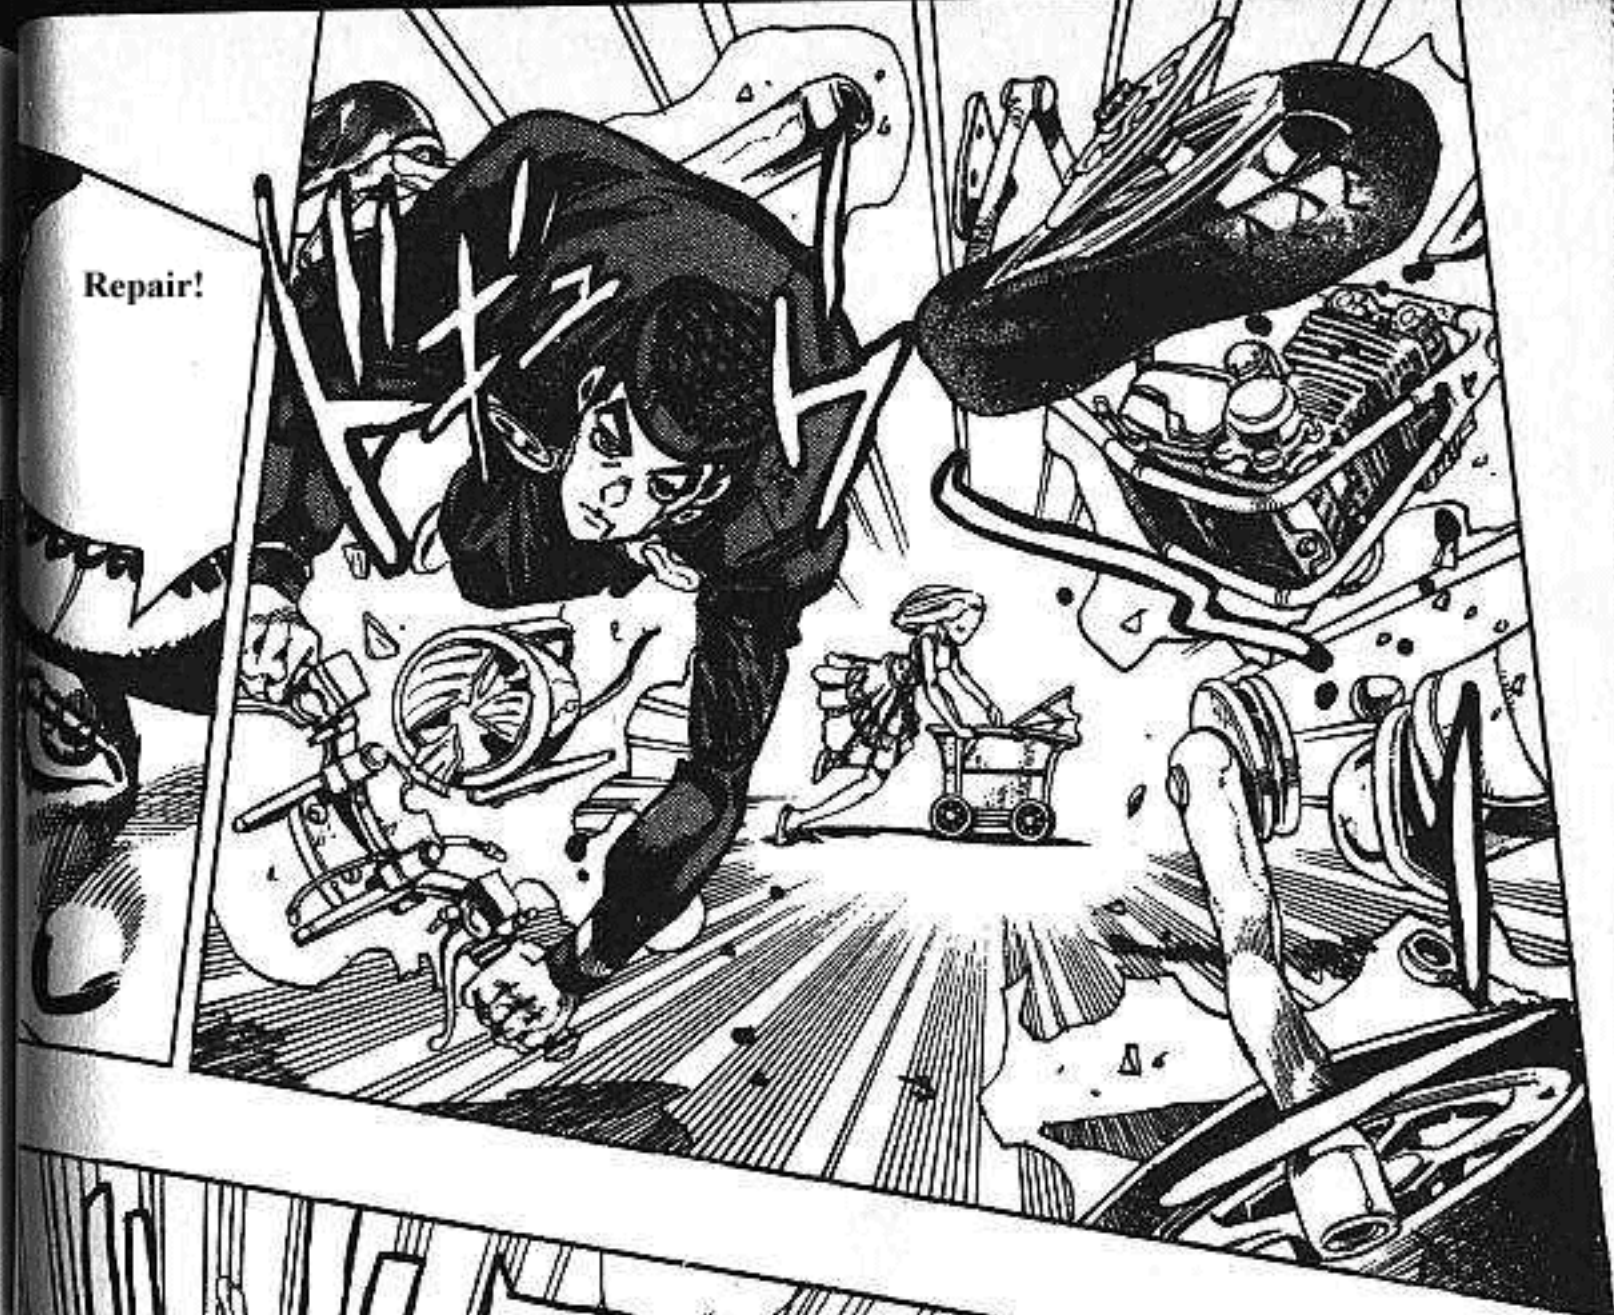

finally realized  
how tough this  
stand is.... can't  
stop, can't go  
slower than 60km/h

but this way I don't  
have time to call Koichi  
or Jotaro to help! plus  
I am at another part of  
town and going completely  
opposite direction

Repair!

cell phone!

just the right time! now I can ride on the bike with 60km/h and call.

This is exactly what I want!

lucky...

10 billion!!

啊啊啊啊!

give it back!

eriko, would you...?

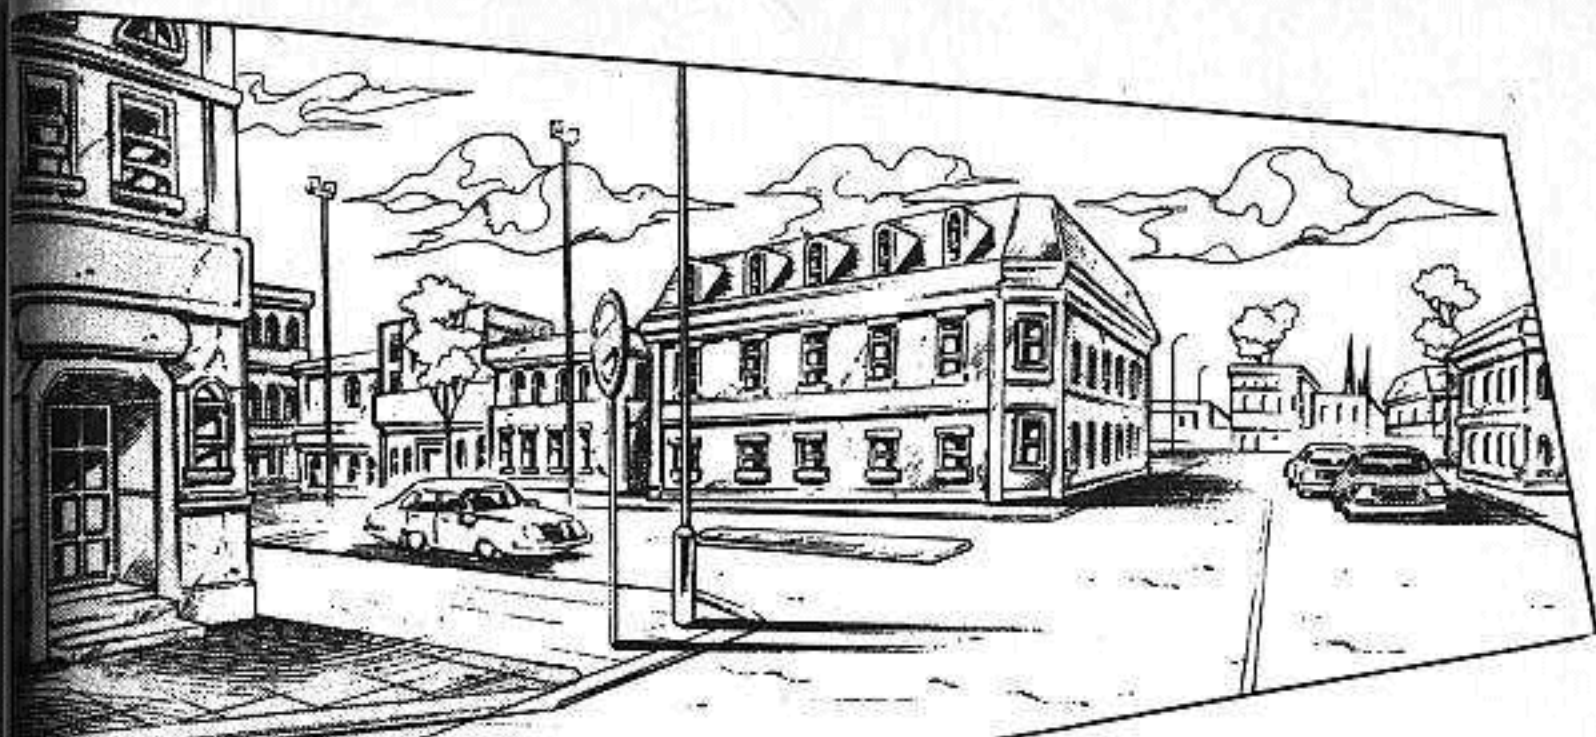

broken? did I grab too hard or what?

what's wrong with this phone

eriko, it's not like that...

if you don't hate me... hang up the phone then.

I will propose right now!

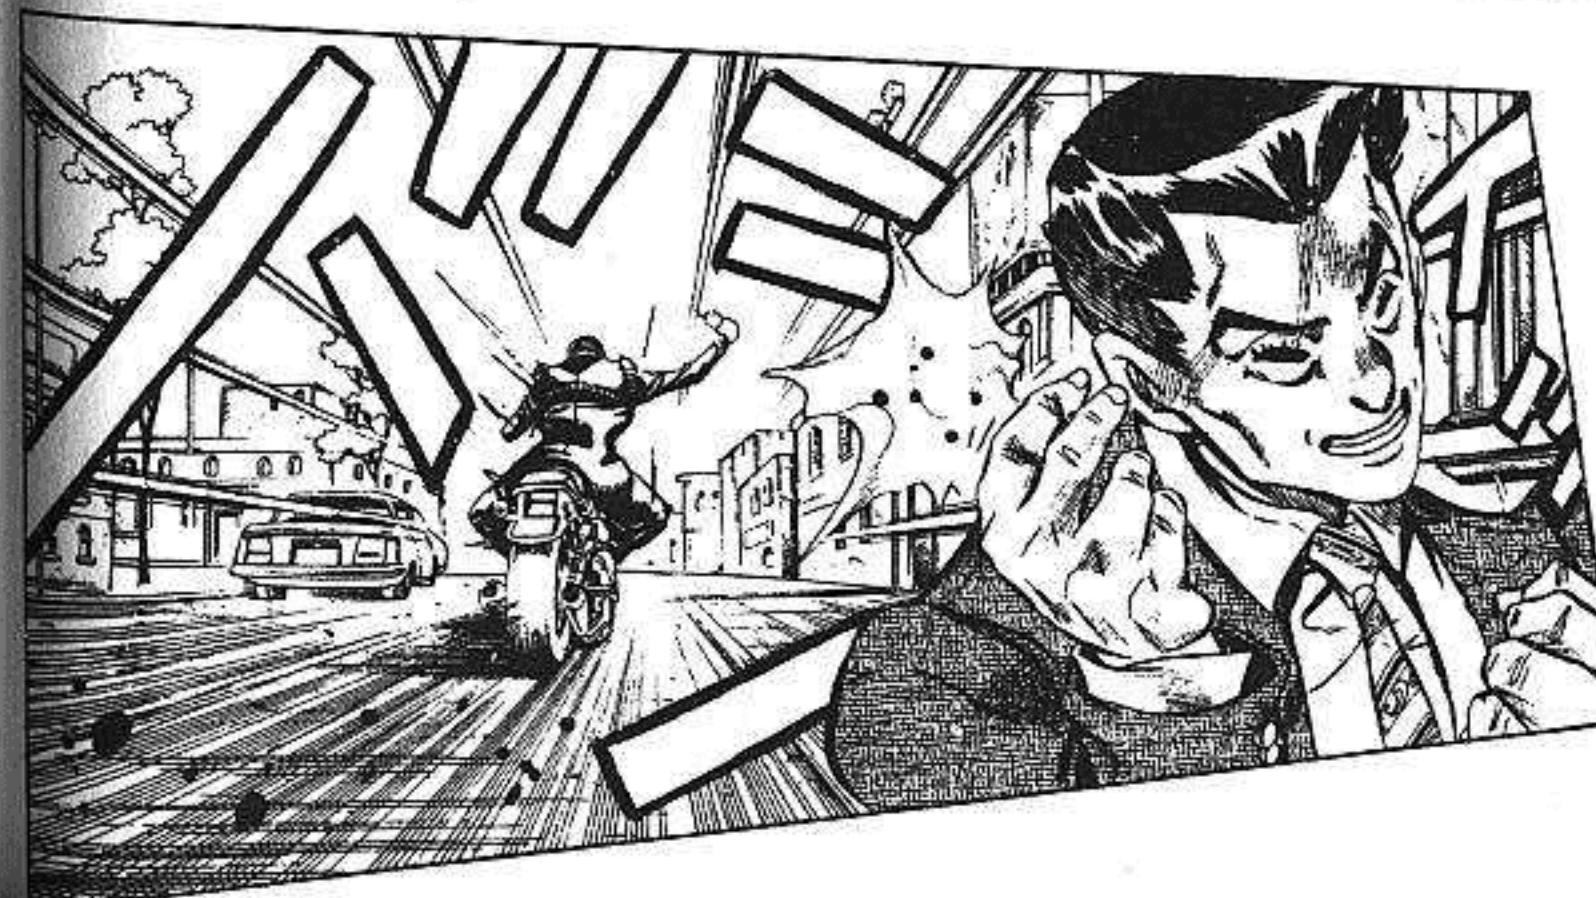

leave it to me!

yes boss, no problem

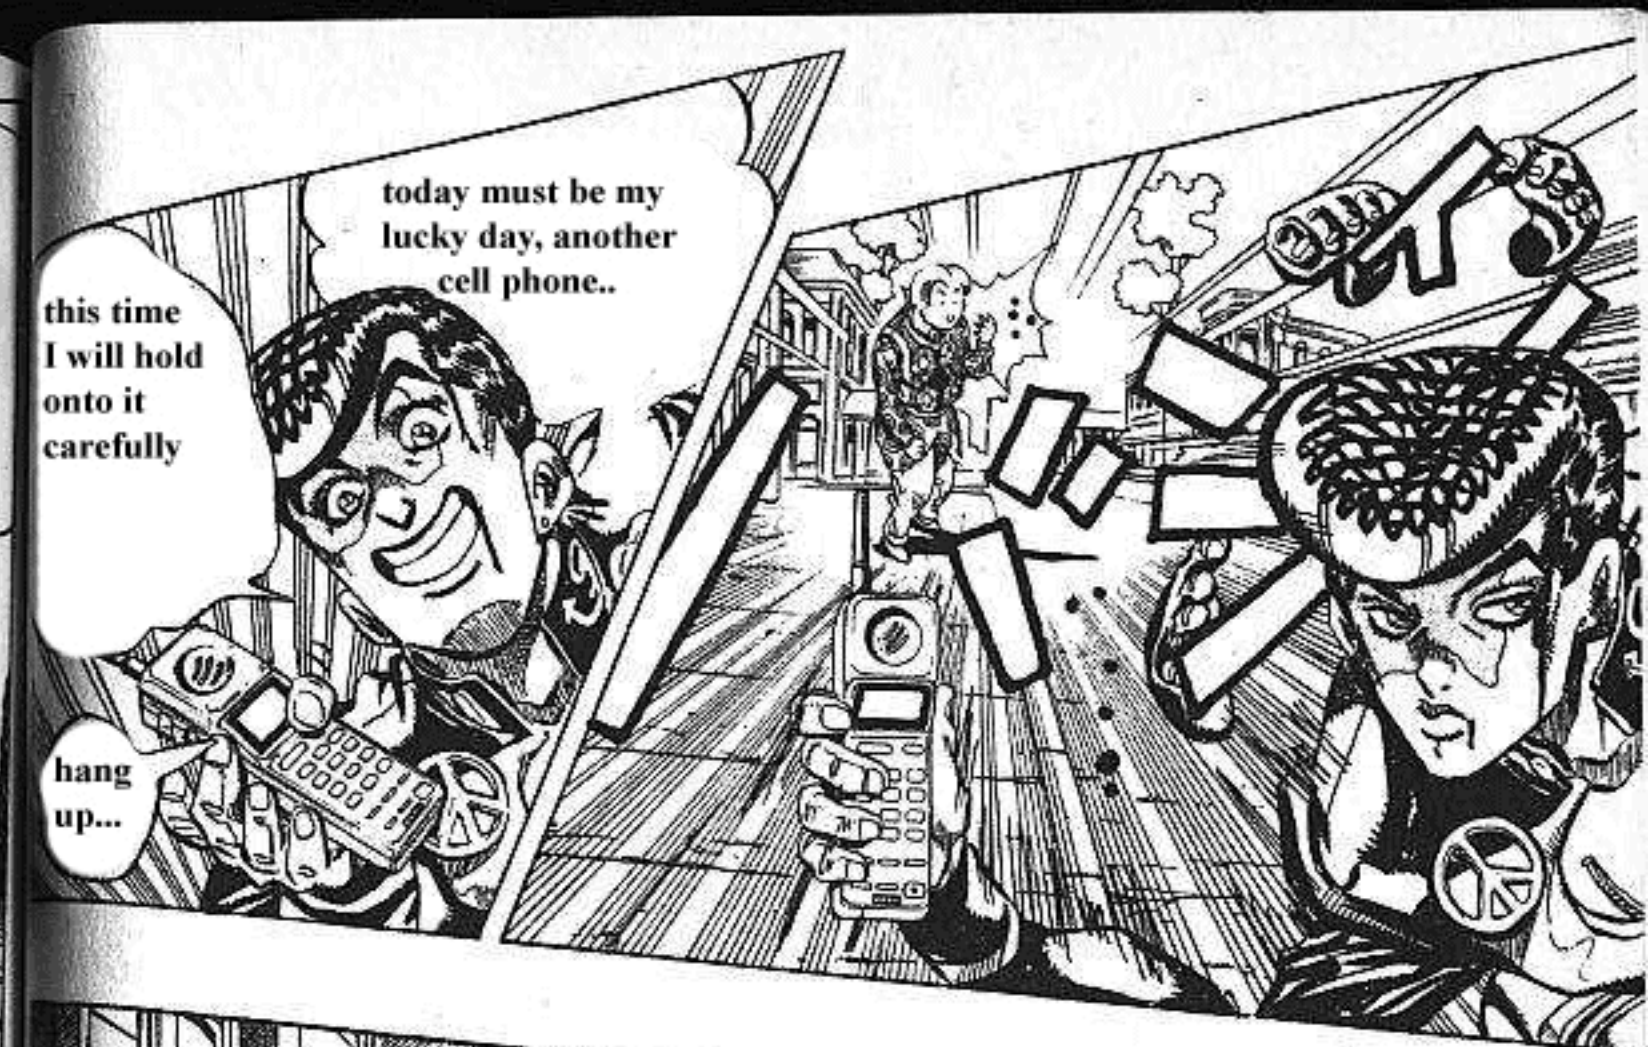

there will be a very important phone call in 1 minute, when you get the call, do as planned

Jigon! listen carefully

this is a 10 billion business opportunity, if you miss it, I will have your ass fried.

IF WE CAN'T  
FIND THE REAL  
BODY OF THE  
STAND, ME  
AND ROHAN ARE  
HISTORY!  
HEY CAN YOU  
FIND ANYTHING  
OVER THERE?

I CAN'T DO BIG  
TURNS, IF MY SPEED  
FALLS UNDER 60KM/H  
I AM DEAD! I AM GOING  
TOWARD MORIOH  
DOCKS, I AM NOT  
FAMILIAR WITH THE  
ROADS AROUND HERE  
AT ALL!

maybe  
in the past  
week or  
month?

That stand only  
appears in the  
tunnel, his user  
might have some  
kind of tie with  
the tunnel

have you  
found anything  
about the  
tunnel?

you said  
you were  
attacked at  
the  
tunnel?

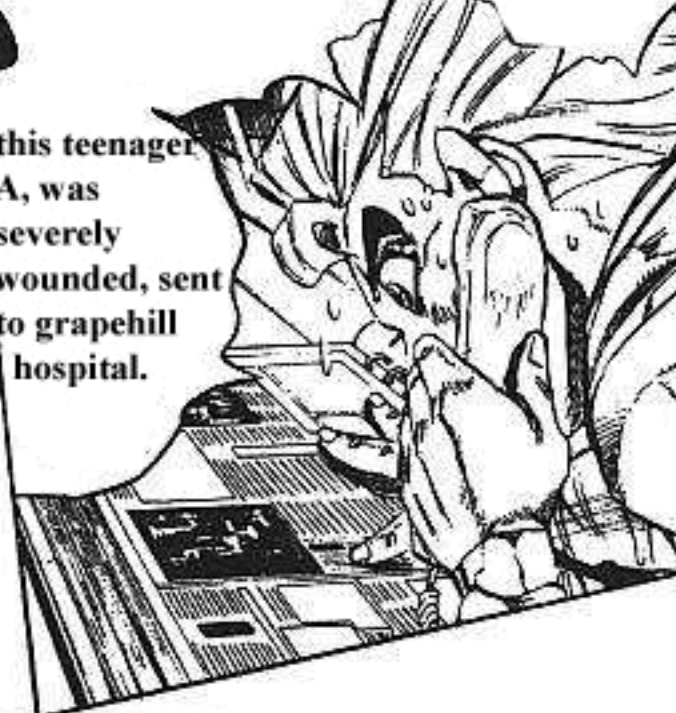

I am still  
looking...

there was a  
motorcycle racer,  
drunk and race,  
crashed inside the  
tunnel

this accident  
was on TV  
also I  
recall.

this teenager  
A, was  
severely  
wounded, sent  
to grapehill  
hospital.

on the  
newspaper

what did  
they say?

just  
2 days  
ago.

yes, there  
was a piece  
of news...

can you come  
to my house?

I got the  
map right  
now, where  
are you?

I understand  
Josuke.

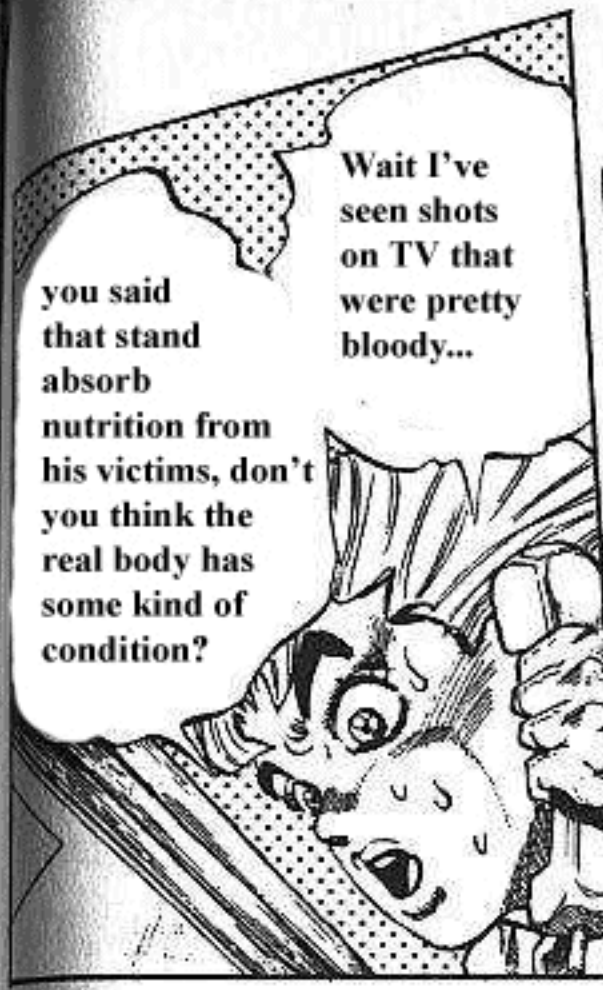

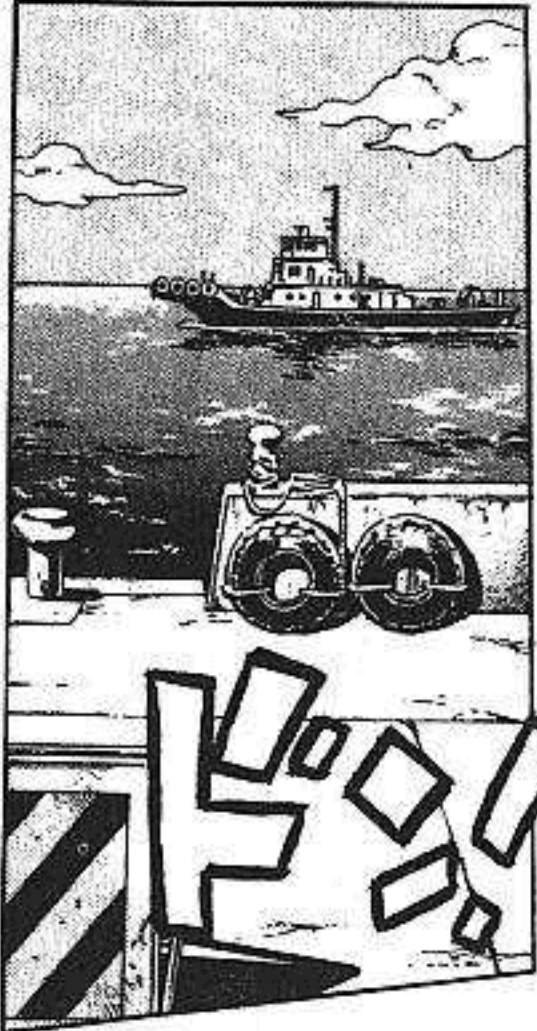

grapehill hospital

that teenager was hurt really bad, maybe still in a coma

it's not impossible

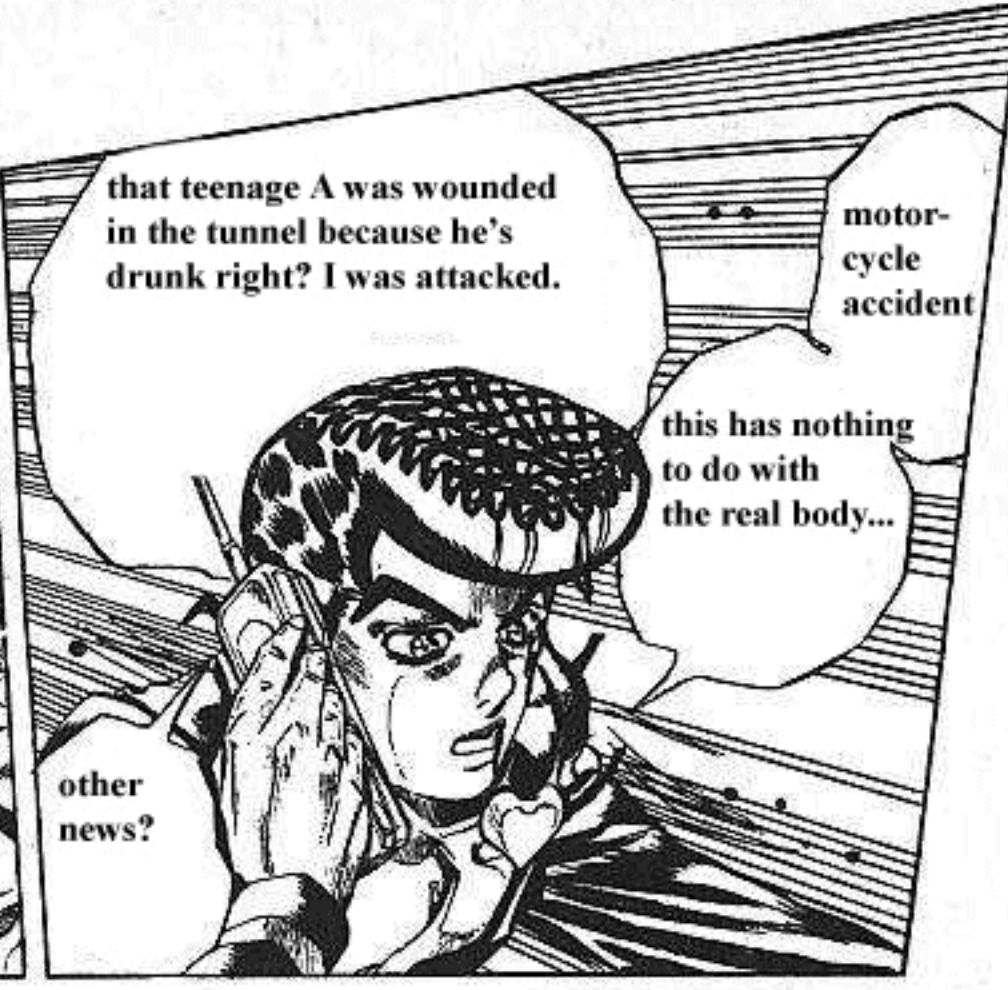

WHAT? OCEAN!!

you said that stand absorb nutrition from his victims, don't you think the real body has some kind of condition?

Wait I've seen shots on TV that were pretty bloody...

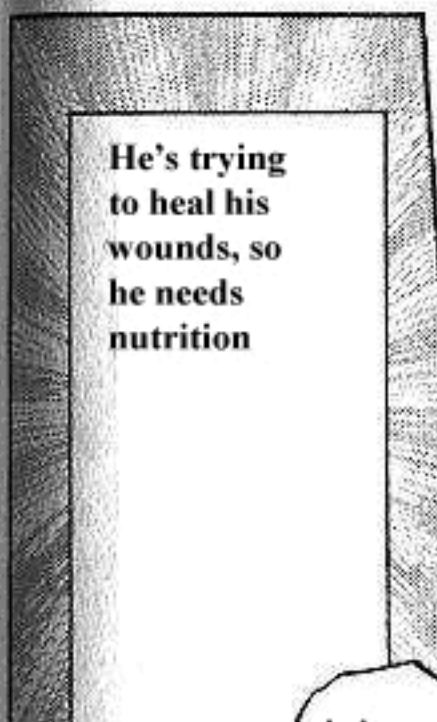

that teenage A was wounded in the tunnel because he's drunk right? I was attacked.

motorcycle accident

this has nothing to do with the real body...

other news?

He's trying to heal his wounds, so he needs nutrition

Don't you think the severely wounded teenager A is the stand user?

is it possible?

set trap, get the scent then hunt his victim down

Absorb nutrition...

Koichi!  
hold the  
phone,  
don't  
hang up!

What's  
going on  
Josuke!

there are roads  
in front! if I want  
to live I have  
to take a different  
path even it's  
just a gap!

have  
to  
turn!

If I go  
straight,  
I will fall  
into the  
ocean.

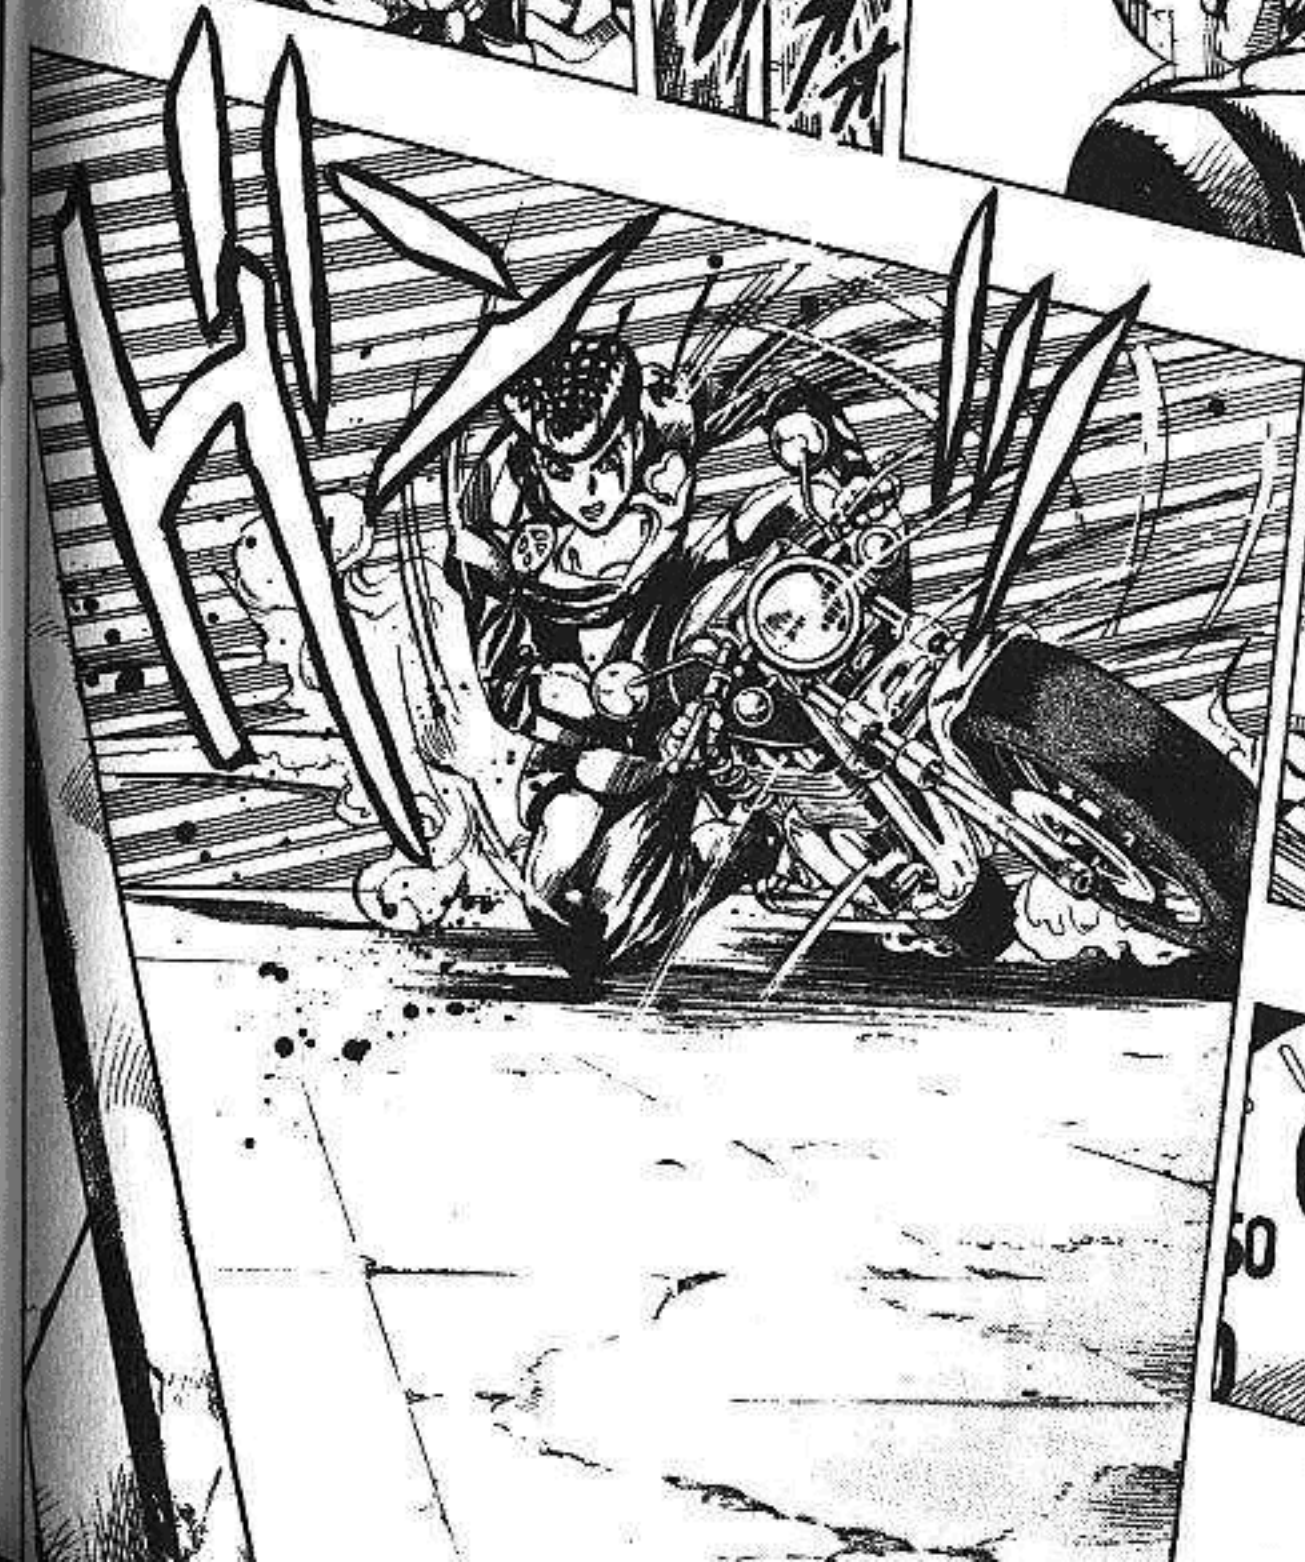

might  
hit the  
wall!

唔!

shit!

I know I can  
make the turn!  
I know I must  
make the turn!

No! can't  
think about  
hitting the  
wall!

I can  
fucking do  
it!

60

I won't  
fall into the  
ocean now!  
heh you  
stupid feet  
stand!

I've done it!  
did you  
see it? this is  
me! Josuke  
Higashikata!!

通行止

ocean in front,  
off limit!

唔

鳴哇哇哇  
哇哇哇哇  
哇哇哇哇  
哇哇哇哇

even in the ocean, he  
might still be able to  
move at 60km/h because  
he's a stand, but if I lose  
the bike, I can't go to  
the hospital without  
being caught, even if I do  
make it outta the water.

LOSE THE BIKE  
I LOSE!

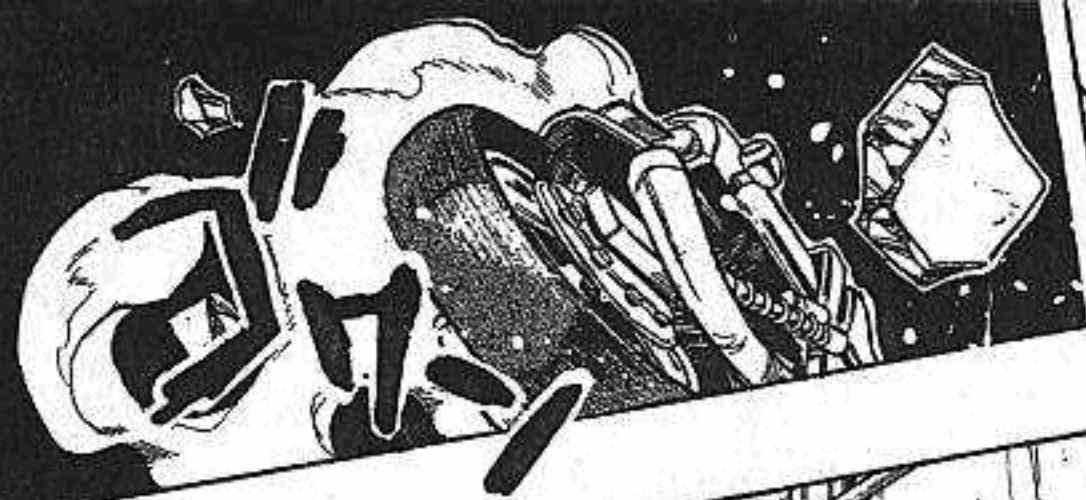

Today is not my  
lucky day! what  
do I do, just fly  
into the ocean?

CRAZY  
DIAMOND!!

THIS SIDE IS ALSO  
OCEAN! I FORGOT  
THIS IS MORIOH  
DOCKS!

WHAT?!

哇啊啊啊啊啊啊  
啊啊啊啊啊啊

哇啊啊啊  
啊啊啊

啦啦啦啦啦啦  
啦啦啦啦啦啦

都拉拉拉拉！

the teenager Koichi mentioned is just the type of person that will do this. it's a good lead.

Another word, his attacks are not planned or willed by his user, he has only 1 goal in mind, to suck nutrition out of me, his actions are all driven by this goal.

at close range, he only knows my general direction but not sure of the exact location, like the mosquito just know to suck blood but it can't go through glass window

good, thanks to the wall, he can't do teleportation

this is the automatic type

REPAIR THE WALL!

where is that  
damned  
Josuke?  
where did he  
go?

I was even cussing at  
the arrow, wondering  
what was this damn  
arrow thinking? but  
it ended up creating  
Highway Star for me..  
this is great.

Maybe he's  
sucked empty  
just like Rohan...

When this arrow  
chose an almost  
dead teenager  
motorcycle racer...

it's the hunger  
that made  
him so strong!  
I so much  
wanted to see...

This stand is too  
strong, no weakness,  
only driven by  
its hunger for  
nutrition, trying to  
heal himself

how  
Josuke  
dies.

KOICHI!  
GO TO THE  
HOSPITAL, FIND  
OUT HIS NAME  
AND ROOM  
NUMBER!!

Josuke!

what am I  
going to do  
now?

前面是海!

might break  
it anytime.

how should I  
get out of here...  
he must be trying  
to break the wall.

He might get pass  
the wall at any second  
now, if he does, I am  
dead.

Even if I  
hide underwater  
He might still  
be able to  
find me.

What  
should I  
do...?

garbage...

this...?

from  
something

like... it's  
being  
poured..

This drainage pipe carry the waste water of the town. I am luck to have gotten in, but...

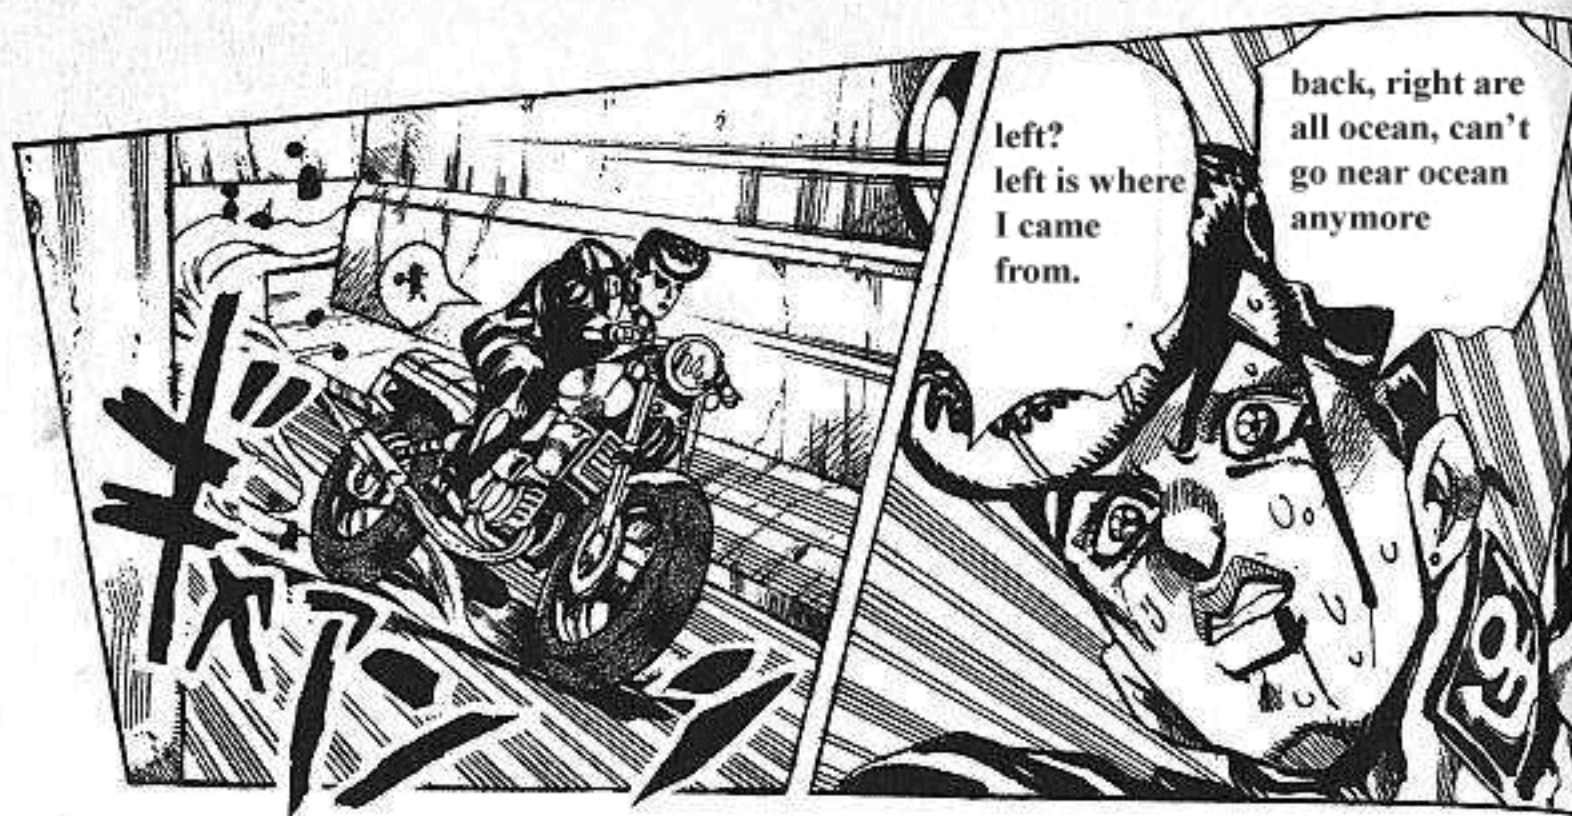

How do I get outta here? I've never been here before

what If I am forced into the ocean or a dead end, I can't tell the direction I am going in this pipe tunnel!

CITY DRAINAGE PIPE!

left?  
left is where  
I came  
from.

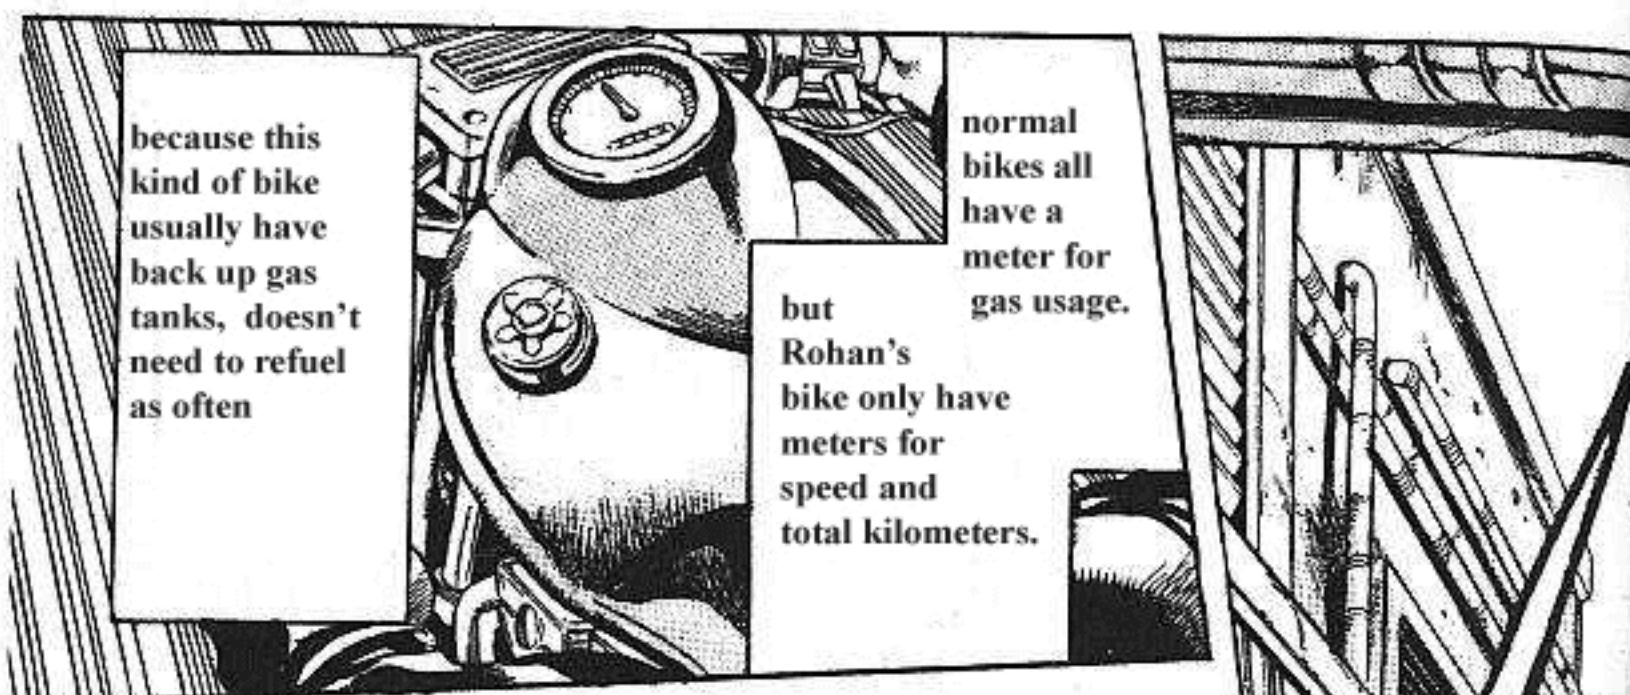

back, right are  
all ocean, can't  
go near ocean  
anymore

which  
way....?

CROSS

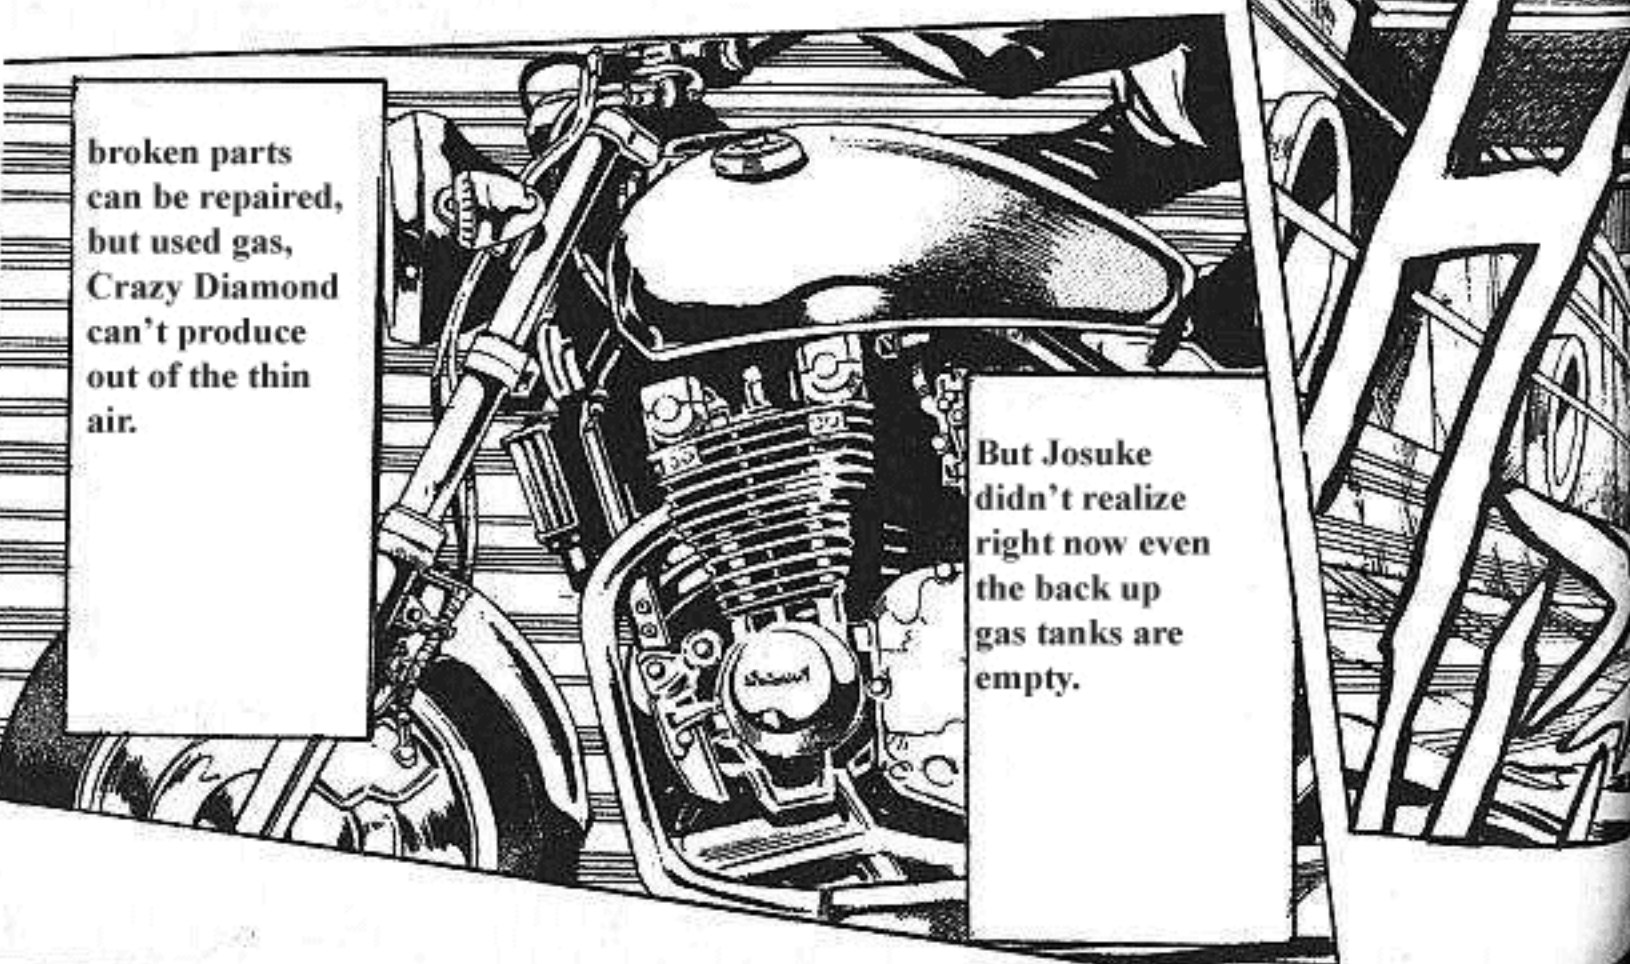

80  
km/h

because this  
kind of bike  
usually have  
back up gas  
tanks, doesn't  
need to refuel  
as often

normal  
bikes all  
have a  
meter for  
gas usage.

but  
Rohan's  
bike only have  
meters for  
speed and  
total kilometers.

broken parts  
can be repaired,  
but used gas,  
Crazy Diamond  
can't produce  
out of the thin  
air.

But Josuke  
didn't realize  
right now even  
the back up  
gas tanks are  
empty.

Josuke didn't  
realize something  
he needs but  
Highway Star  
doesn't need...

Josuke should have  
kept going at 60km/h to  
grapehill hospital to  
find the real body  
of the enemy, but now  
Josuke is trapped in  
the waste waterway,  
don't know east from  
west, just trying to get  
out of there.

I've gased to the fullest but why is the speed decreasing.

strange...

broken parts?

There is nothing wrong with the bike, why is it slowing down?

Why can't I repair it! I am slowing down!

feels like the way on the left leads to the ocean...

let me go right, but there is a way in the middle

which way now?

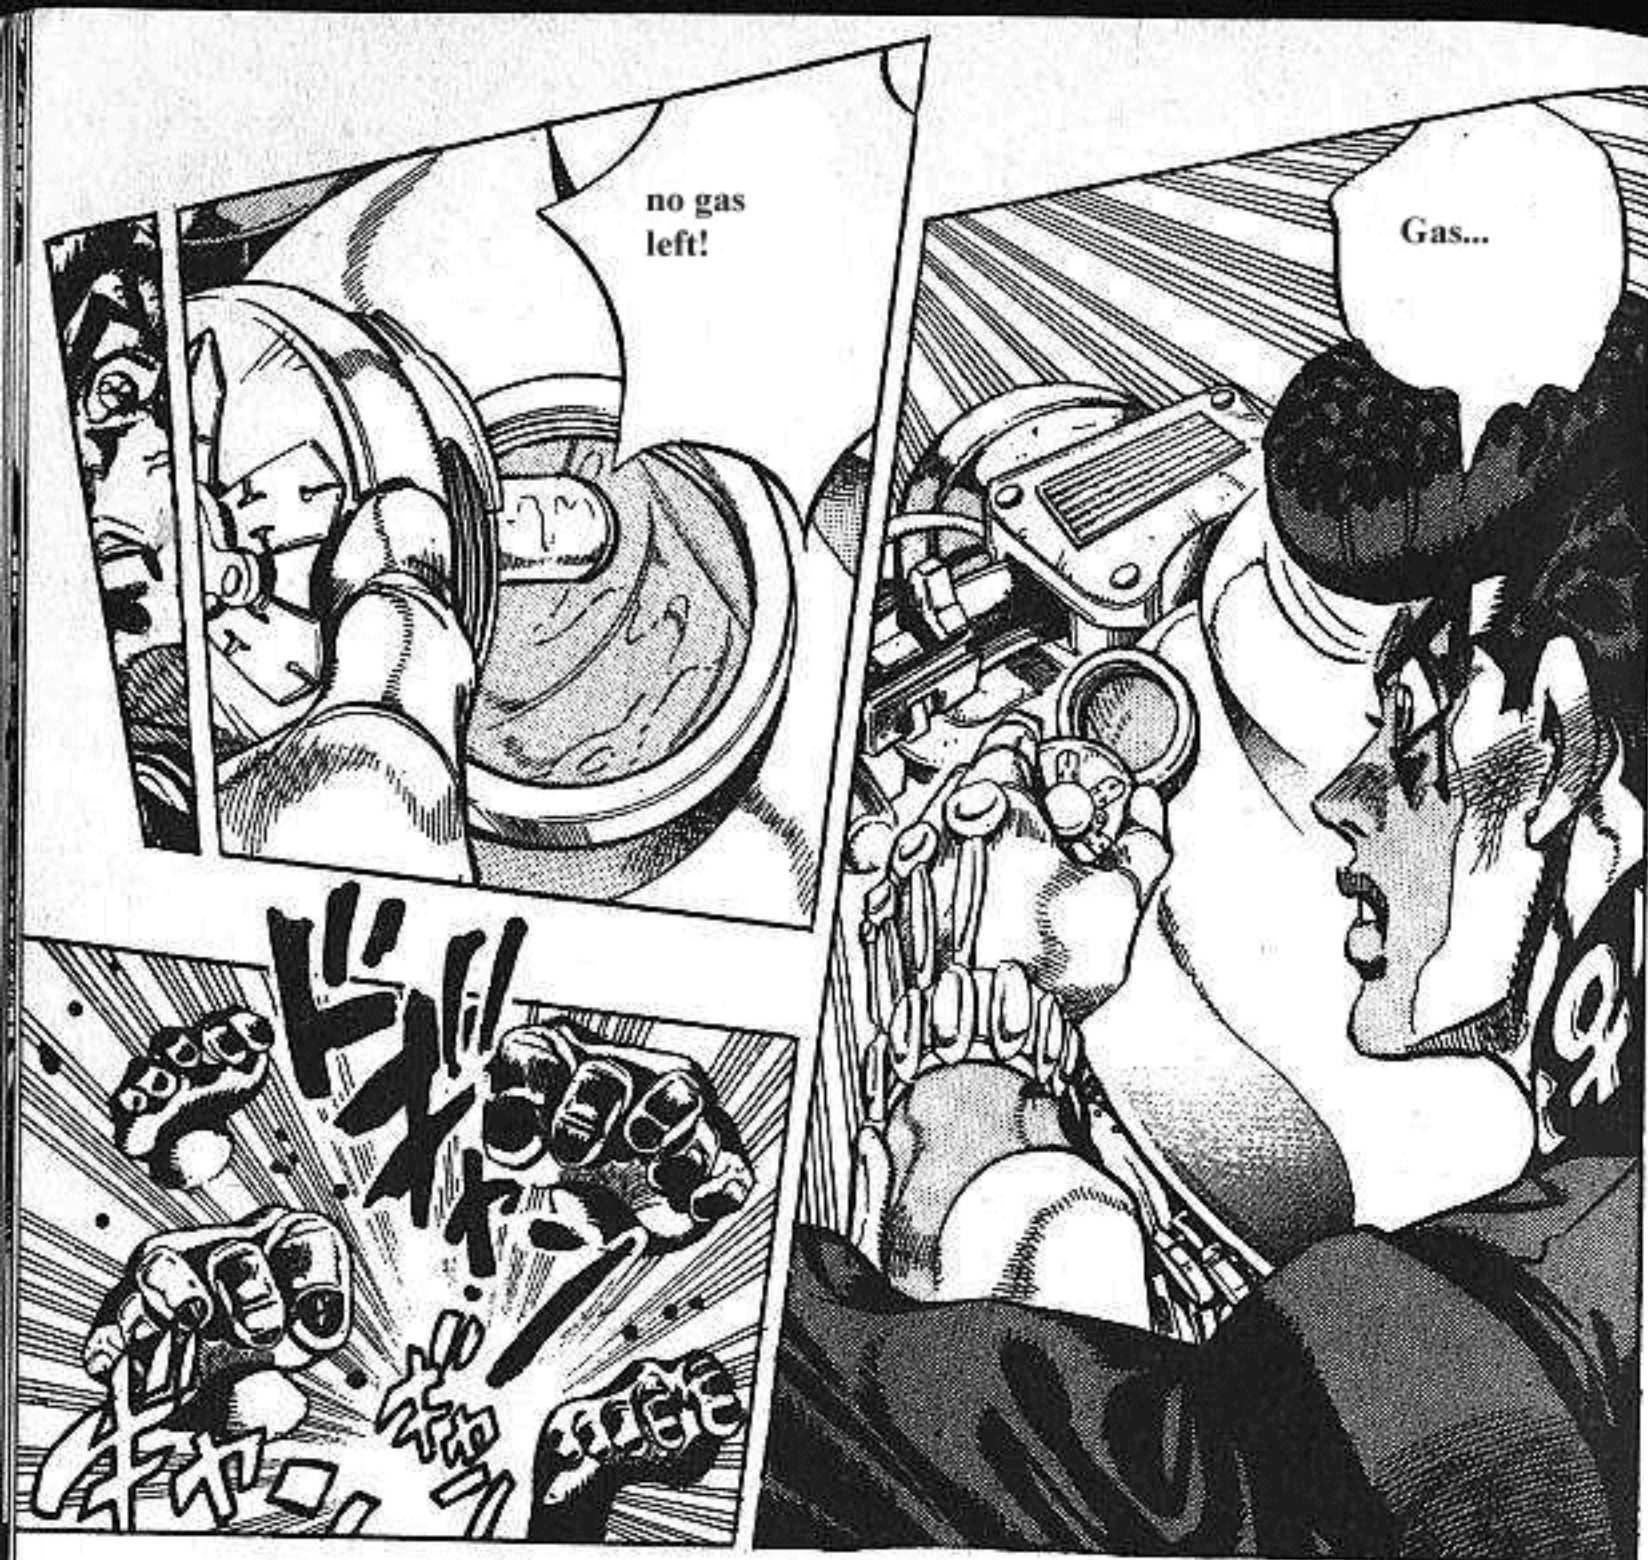

something wrong with the bike?

嗯?

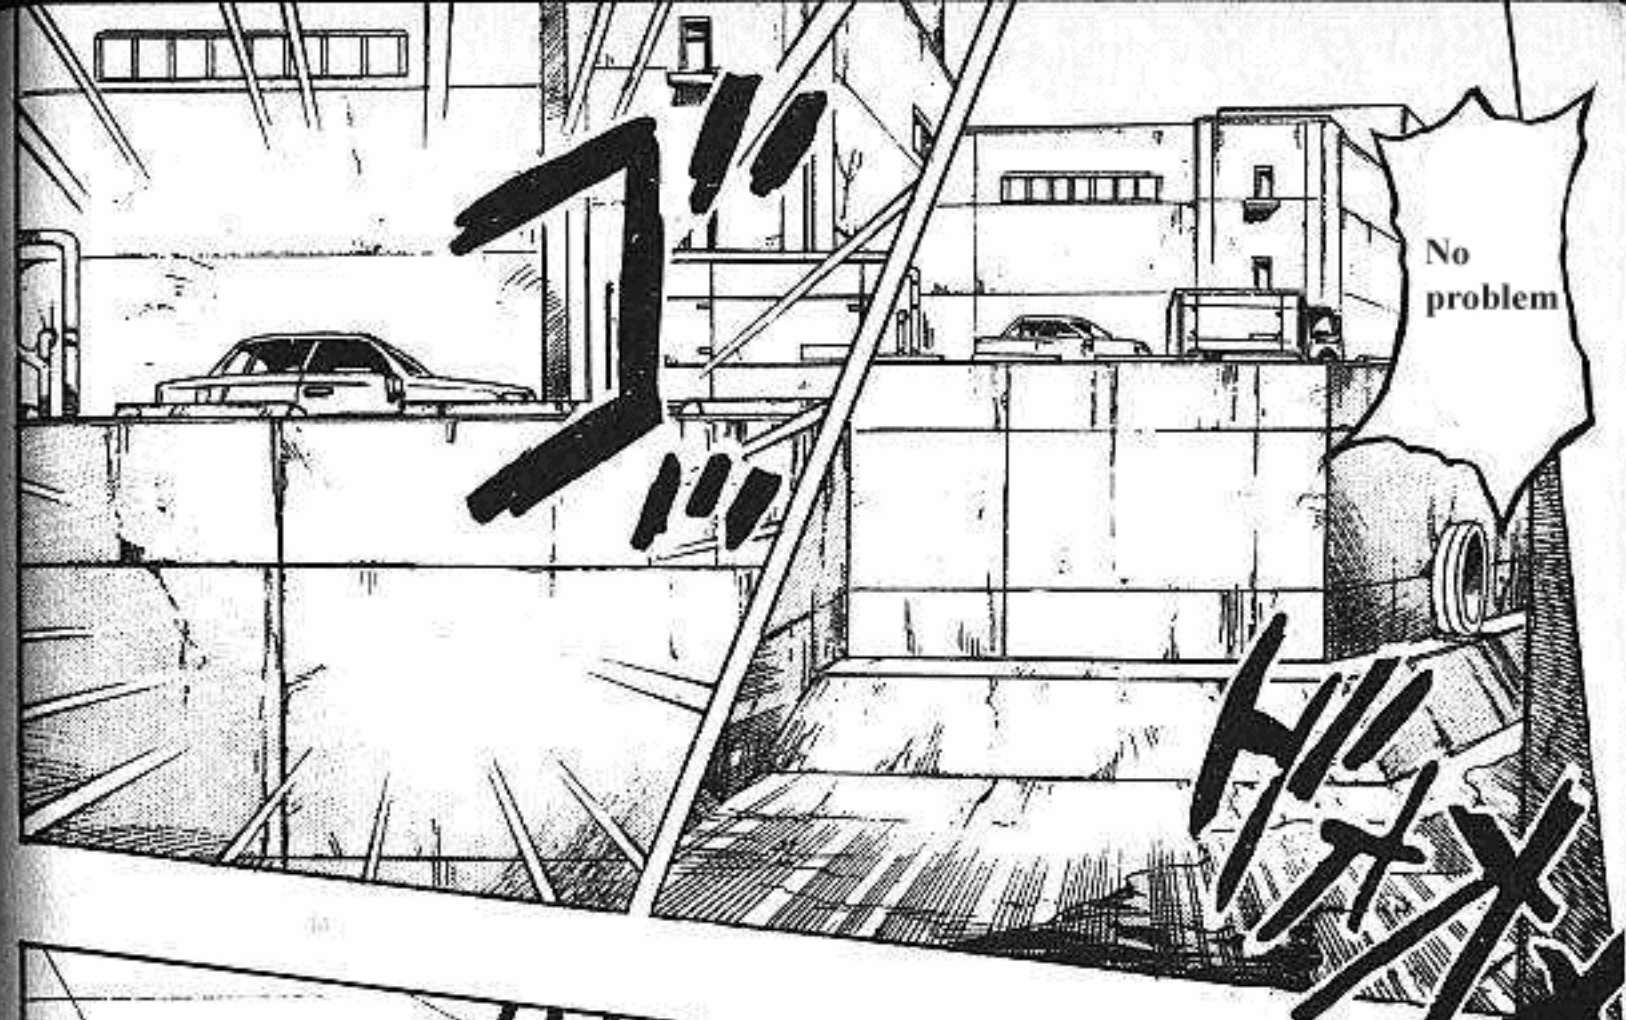

absolutely  
no problem

No  
problem

For keeping  
myself alive, this  
problem... is not  
a problem
